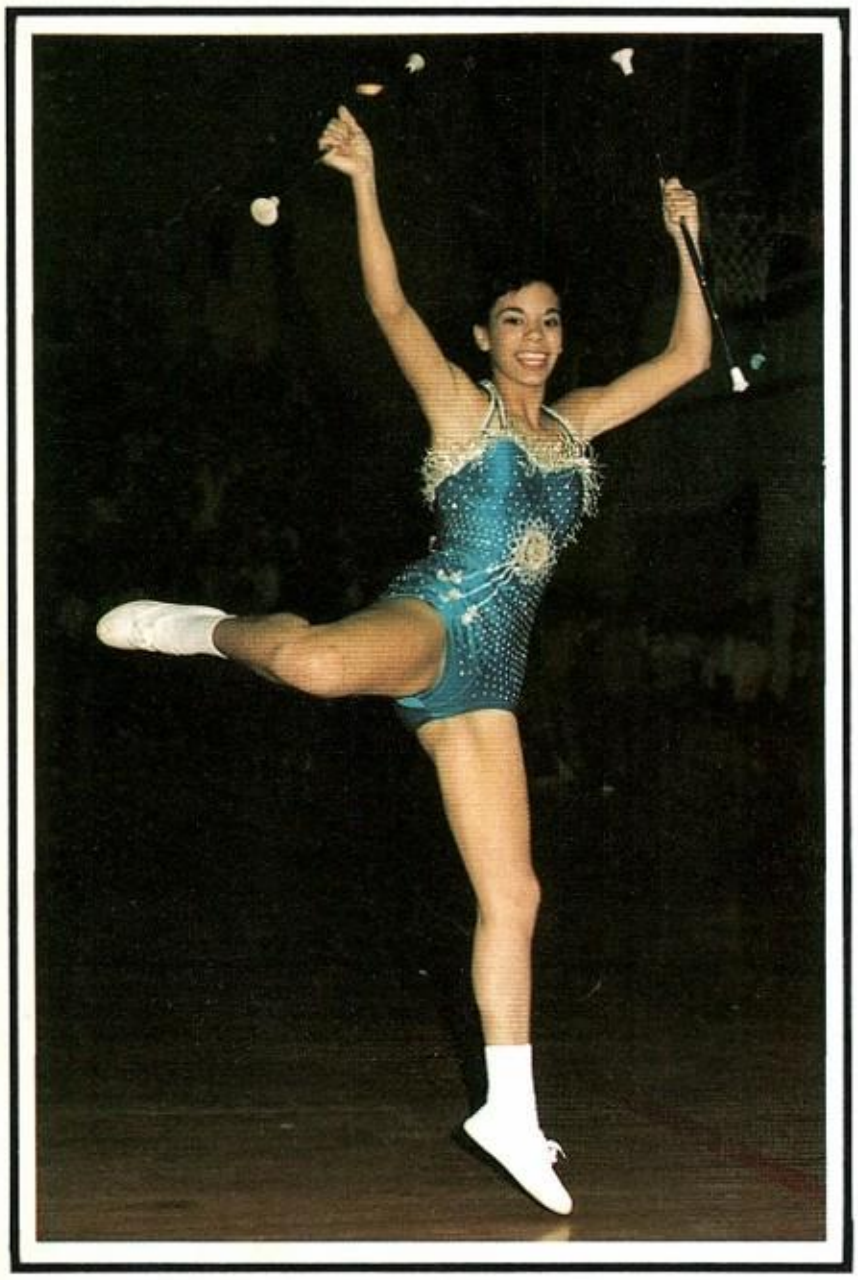
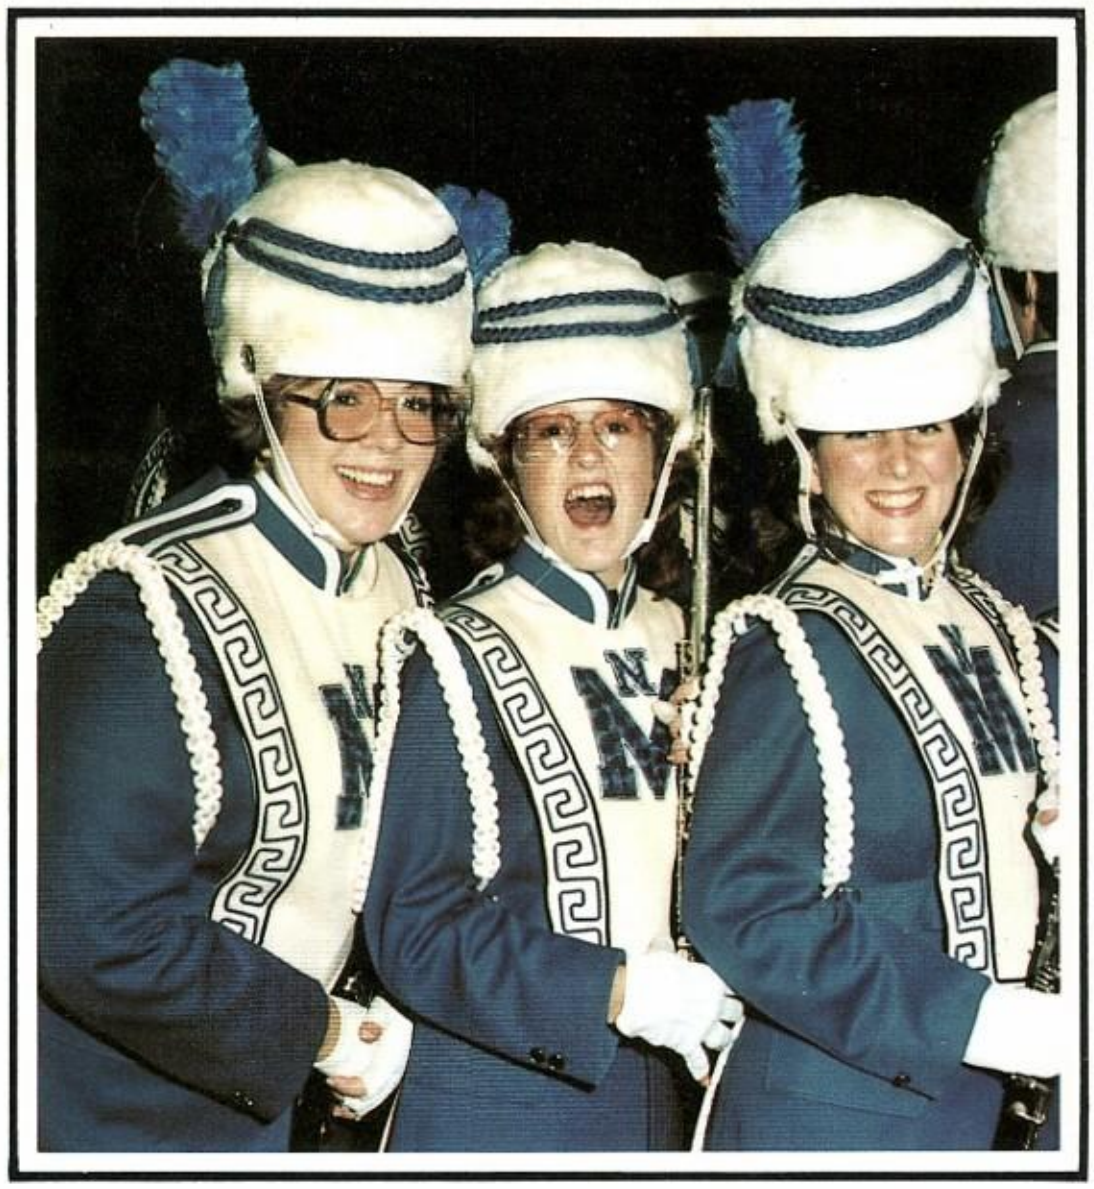
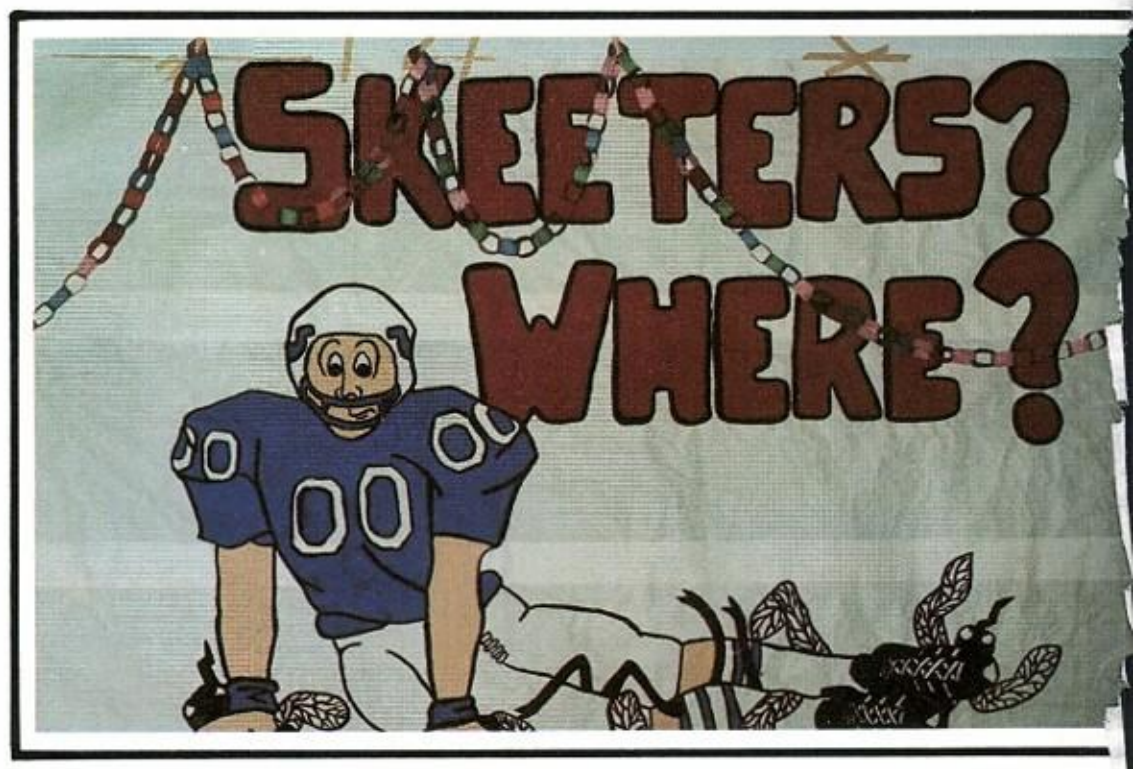
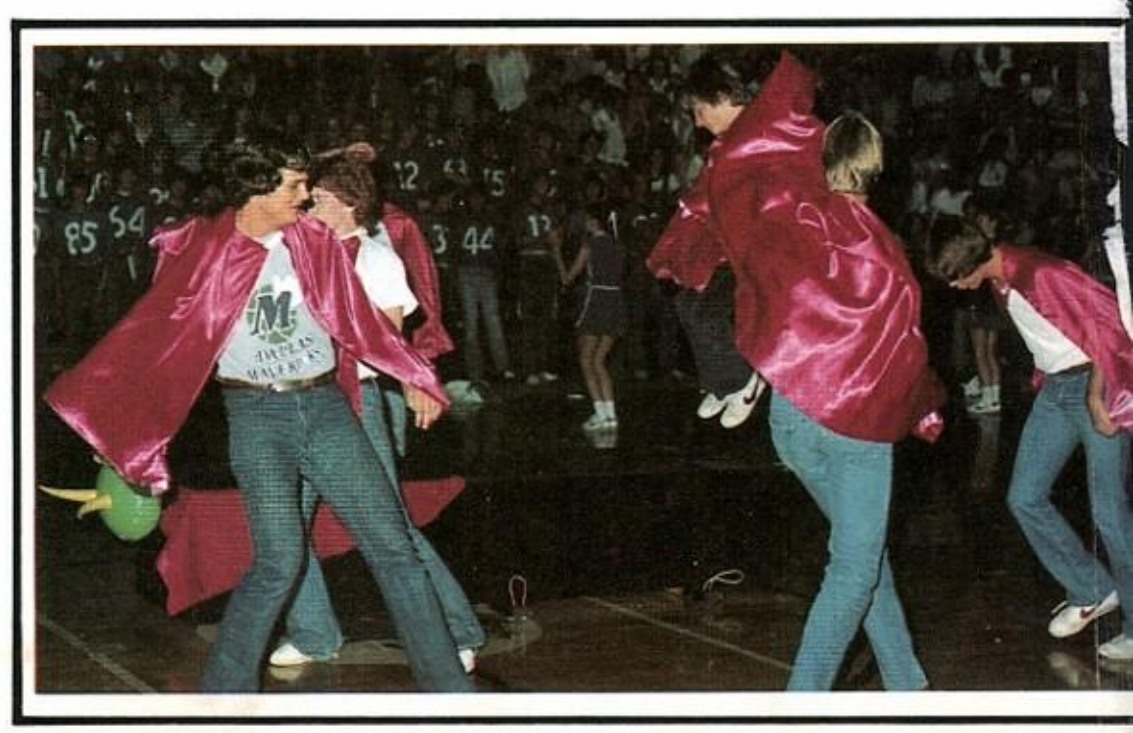
Volume XII









Ever since movies started, the world has been greatly attracted by them and influenced by them. Everything from "Popeye" to "Ordinary People" has been given to us for either sheer pleasure or to teach us something. But among those movies, there was no movie made on the life of the high school students here at North Mesquite High School. The different things that happened during the year and the people that were involved may never be told on the silver screen of Hollywood. Therefore, this book has been made for you, the students at NMHS. The people of this story are not right off Broadway, in fact, they are just normal everyday people. Or are they? Anyway, we know that your story is important and should be told. So we have tried to catch a glimpse of that story and set it to a movie theme. We now present to you 1981: NORTH MESQUITE HIGH SCHOOL.

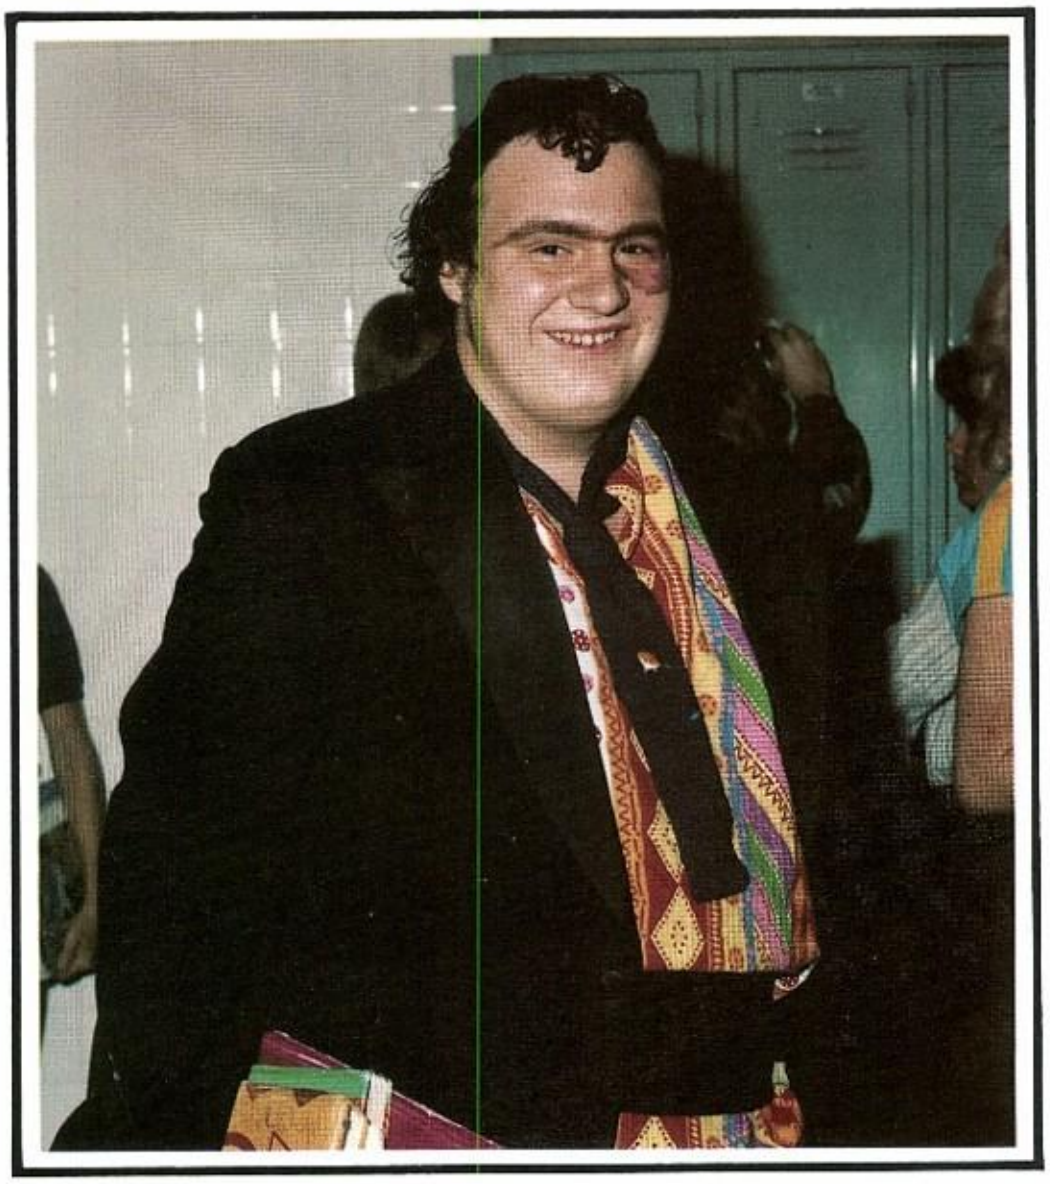
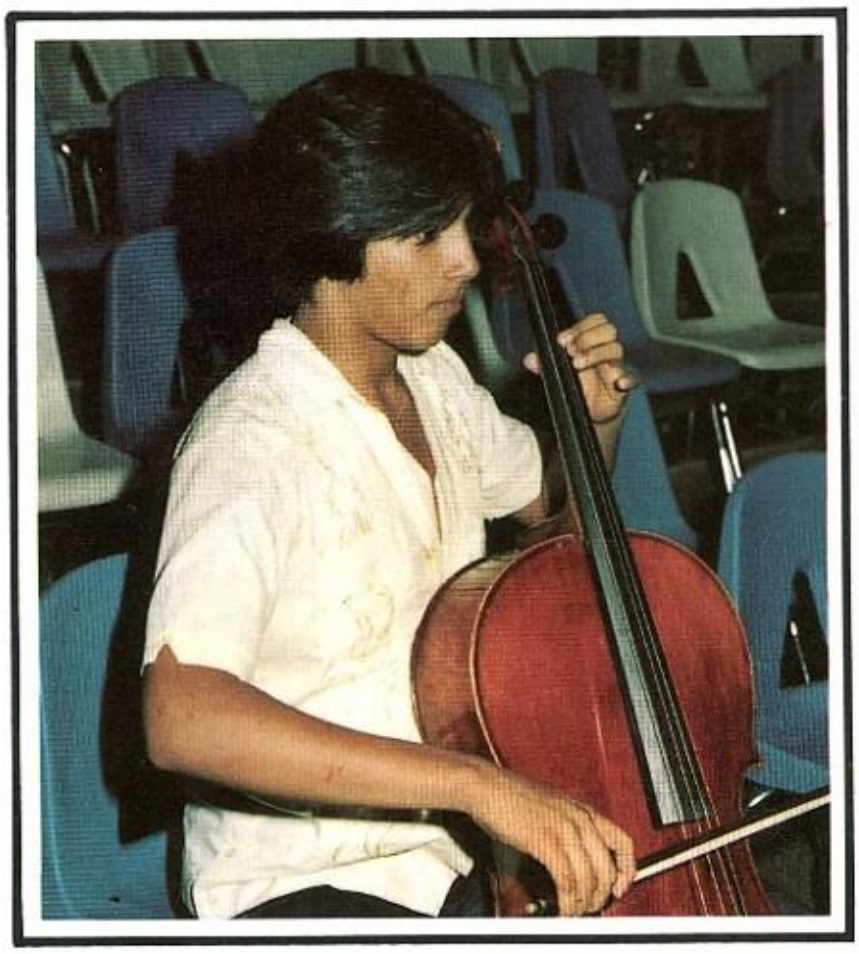
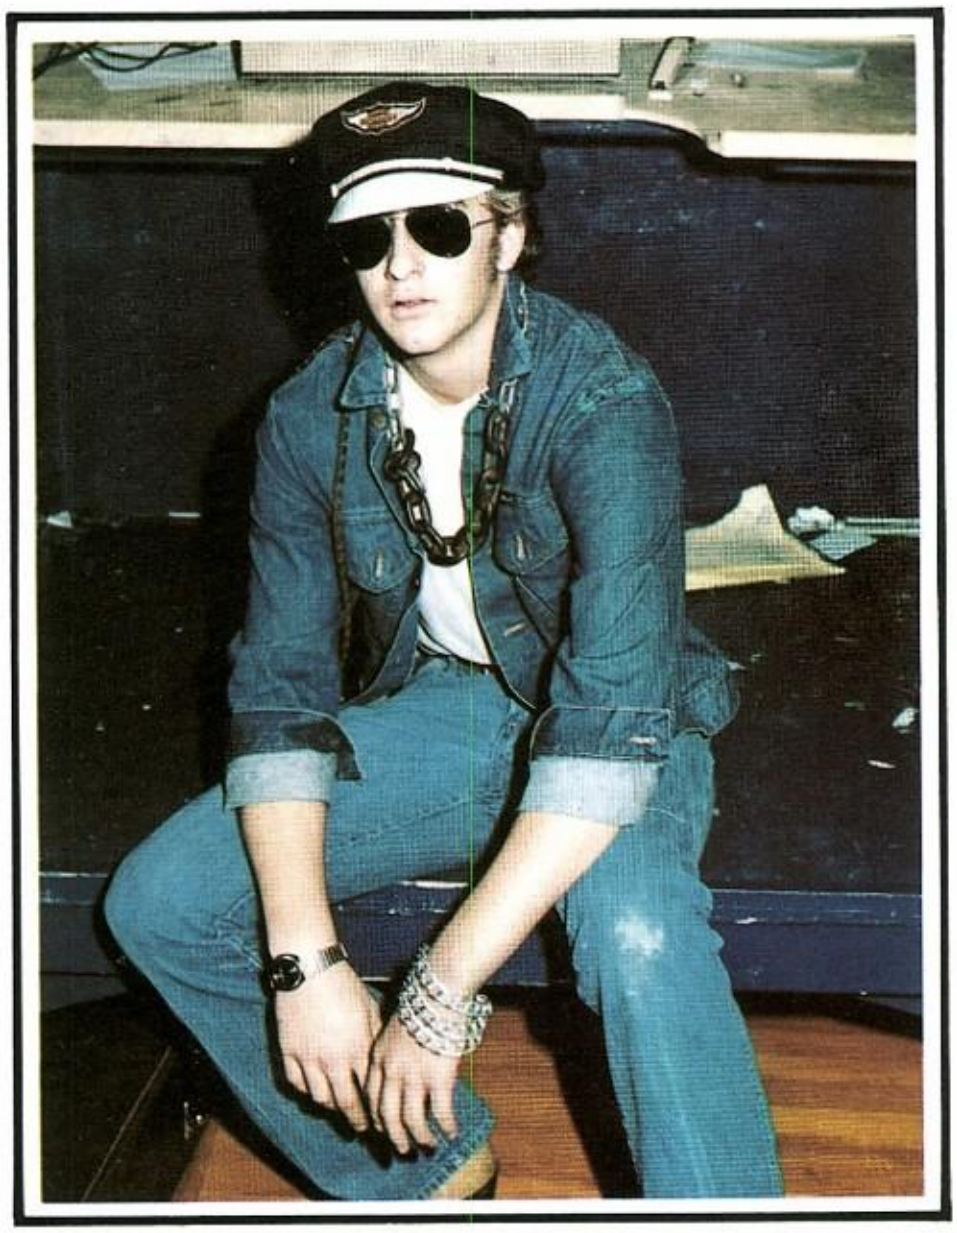
Teachers were an important part of the production in which they played a major role. Like most jobs, it wasn't easy to be a teacher; and there were other days when teaching a class took incredible effort. But there were other days when teaching was full of surprises, joys, and good learning experiences. The other important role was played by the students. Together with the teachers, they completed the process of learning inside the classroom. It took both the teacher and the student to create the story of the year's events. Working whether in class or out, seemed to occupy most of the student's time. Many students had after-school jobs, while others tended to stay at home and concentrate on their studies. Some students attempted both and found little time to spend with friends or extra activities.







Some students attempted both and found little time to spend with friends or extra activities. Working seemed a little easier if a student could find someone to share it with. Whether it was studying for a test, or just doing homework, together students enjoyed the presence of a friend.

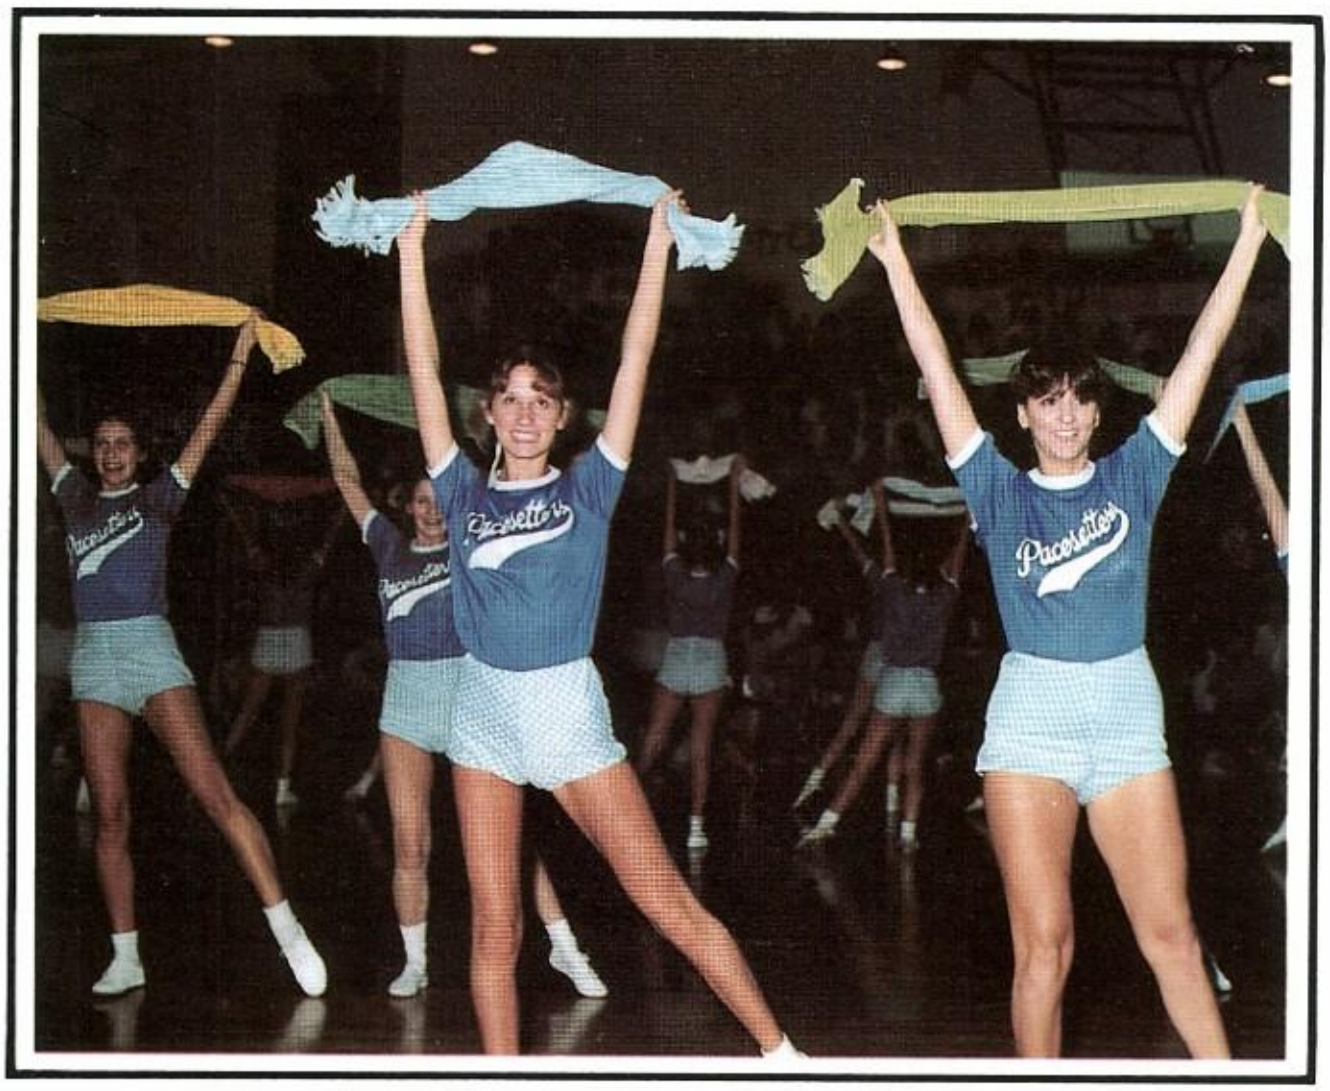
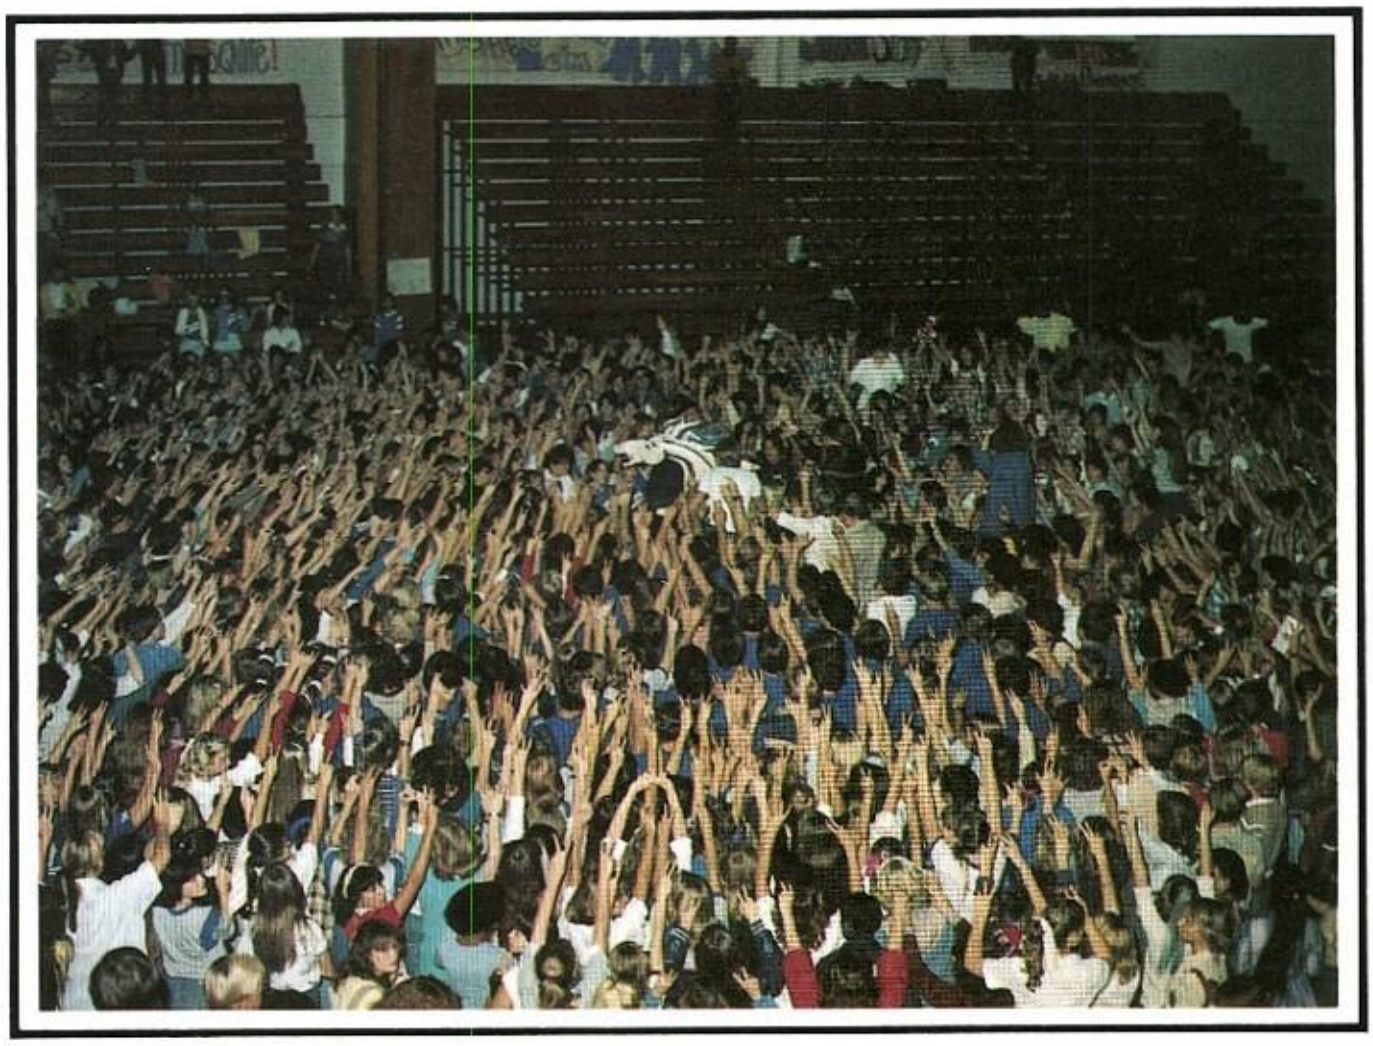
Bottom: Jubilant Stallion crowd yells to their heart's delight.





Amidst all the work, students found a little time to relax and enjoy themselves. This was important in making the production and gave everyone a chance to make new friends and try new things. Perhaps the most dramatic and spectacular time of the year were those moments when NM students were united in one spirit. These moments did not occur often; but when they did, they left beautiful memories. Some of these memories will fade, while others will survive and continue to be recalled from time to time. Here are some moments of that eventful year.

FAVORITES

Striving for excellence, students have dedicated themselves toward achieving. As the size of each graduating class increases, the honors received also multiply in number. Each class obtains more scholastic achievements, sometimes with higher grade point averages. Whether on the athletic field or in the classroom, students are encouraged by the faculty and administrators to excel in whatever area they choose. After achieving goals, students are given the recognition they so much deserve. Whether in the form of an elected favorite, trophy or scholarship, individuals are honored and acknowledged.

ORGANIZATIONS

Since the first graduating class of 1970, students have participated in some sort of extra-curriculum. Clubs have attracted students with interests which have varied from homemaking to student council. Over the years, students' interests broadened and the need for more new organizations was seen. Clubs with interests in vocational and career backgrounds were added. Today, North Mesquite High School offers more than 50 clubs and organizations with a varied and wide spectrum of interests. With more than so percent of the student body participating, clubs have become an interesting as well as informative portion of a student's life.

Language Is Vital Communication

Language has always been a vital part of any society. Americans are soon realizing that more than one language is necessary to know in order to communicate with others. For this reason and others, the language department at NM is growing every year. North Mesquite offers four different languages. They are French, German, Latin and Spanish. All these have four levels in which a student can advance to. The last two years of these subjects are considered as honor courses, thus receiving double credits. The next five pages show the members of the language clubs and their varied activities.

German Club Learns Cultures

The German Club continued learning about German culture and language through activities, and school. Members are Pamela Wright, Kelli Porter, Michelle Bealmer, Victor Krieger, Wesley Wills, Bill Ramsery. Second Row: Richard Ehrig — Sponsor, Gerald Preas, Kevin Cowan, Charles McClaen, Robert Stoeber, and Max Whaley.

Germany's mountains and castles made a very successful spring break tour for the North Mesquite students and teachers involved. Teachers, Sandra Gray and Cathy Bradley, and students Ken Walker, Michelle Bealmear, Shannon Langford, Irma Sanchez, and Tari Sanchez, are those who went to Germany. While there, the tourists had to adjust to a lack of ice and water in restaurants. Among one's favorite tourist spots were the Ringstrasse, Dachau concentration camps, and Salizburg, where the "Sound of Music" was filmed. Most prices were also different from those at home. Most were lower than ours. Miss Bradley said, "Jeans bought in Germany from a second hand shop, cost more than what we would pay for a brand new pair here, simply because jeans are imported." The students all seemed to enjoy German food. Everyone especially liked the German bakeries. They also liked the sauerkraut. Right: One of the many beautiful and interesting sights found in Germany.

Librarians "Check Out" Students

These helpful girls are library aides. They help in shelving books, and in helping people with research matter. They are: Lynne Boldt, Cheryl Giddens, Teresa LeMasters, Sherry Prater, Stacy Nelson, Catherine Ryan, Debbie Charles **Back row:** Mrs. Peace — Librarian, Sarita Rossi, Shelly Poor, Ann Stark, and Miss Morgan, Librarian.

Jazz and Frosh Bands Tune Up for Concerts

The Freshman Band (Little Blue) performed for many of the freshman football games and gave several concerts in 1981. The highlights included UIL Concert, Sightreading Contest where they received a First Division rating and a Second Division rating; in April the Little Blue marched in the Rodeo Parade. The drum majors for this year's Freshman Band are: Ruth Moore and Kristine McAda. The Freshman Majorette was Regina Mills.

The N.M. Jazz Band members had a busy year. They gave concerts and provided the entertainment at all of the home basketball games. The Big Blue Plays

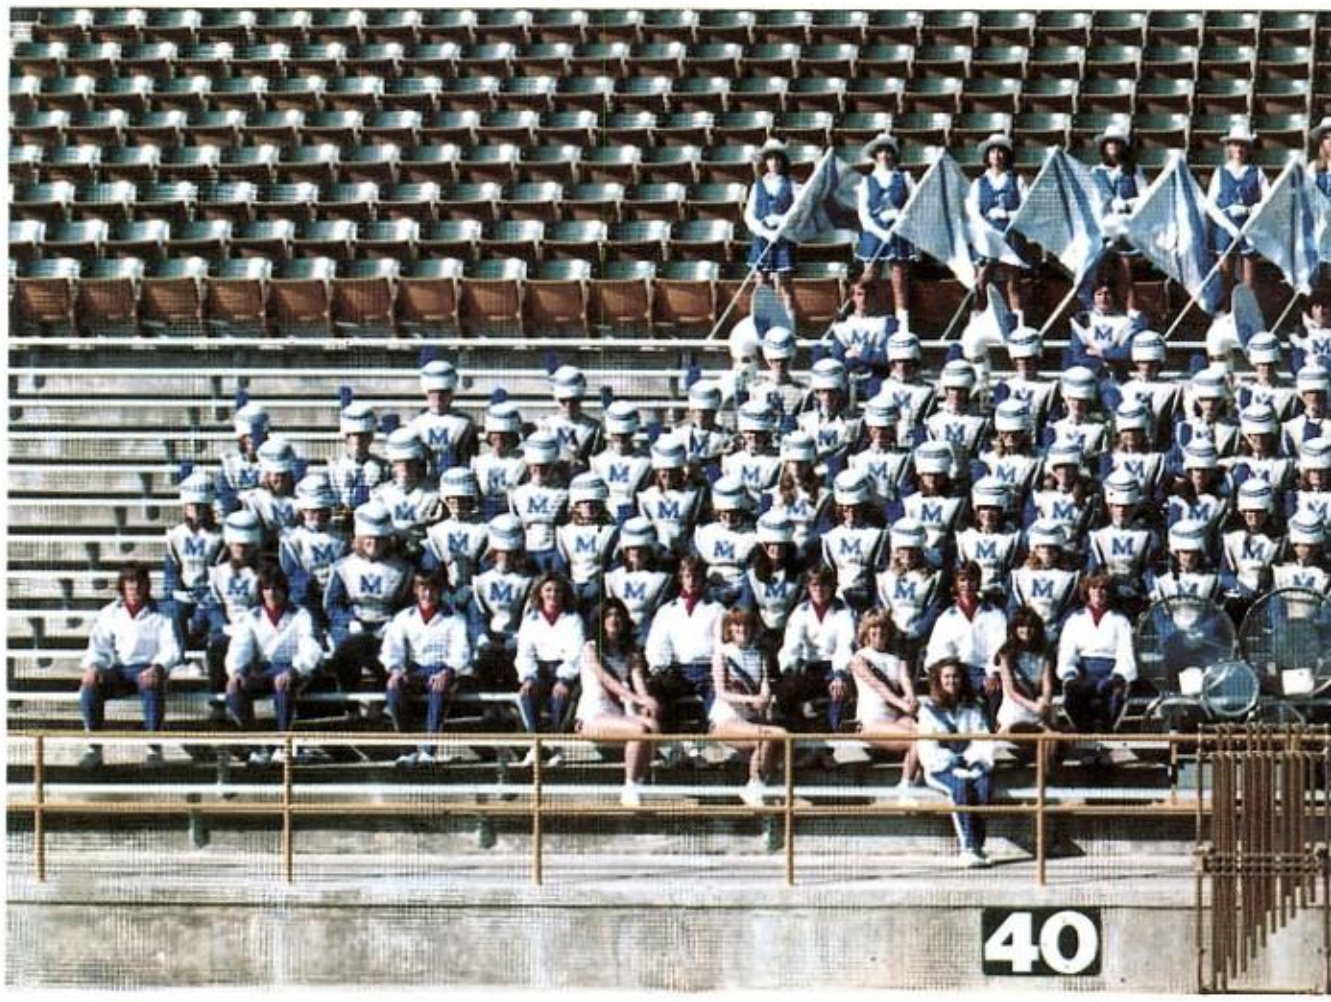
In combining their talents, the North Mesquite Big Blue Marching Band, majorettes, and drum majors aided the cheerleaders in promoting school spirit at the pep rallies and at each of the football games. Dedicated and energetic students spend hours working with several directors to make the award winning Big Blue what it is. When representing the school in competition, the hard work and dedication pay off. The Big Blue competed at UIL Marching Contest receiving straight first division ratings. The Big Blue is under the direction of Mr. John Kline and Mr. Tony Anderson.



The Drum Majors who led the Big Blue during this football season are: Cheryl Sillman, Head Drum Major Paul Bright, and Sharon O'Neal.

Little Mary and Captain Jim contemplate their future together.

Little Mary

The major stage production of the Fine Arts department was an old-fashioned melodrama named "Little Mary Sunshine." The hero, Captain Jim (Paul Bright) and the damsel (Sue Sloan) struggled through the trials of true love to be united at last, despite the efforts of the villain, Yellow Feather (Greg Smith).

The cast included Sue Sloan as the fair Mary Sunshine, Paul Bright as the valiant Captain Jim Warington, Ken Walker as the timid Billy Jester, Patty Chaffin as Naughty Nancy Twinkle, Doug Starkey and Pam Wright as General Oscar Fairfax and Ernestine, two middle-aged friends of Little Mary, Kenny Martin played Little Mary's Indian father, Big Chief Brown Bear, Damon Ericson was the elderly Indian guide, Fleetfoot, and Greg Smith was the villainous Yellow Feather.

Cadets Shoot for a

Under the command of Lt. Col. James Spann and SFC Doyle Couch the ROTC attended many meets and competitions. The ROTC competes with 256 other units in an eight state area. Among the meets the orienteering team attended were the University of Houston, Southern Arkansas, and the UTA Meet. They also visited Ft. Walters. The drill team attended the 5th Annual Metroplex Drill Meet, and the summer drill clinic held at the UTA campus. Among the drill team's accomplishments was marching in the Balch Springs Parade for the homecoming of Johnny McKeel, an Iranian hostage. The rifle team attended meets at Texas A&M, McArthur High School, Wichita Falls, Louisianna and North Carolina. In the McArthur Meet the rifle team won third place for their excellent marksmanship. ROTC sponsored the Turkey Shoot in which twenty-one turkeys were awarded. 750 students paid their one dollar for four shots with a .22 caliber rifle. The cadets also attended a presentation by the U.S. Army showing the differences between the U.S. Army and the Russian Army. They were shown the difference in weapons, life styles, and the means of operation. The annual highlight of the cadets was the 1980-81 Military Ball held on February 27. Outstanding cadets include Brad Benford, Jerry Scoggins, Scott Adams, Greg Edwards, Troy Cunningham, and Paul Sullivan. The outstanding girl cadets were Crystal McClammy, Dawn Cox, Melanie Montgomery, Vickie Price, Karen Vowell, and Colleen King. Troy Cunningham was crowned Honorary Colonel and Karen Vowell was crowned Queen of the Ball.

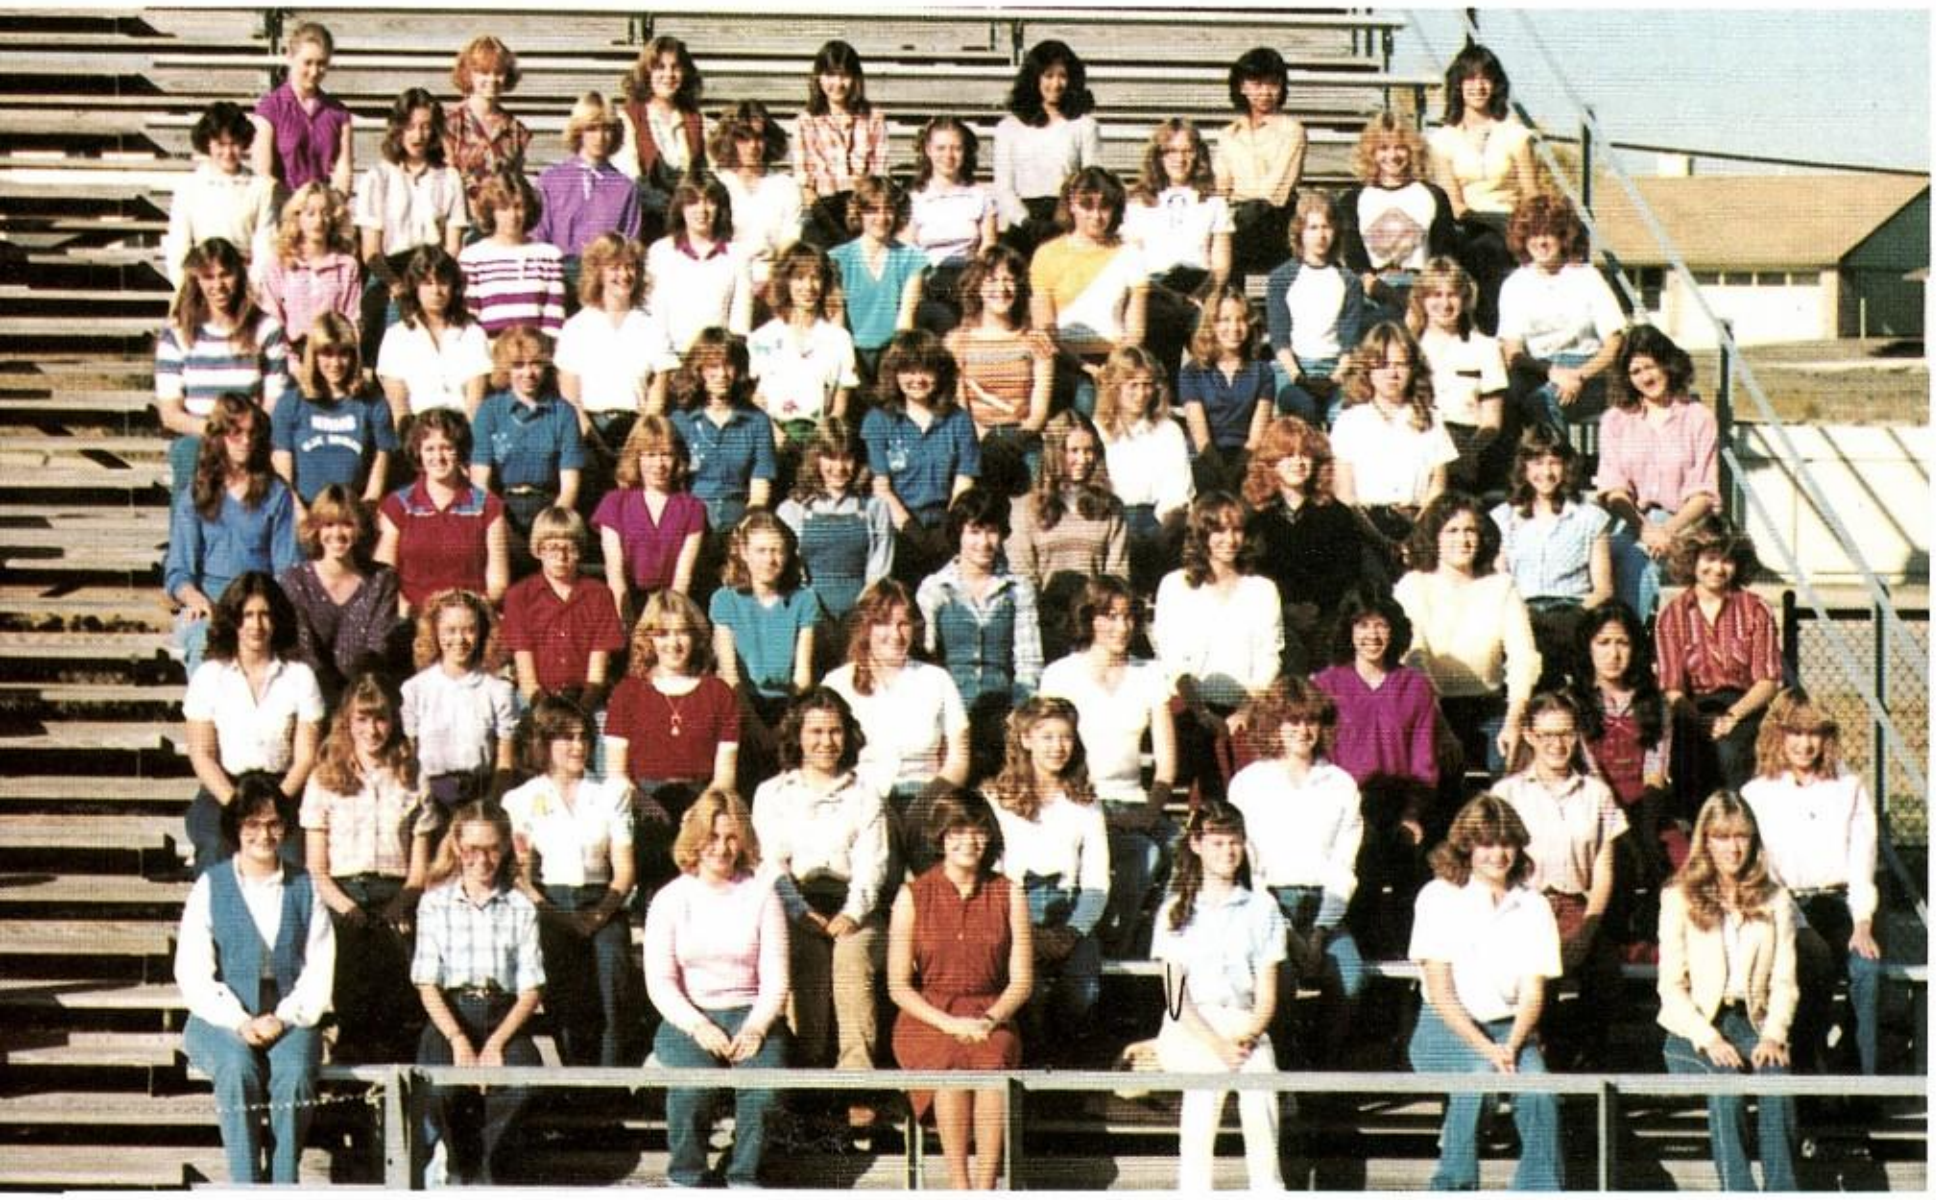
Spirit and Color to Stands



Organized as the spirit booster, the North Mesquite Blue Brigade spent the 1980-81 football season cheering the mighty Stallions. President Dawna Isenman along with Debbie Trammel, vice-president, and directors, Dawn Wells and Barbara Morris assisted Ms. Julia Reynolds, sponsor, in creating a quality card section that the North Mesquite fans could be proud of. As special effects the Blue Brigade presented a hand-drawn replica of Spirit, prepared by the FHA, and members of the Art Club at homecoming and again at the Mesquite game.

The Blue Brigade, composed of freshmen, the J.V. Drill, and all other spirit-minded students provided a colorful addition to each half-time performance, and many cheers at pep rallies and games.

The 1980-81 Blue Brigade officers are Dawna Isenman, president, Barbara Morris, director, and Debbie Trammel, vice president.

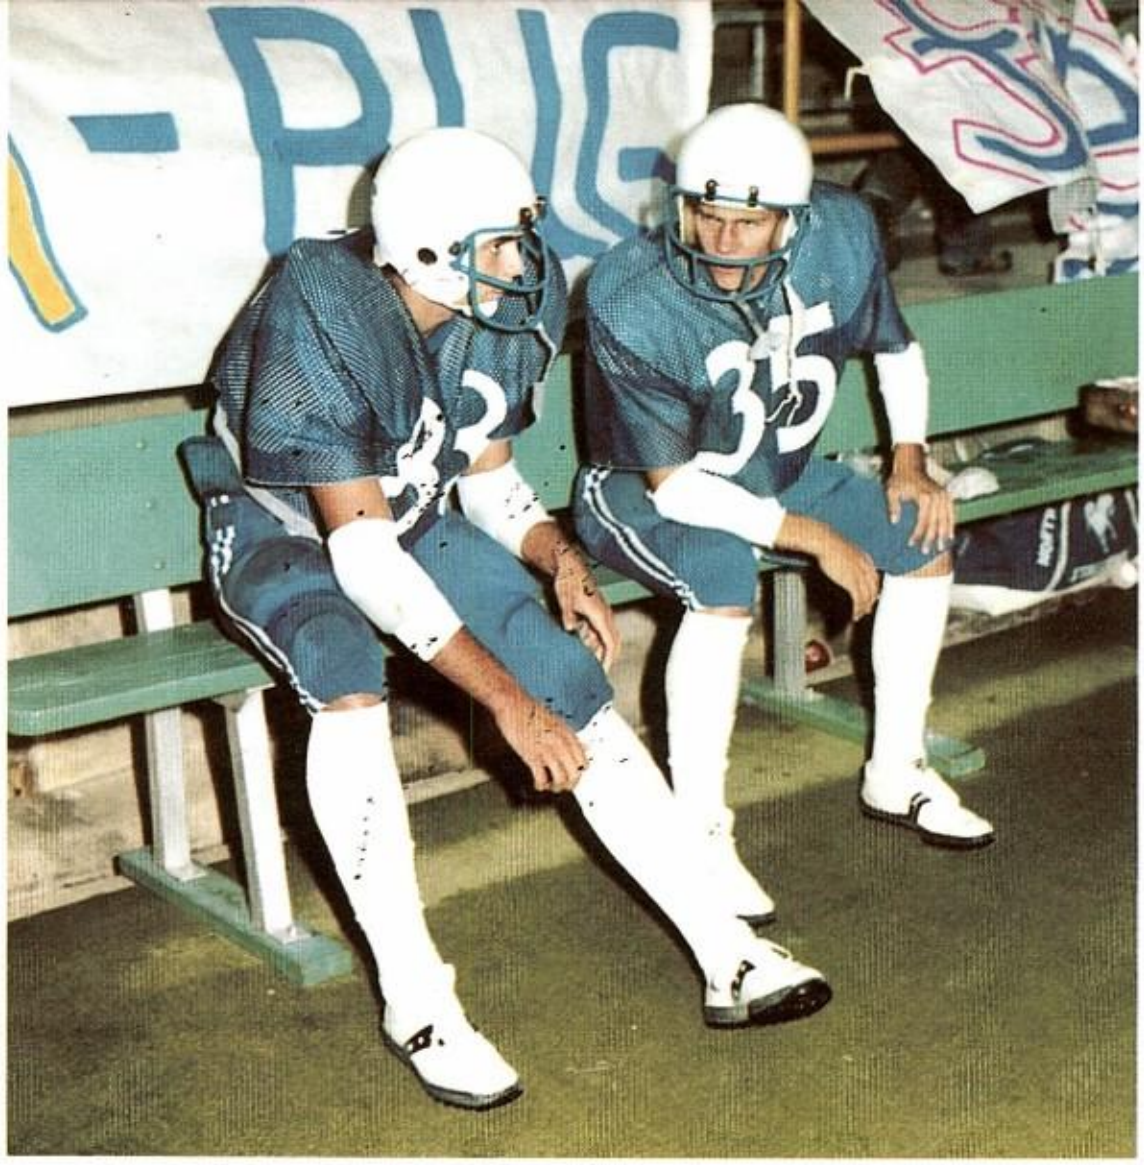
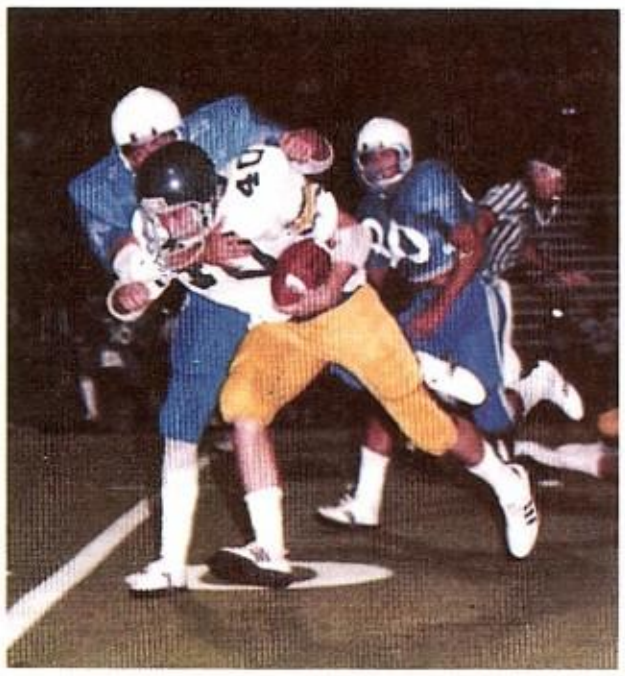
SPORTS

Aspects of the well rounded student include physical fitness. Fitness can be acquired through several methods. Weight lifting, dancing, and competitive sports are ways to achieve excellence in addition to the classroom. Performance is not only judged on the student's ability to perform in a sport, but also by the rules and concepts of the activity. Through this basic program of fitness, students obtain the idea that physical activity is an important phase of education.

Mighty Men In Blue





1981 Stallions

Stallions Kick Off to Good Season

Coach Gary Childress believes that becoming a champion is the goal of all athletic teams and individual athletes. He added, "We fell short of becoming district champions as a team, but I feel the young men that made up this team learned many lessons that will help them be champions in life."

Selected for 1st team All-District was running back **Billy Edwards.** Named to the 2nd team All-District were: receiver **Robert Fitzgerald,** tight end **Russell Neeley,** center **Don Wilson,** kicker **Kevin lund,** and linebacker **Kyle Baird.**

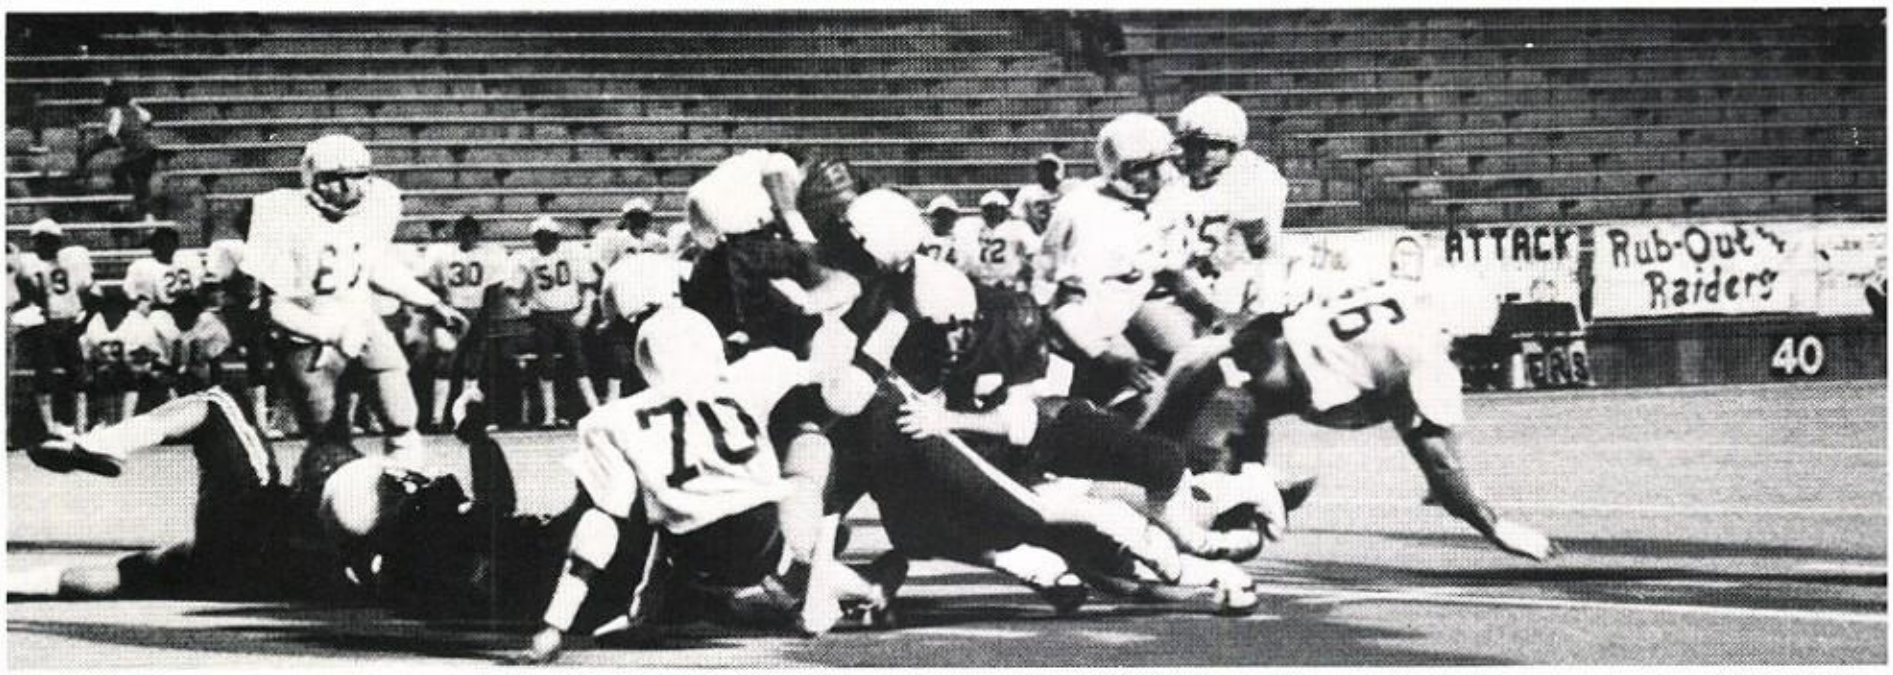
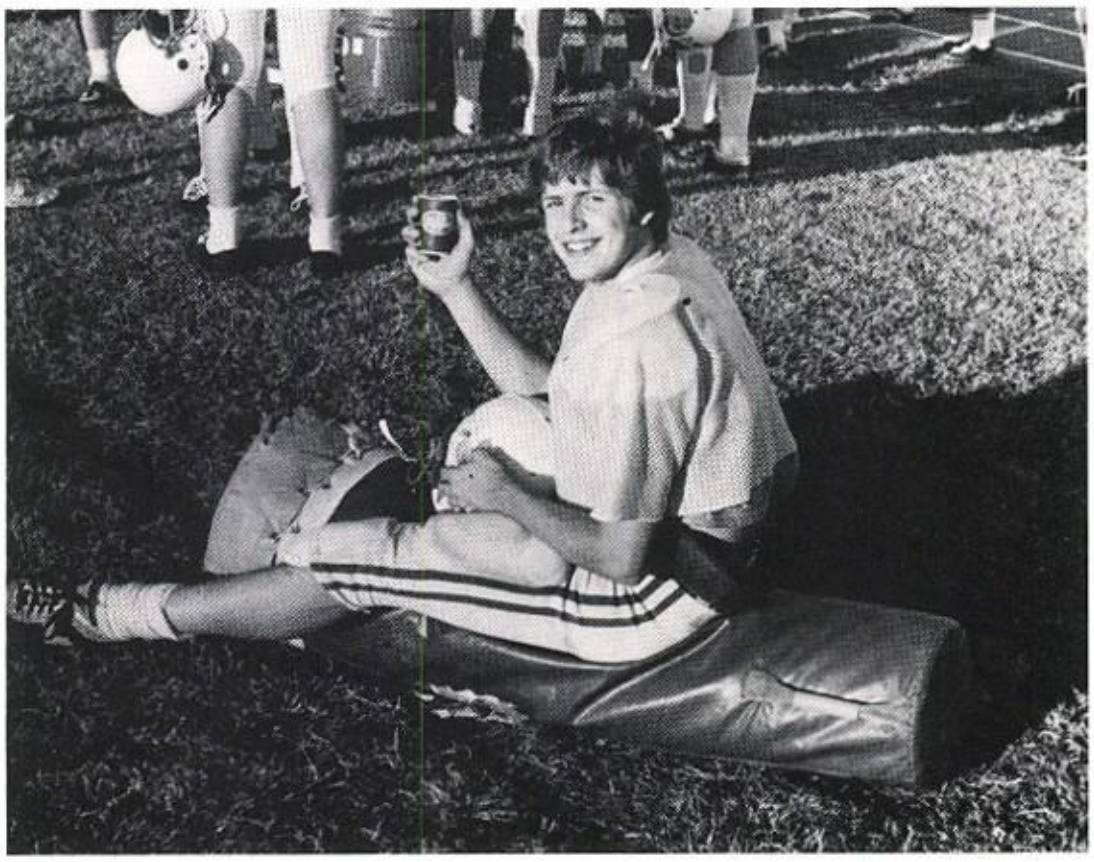
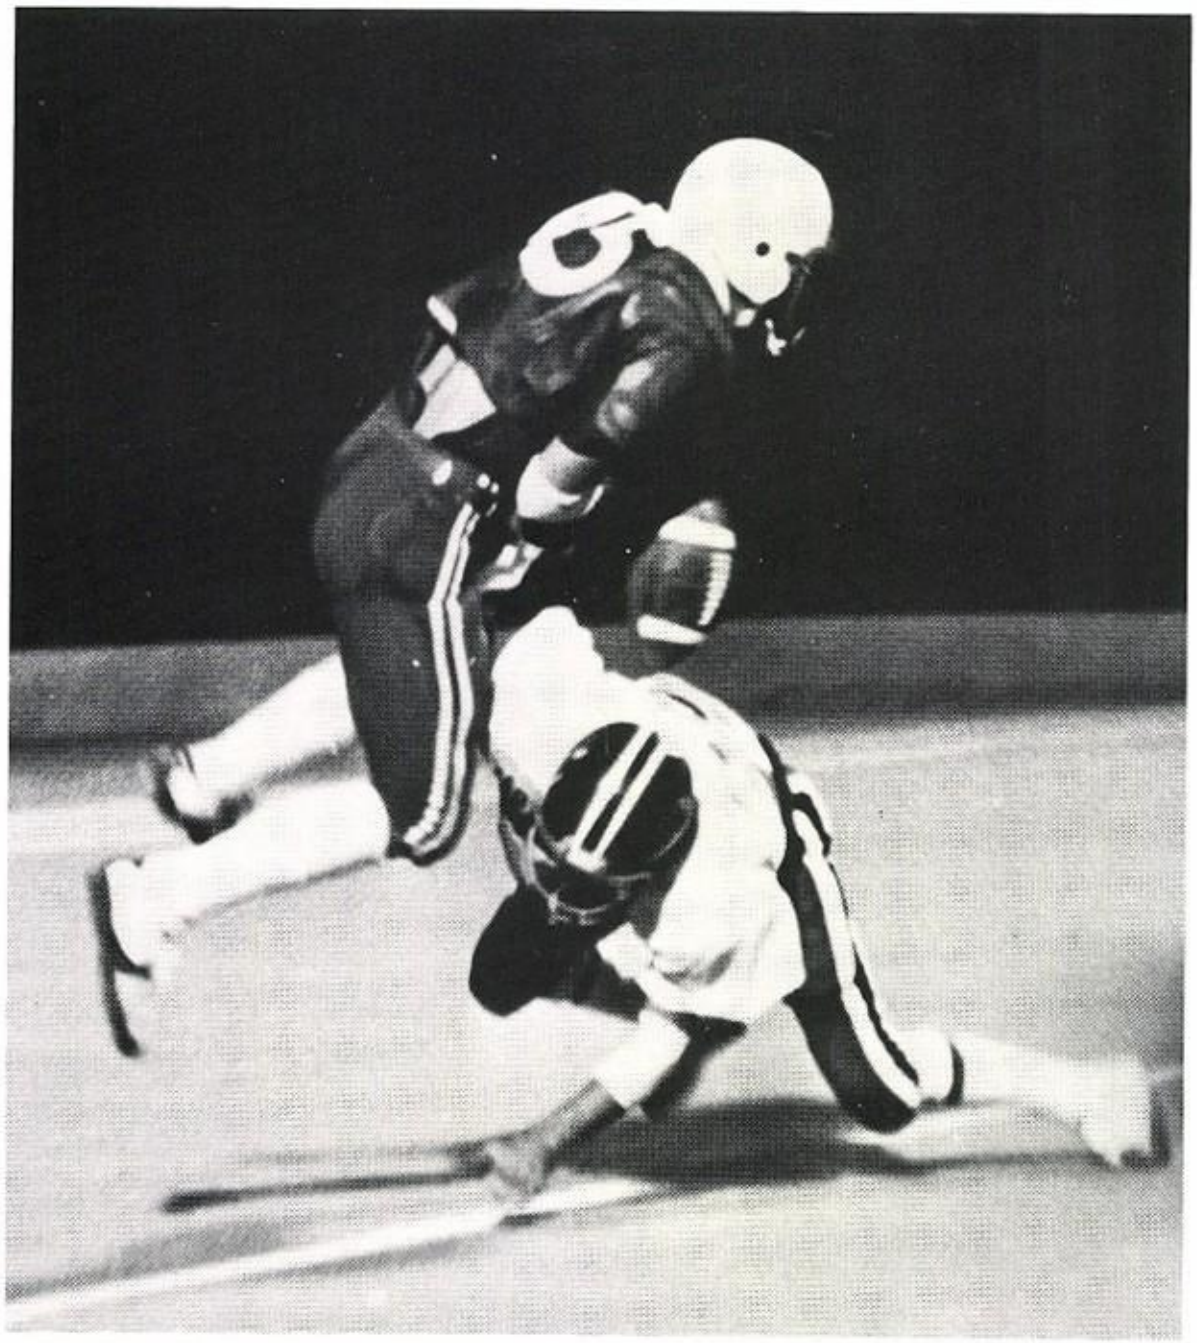
Stallions Stunned by Skeeters



In a first-class performance for a season opener, the Stallions defeated the Bryan Adams Cougars 24-7. The Stallion defense, led by linebacker Jorge Martin, totaled six quarterback sacks. Martin also recovered a fumble which set the Stallions up for the second touchdown. Quarterback John Mackey, along with running back Billy Edwards both had impressive performances. In the second game of pre-season the pitch-and-run combination of Mackey and Edwards led the Stallions to a solid 27-14 victory over the Skyline Raiders. Free safety, James Provence had an outstanding defensive performance. He recovered one fumble and made two interceptions, including a pivotal steal with less than a minute left in the first half. Edwards ended the game with a total of 173 on yards on 25 carries, and scored two of the three TD's. The next contest turned out to be disappointing as the Samuell Spartans defeated the Stallions 24-14. The Stallions led in offensive yardage, but totaled 70 yards in penalties at inappropriate times. The Stallions had completed their non-district season. With a rousing 31-14 victory, the Stallions defeated the North Garland Raiders in the District opener. Steve Whitworth finished with 126 yards on 18 carries and Edwards had 120 on 19 carries. Mike Guzy amassed 10 unassisted tackles and recovered a fumble which set up the fourth TD for the Stallions. Cornerback Todd Kingrey intercepted two Raider passes. With a successful start, the Stallions traveled to Garland Memorial Stadium to take on the Lakeview Patriots.





The Stallions sprinted to a large halftime lead and coasted in for a 34-9 victory. Edwards finished with 112 yards on 13 carries and Mackey with 105 yards on 9 carries and Jimmy Darnell recovered a Stallion fumble in the end zone for the third Stallion touchdown. Robert Fitzgerald scored on a beautiful 49 yard pass from Mackey. Interceptions were made by Kyle Baird and James Provence. Defensively, Todd Kingrey was the standout for the Stallions, making four tackles and six assists as well as picking off an interception. Guzy contributed 3 tackles and 6 assists. Following Lakeview on the schedule was the Homecoming game against the dreaded Highland Park Scots. The team had the Stallion fans behind them and more spirit than ever before, but the Scots dominated the contest with a 42-20 victory over the Stallions. Billy Edwards led all ball carriers with 101 yards on 17 carries. The Scots led 28-0 before Mackey scored on a nineyard touchdown. Mackey then brought the Stallions 87 yards on six plays before scoring from four yards out. The last touchdown was made by Bud Champion from 16 yards out. After this disappointing loss, the Stallions took on the Wilmer Hutchins Eagles. The swarming Stallion defense held back the Eagles with a final score of 16-6.

Ponies Provide Gridiron Heart-Stopper

At halftime the Eagles had acquired only 14 yards and no first downs. Jorge Martin registered eight tackles and five assists while Mike Guzy had six tackles and five assists. Kyle Baird also performed superbly, making four tackles and four assists. Edwards totalled 96 yards on 25 carries and Bud Champion produced 52 yards on 13 carries. Place kicker Kevin lund's 3 field goals are what pulled the Stallions through. Halfway through the season, the Stallions traveled to Garland Memorial where they were defeated by the South Garland Colonels 17-13. John Mackey scored the only two touchdowns. Guzy led the defense as he made 10 tackles and was credited with 3 assists. James Provence collected 9 tackles and one assist, while Kyle Baird had 7 tackles and 2 assists. Neaing the end of the season, the Stallions visited Williams Stadium where they defeated the Garland Owls 28-27. It was to be the most exciting game of the season. At halftime the Stallions were losing 21-7, but they came roaring out to start the second half and marched 81 yards on 13 plays. Billy Edwards scored from 5 yards out for the touchdown. Then the Stallions alertly took advantage of a Garland fumble on the ensuing kickoff to pull even with the Owls. Edward's two yard thrust with 3:37 left in the third quarter gave the Stallions a 21-21 tie. It was the Owl's turn to put points on the board as they got a touchdown by running 89 yards in 2 plays. The extra point attempt was no good leaving Garland with a 6-point margin.

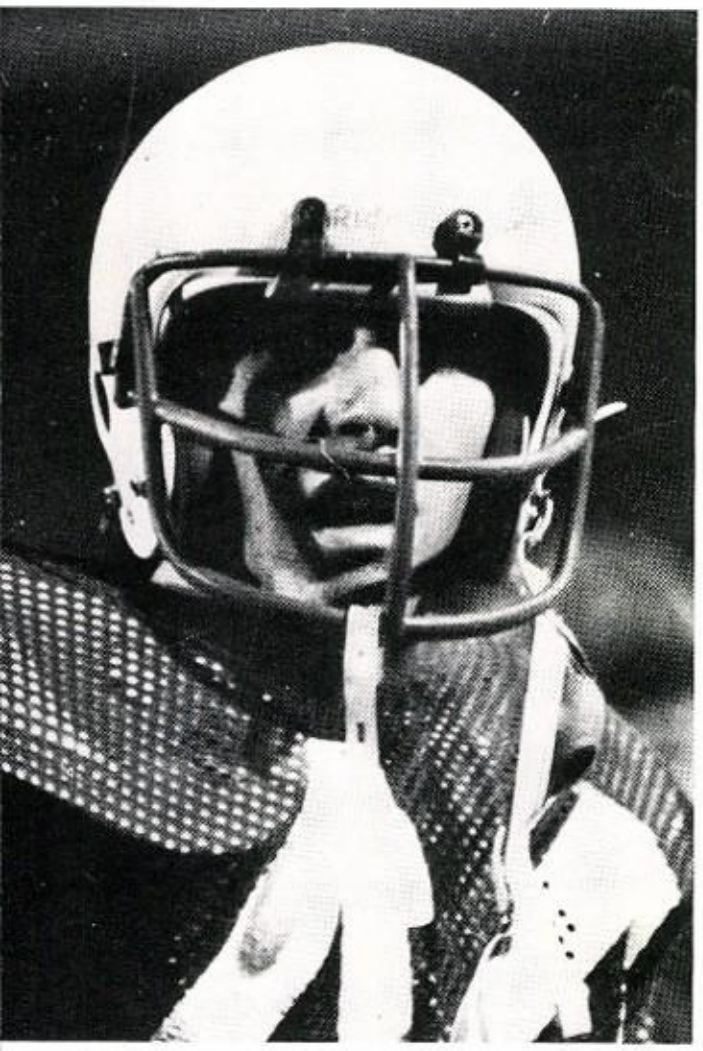
Exciting Friday Night Football Action



The Stallions set out from its own 40 after that and marched to its winning points when Mackey fired a fourth-down, seven yard touchdown pass to Bud Champion and Kevin lund kicked the extra point with 1:32 remaining. With the usual amount of momentum behind them, the Stallions were set to take on the crosstown rival — the Mesquite Skeeters. The spirit of "Stallion-Skeeter Week" didn't do much for the Stallions as they were defeated, for the first time in 2 years, 24-13. Edwards, easily the best rusher in the district, netted only 42 yards so the Stallions had to resort to an air attack in the third quarter. Mackey threw for 158 yards and a beautiful touchdown pass to Robert Fitzgerald. They finally got their offense rolling in the fourth quarter as Mackey came out passing. He hit Jimmy Darnell and Daniel Hargrove with big passes as he moved his team down the field and Edwards found the last two yards of a 68-yard drive. They put together another drive, this time a 91-yarder. The play of the game came to as Mackey lofted a high bomb toward the endzone and Fitzgerald hauled it down for the score. It was a perfect pass and a perfect catch. The series of wins and losses over the past 11 years is now 6-5 with the Stallions holding the advantage. The Stallions had won the last two games played easily 48-0 and 28-7, dominating play. The tide simply turned in this one.

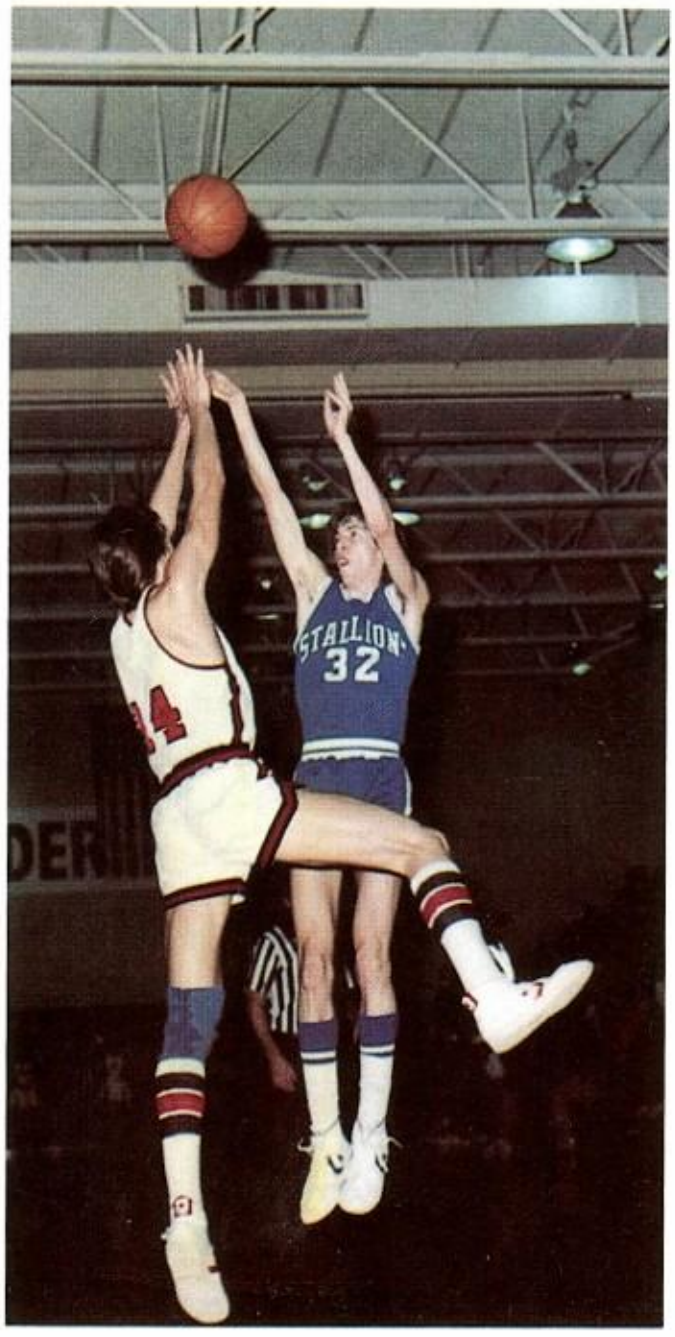
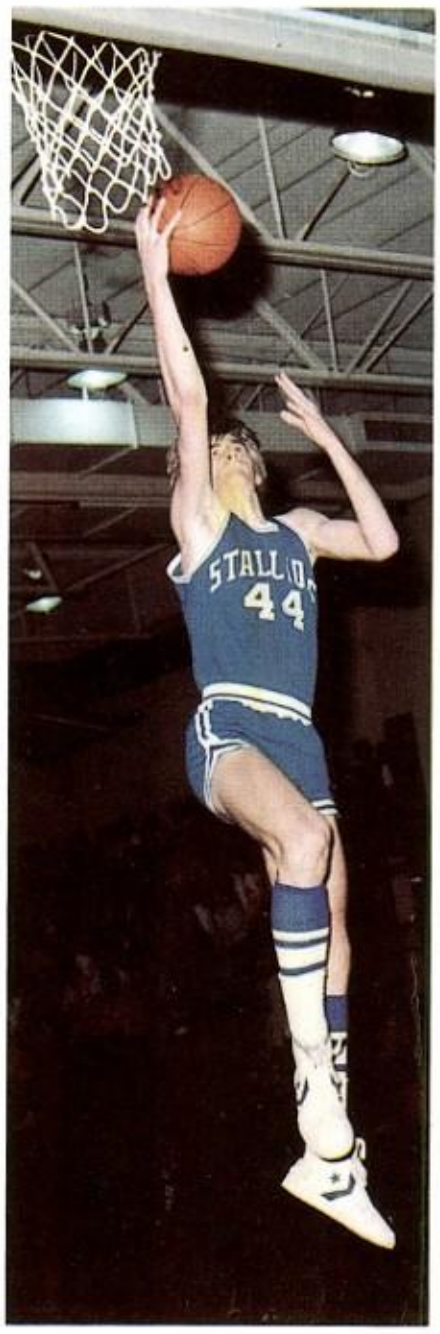
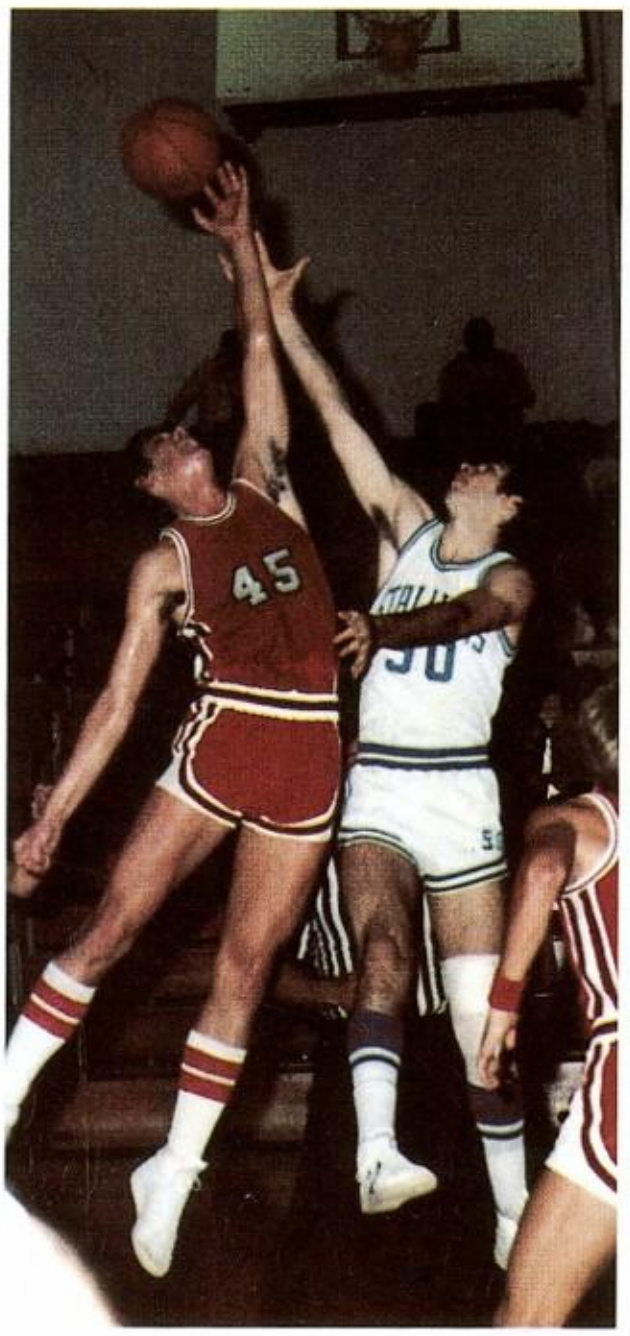
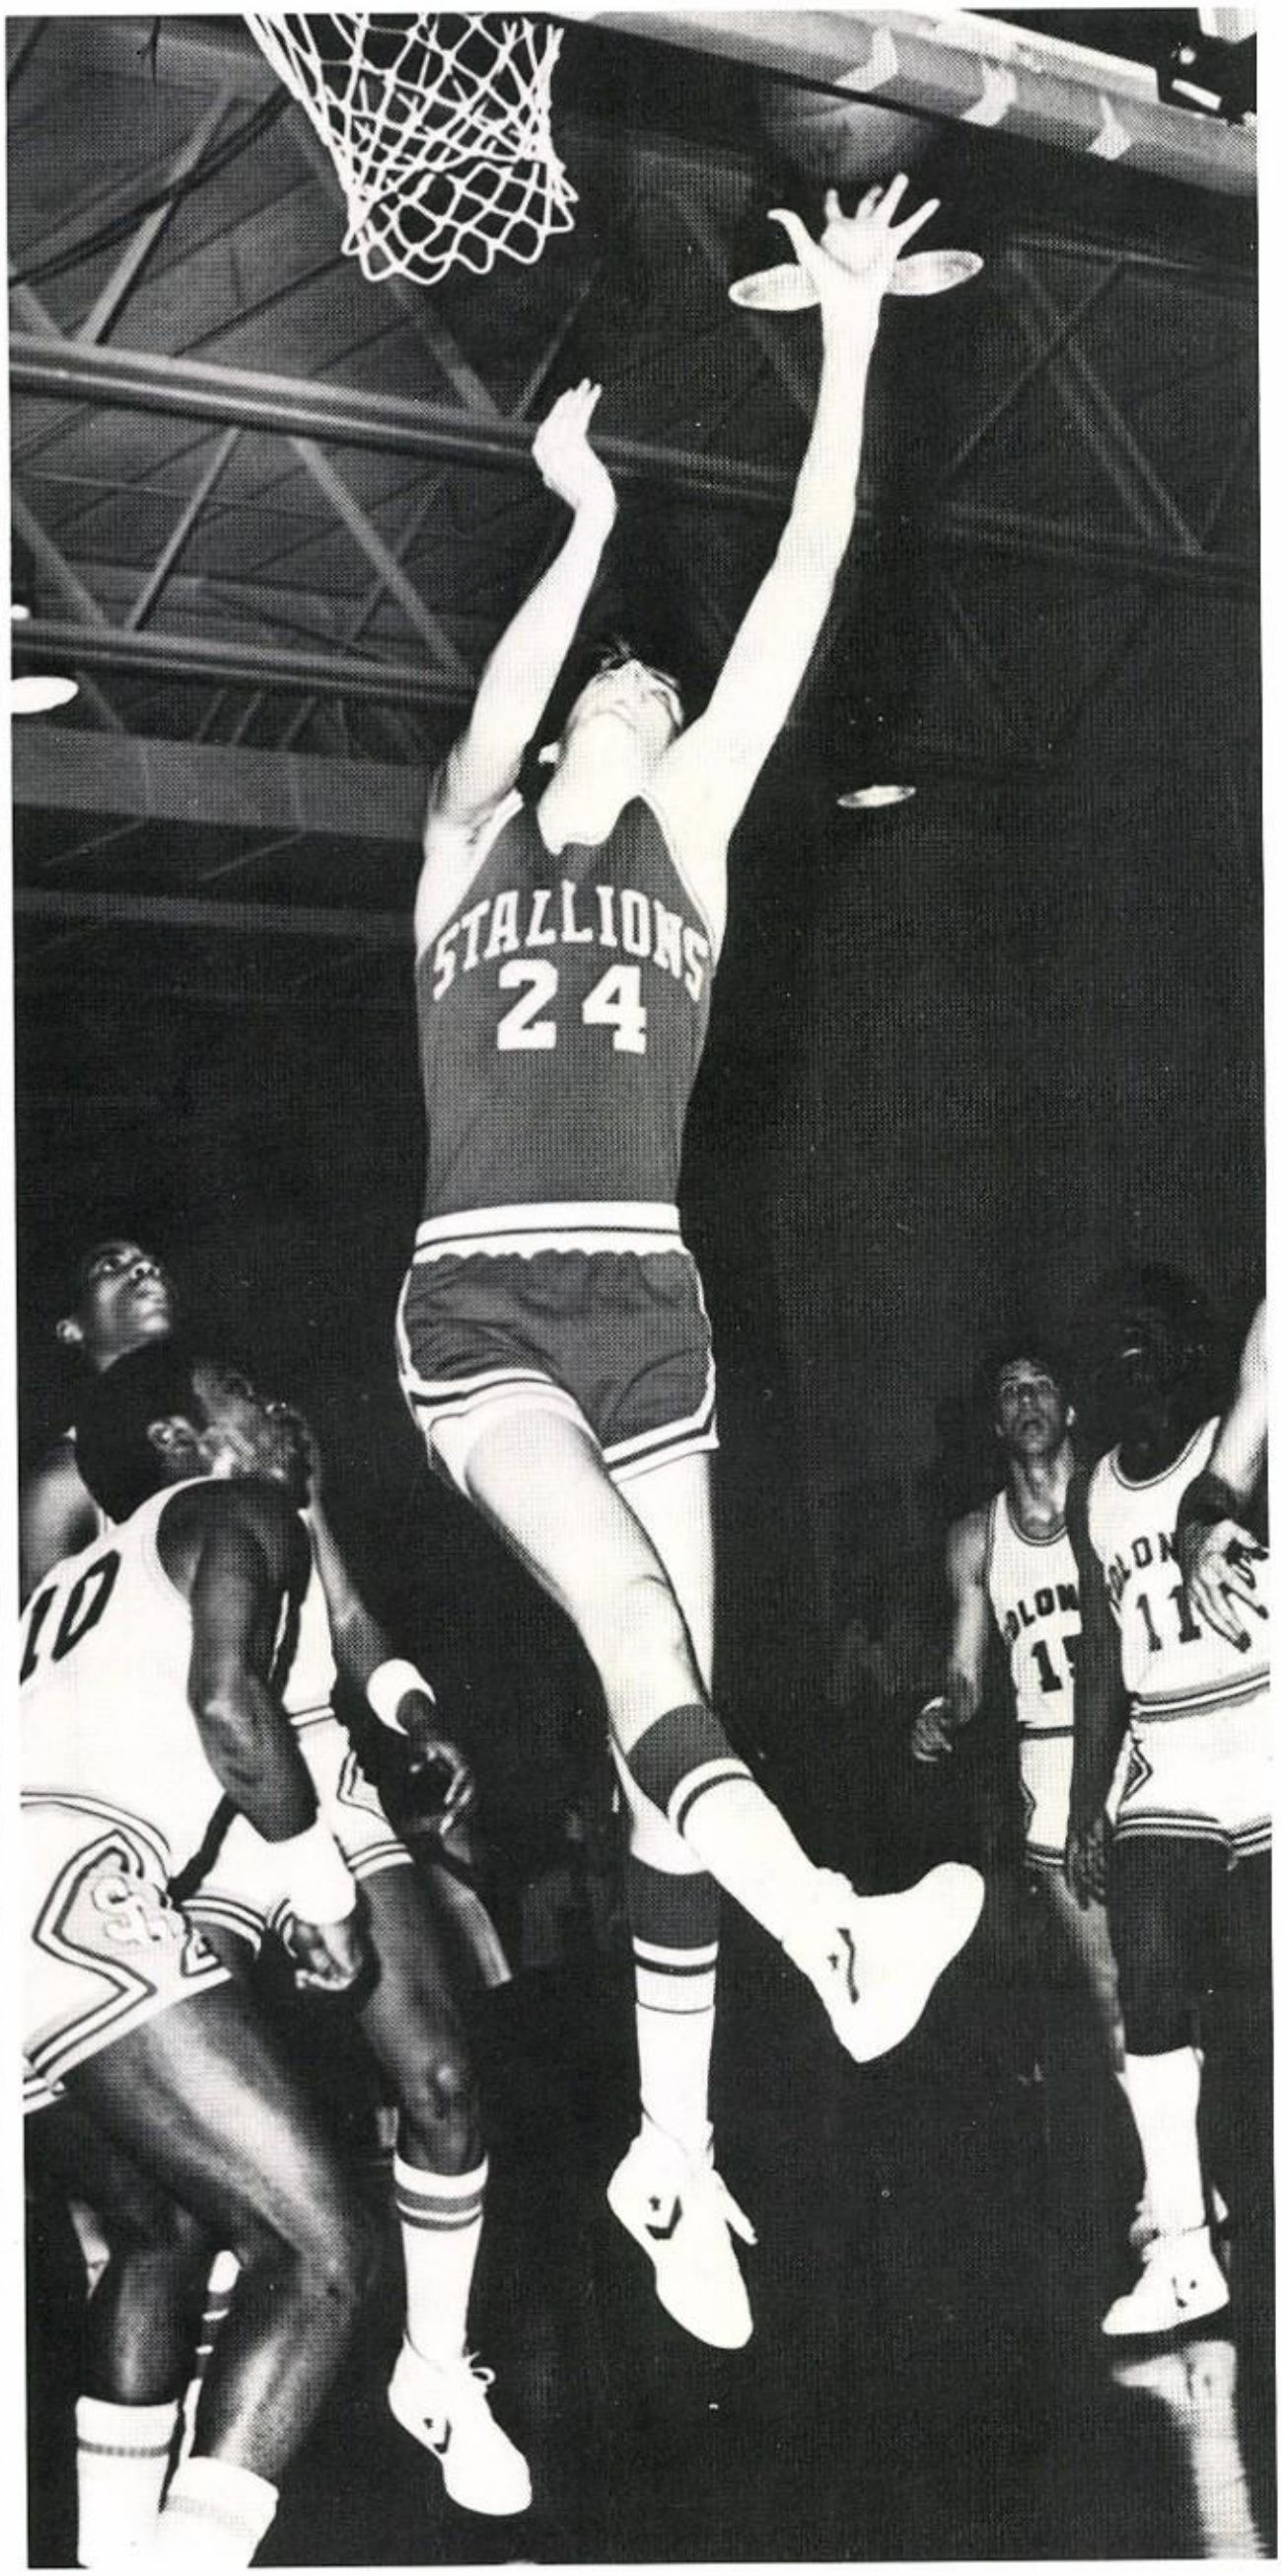
Roundballers Remain on Top

The **Varsity Basketball team** members are: Keith Adams, Dale Patterason, Matt Nelson, Steve Harwerth, Brian Essary, Scott Brown, Mitch Nelson, Mike Malone, Mike Browning, Dan Mauer, and Mark Powell.









Under Coach Ron Powell the Varsity Basketball team started the season on the right foot as they defeated Thomas Jefferson 47-30 in the season opener and following that victory, Bryan Adams 70-39. The Stallion -RL Turner contest was one of the most exciting games of the season as the Stallions used two late free throws by Keith Adams to defeat Turner 50-47. Mike Browning paced Stallion scorers as he tallied 12 points. The Stallions continued their strong start by winning the next 7 out of 9 games, losing only to Lake Highlands, 52-47, and Hillcrest, 63-59. By this time the Pepsi Challenge Tournament had gotten under way. Staving off a furious Eagle rally, the Stallions managed to escape with a narrow 55-53 decision in the second round of the tournmanet. Mitch Nelson paced NM in scoring, hitting for 21 points and Browning canning 17. Before taking on the Hillcrest Panthers the Stallions defeated North Dallas 71-62. The Hillcrest Panthers came from behind to defeat the Stallions, 56-52, and captured the Pepsi Challenge Tournament. Nelson had 26 points in both the North Dallas and the Hillcrest games. In the South Grand Prairie game the Stallions won a "squeaker" over the Warriors, 61-59. Keith Adams hit 2 crucial freethrows with 14 seconds showing on the clock to ice the victory. In the following four games the Stallions were victorious in all but one, which they lost against Fort Worth Dunbar, 57-47. In the next game against the Arlington Bowie Volunteers, Brian Essary paced the Stallion scorers hitting 26 points to claim a victory over the Volunteers, 76-32.

Coaches Pleased With Performances

In the following game against the Richardson-Berkner Rams Browning proved to be the star of the game. With only 12 seconds left to play and trailing 45-44, Browning connected on a turn-around jumper lifting the Stallions to a 46-45 victory over the Rams. Browning was named by the Texas Sports Magazine as one of the top basketball players in the metroplex. The Stallions wrapped up pre-district play with a 44-36 win over Skyline. Against the Garland Owls, NM dropped their district opener 53-48. In the next game, they edged past Highland Park 65-58. Browning hit 20 points, which gave him a 21 point average in district. The Stallions won the next 5 out of 6 games, losing to South Garland 75-55, before they again tock on Highland Park. Against the Scots NM lost a very crucial contest 54-49. Hopes of a district championship all but died as the South Garland Colonels defeated NM 49-35. Mitch Nelson led the scoring with 17 points. The last half of district consisted of 4 wins and 2 losses, which was the last game of the season. Wilmer Hutchins defeated the Stallions 62-60. The overall season record for the team was 28 wins and 9 losses. Named to the All-Metro team by the Dallas Times Herald was Mitch Nelson.

The **Junior Varsity basketball team** members are: Kneeling, Billy Kula, David Morgan, Kyle Miller, Robert Morris, Steve Kilgore, David Fudge, Hohn Brown, and Floyd Felts. Standing, Jerry Wood, Mike Davis, Mark Trumble, Frank Case, Steve Wohlschlaeger, Paul Burnham, John Madden, Russell Wolfgang, and Coach Jim Murphy.

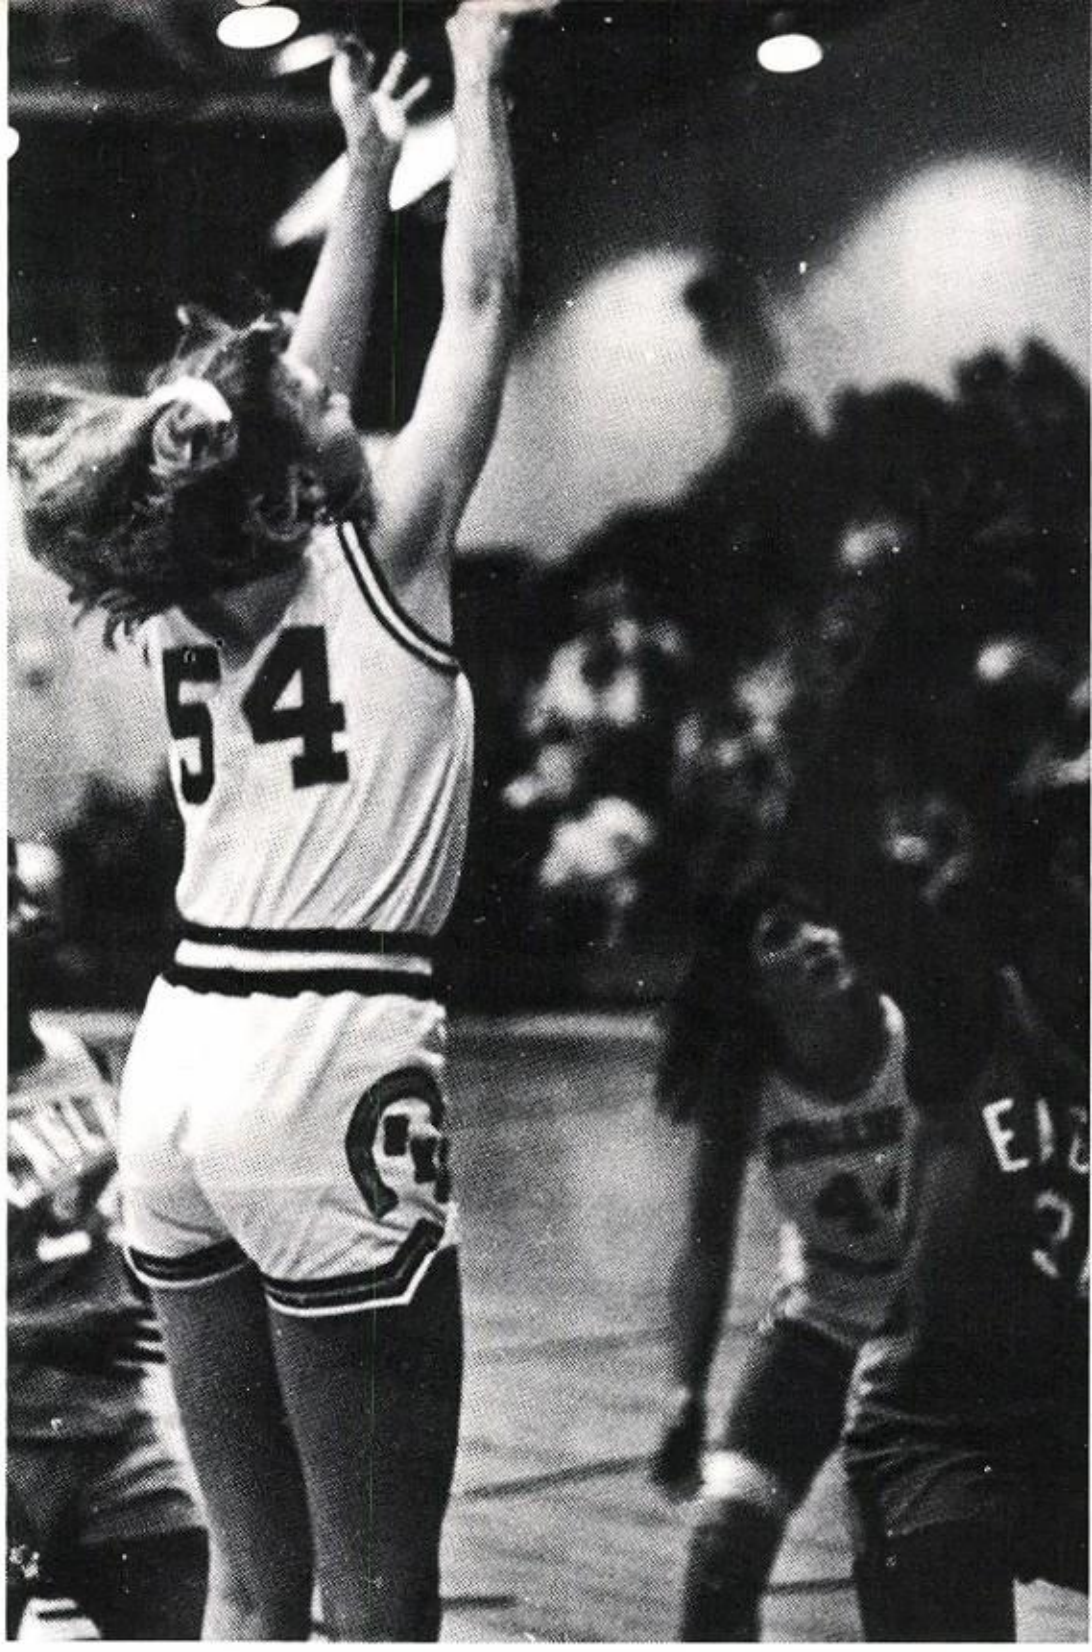
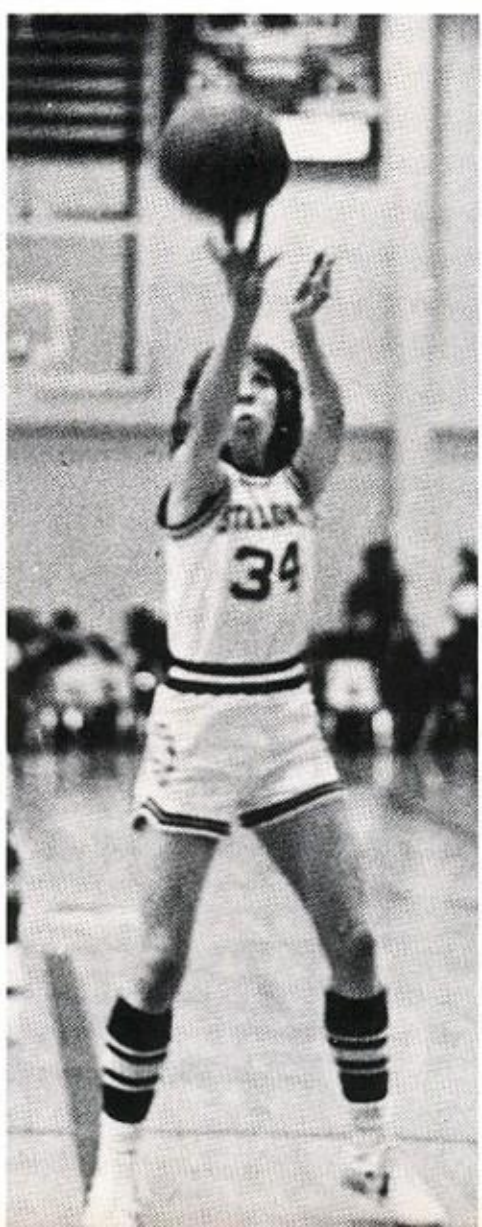
Under Coach Donna Capps, the Girls Varsity basketball team opened the season by winning their first three games. In the third game against South Garland, Jody Straughan paced the scorers as she totalled 14 points. The next game was a disappointment as the girls were defeated by Skyline, 54-41. The Stallions went on to win only 2 of the next 5 games. The game against DeSoto proved to be one full of non-stop action, as the girls picked up a 46-44 win over the Eagles. The girls couldn't seem to manage a steady record of wins and losses as they defeated Halton, 32-22, and were beaten by Denton, 37-36. Mesquite was to be the next match for the Stallions in the Pepsi Challenge Tournament. Both teams were playing for 3rd place, but the Stallions totally dominated the contest as they beat the Skeeters 36-18. Julie Callaway, Patti Duckworth, and Jody Straughan all had 8 points for the Stallions. The count of wins and losses was again split down the middle as they beat Richardson, 33-21, and Granberry, 45-38, but were defeated by Sam Houston 32-27, and Hirshi, 37-35. With the district opening, the Stallions defeated the Lakeview Patriots 57-24. In the following contest the girls defeated North Garland 38-37. Jody Straughan hit 14 points, as Kathy Gage canned 10. After then getting beat by a 3 point loss against Wilmer Hutchins, 37-34, the Stallions then defeated the Garland Owls 53-44. Jody Straughan provided much of the offensive impetus for NM, finishing the night with 27 points. The South Garland Owls were next on the schedule. Surviving a second half onslaught by the Colonels, the Stallions kept their hopes of a first half championship alive as they knocked off the colonels, 44-39.





Stallions Fall Short of District

Susan Baer and Kathy Gage were the scoring heroes for the Stallions, as Susan hit 12 and Kathy canned 10. The Skeeters collected a big win over the Stallions as they defeated their arch-rival, 44-28. In the following two games against Lakeview and North Garland, the girls kept on top, winning both games, 74-14 over Lakeview and 37-22 over North Garland. In the following game, the Stallions avenged an earlier loss in the season against Wilmer Hutchins by outlasting the Eagles 53-51. Stallions rode the hot shooting hand of Susan Baer, who collected a consistent 8 points her 2 quarters, to finish the game with a total of 16 points. Straughan tallied 13 points and Callaway canned an even 12. The girls went on to defeat Garland, 56-47, and South Garland, 54-42. Straughan finished with 20 points and Patti Duckworth with 19. In the last game of the year the girls saw their season come to an abrupt halt as the Skeeters got a clutch free throw to knock off the Stallions, 46-45, and so went the hopes for the district title. Susan Baer was leading scorer with 14 points.

Girls' J.V.

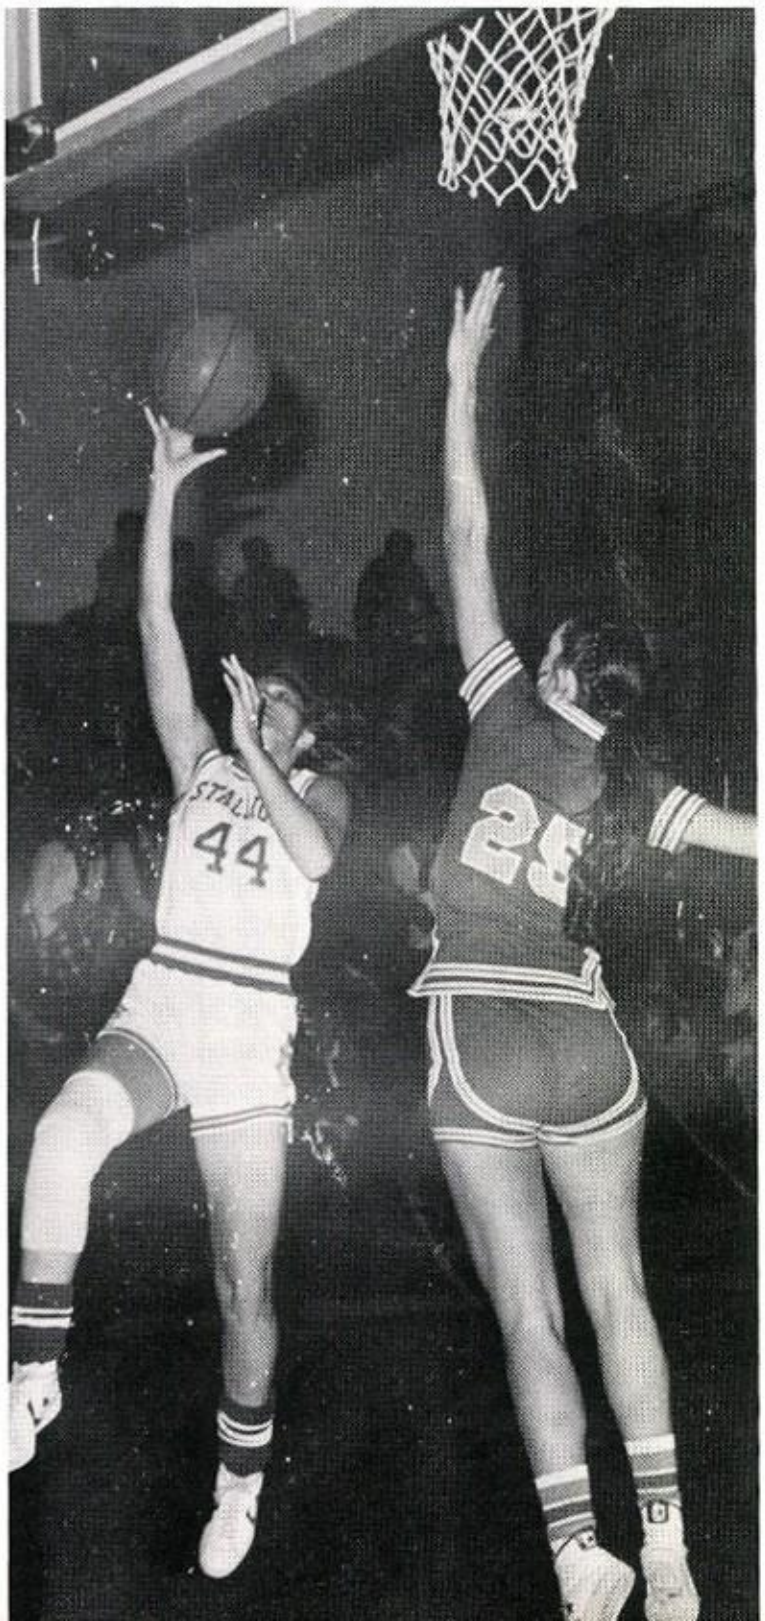
The team finished with an overall season record of 19 wins and 10 losses. "Although we were unable to defend our district title," quoted Coach Donna Capps, "I consider this a successful season. Many of our young women gained knowledge and maturity as athletes. Next year should prove to be one of the best years for girls' basketball at North Mesquite."

Receiving offensive player of the year award was Jody Straughan. Defensive player of the year went to Sally Muhl and the Stallion award to Patti Duckworth. Jody Straughan was also named to the East All-Star team and the 1st team All-District. Patti Duckworth made the 2nd team All-District.

The Junior Varsity team finished with an overall season record of 20 wins and 4 losses. JV player of the year went to Kelly Dunn.

The **Junior Varsity team** members are: kneeling, Kelly Dunn, Amy Peyton, Michele Steele, Lori Porter, and Laura Merryman. Standing, Lisa Hefner, Jackie Aleman, Terry Brewer, Holly Lee, Teresa Jackson, Brenda Green, Ge'lin Lee, Tanis Thompson, Donna Arey, and Coach Patricia Lane.

Freshman Team Takes District



The girls' freshman basketball team finished the season with a 12-0 mark and a district championship. They outscored their opponents by 20 points per game in the process. Kristi Hearne finished as the team's leading scorer as she contributed 110 points, Janet Thompson with 87, Cathy Hill with 72, and Kristie England with 63. Jill Achzeiger was the leader of the Stallions' defense. Coach Patricia Lane felt that overall, her JV team had a very good season. "We played in a tough tournament in Arlington and, though we didn't win, we played hard and we placed one player on the All-tournament team. I feel like our pre-season games helped us during district because we played some strong teams. Our big disappointment came in not being able to win the one that counted — the last game against Mesquite. By losing it we finished 2nd to them in District Competition. I personally have never enjoyed coaching a group more and I look to see great things from them as varsity players."

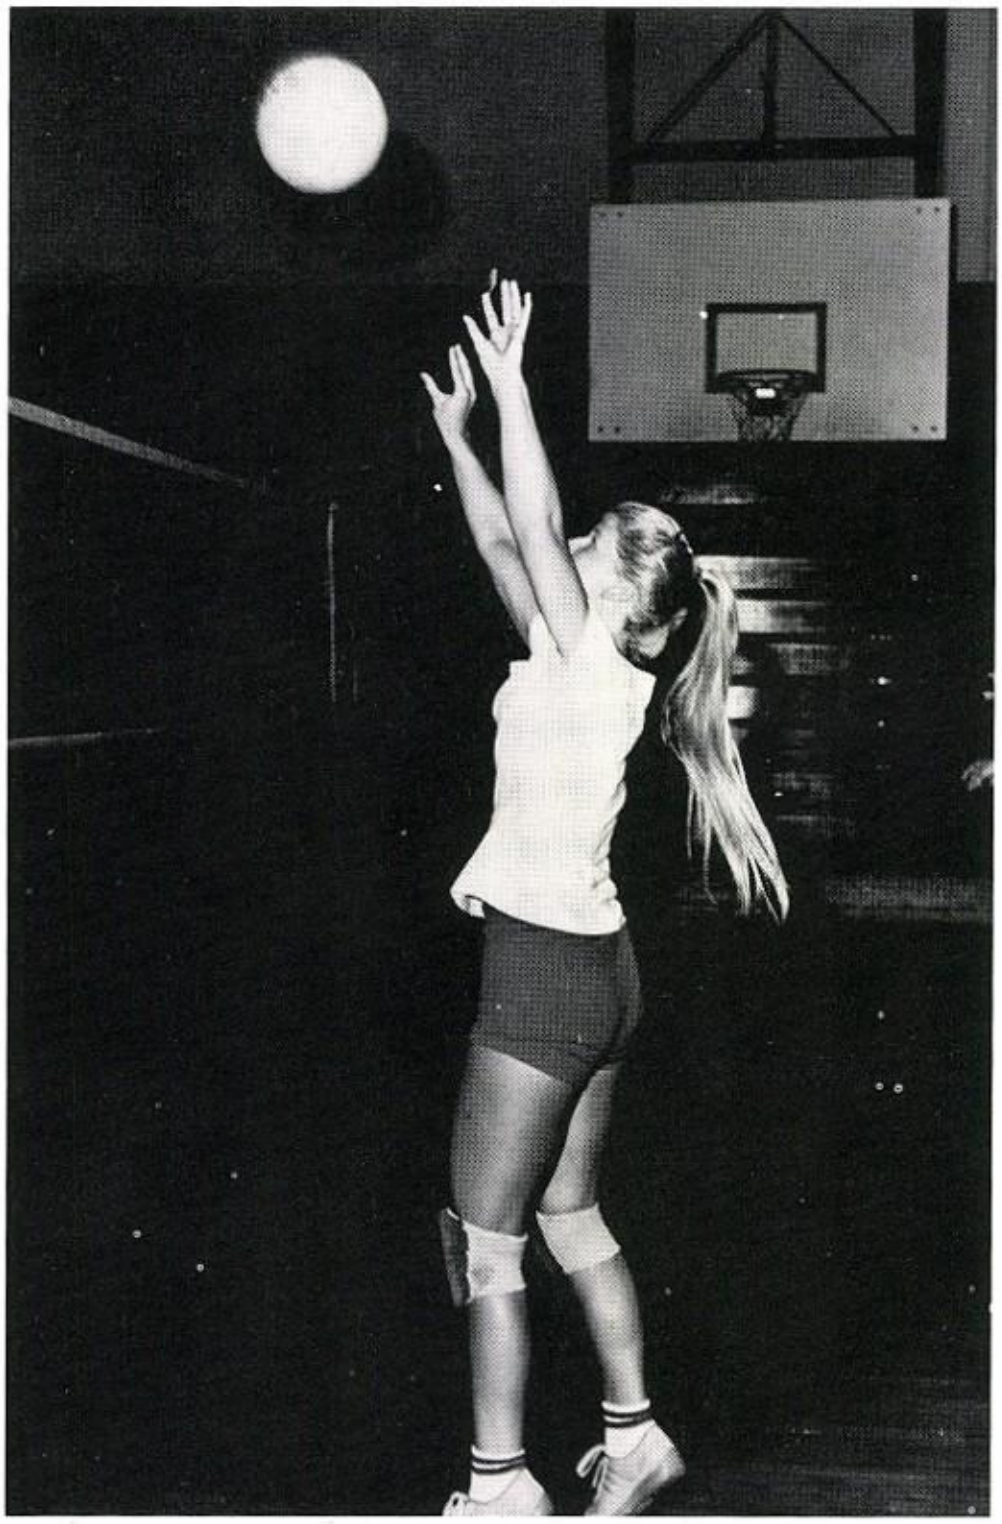
Back row, Cheryl Powell, Coach Ruth Copeland, Sonya Reese, Jill Price, Belinda Hill, Susan Deason, Chalese Stachowiak, and Janay Harper.



"The season was most rewarding in all aspects," commented coach Ruth Copeland. "Being my final year to coach, I was anticipating a good year and had hopes of winning early in the season." The volleyball team competed in various tournaments where they received two trophies. As round I of District play got under way, the Stallions proved themselves superior by remaining on top of Wilmer Hutchins and claiming the first half title of District. After round II came to an end, the team still remained on top. Combining the record of the first round with the second round, the Stallions were off to play South Garland for the District Championship. With a strong performance in the third set, the Stallions knocked off the Colonels to claim the District Championship in 10-5A competition. Lana McMillan, Kay Edwards, and Dee Ann Stewart all played an excellent game, but the District Championship wasn't one for just three girls as the entire team proved to be in top form for the crucial match. Obviously pleased with the team's performance, Coach Copeland said, "The girls seemed to work extra hard this year — and they wanted to win. I think by being mainly seniors on the team, they wanted to end their last year with a district title — and they did too!" The Varsity volleyball team completed their season with an excellent record of 12 wins and 3 losses. The Junior Varsity team compiled a record of 6 wins and 3 losses. Named to the 1st All District team were Lana McMillan and Julie Harwerth. Picked for the 2nd team All-District were Lee Ann Stephens and Kay Edwards. Voted the Most Valuable Spiker in the district by coaches was Lana McMillan.

Duncanville Holds Back Hartwicks

Under new head coach Leo Johnson, the Varsity soccer team completed their non-district season with a record of 5-1-1. The district season began with the Stallions playing Highland Park at Highlander Stadium. Dwayne Thrasher played a good game at fullback and Eric Purcell was instrumental in the victory as he scored the only goal in the first half and the second goal in the second half, which was shot from 20 yards out and caught the upper left-hand corner of the net. Next the Stallions traveled to Garland to defeat the Raiders 5-1. Goals were made by Eric Purcell, David Covington, Brad Dunn, and Bobby Deets. The Stallions lost their first district contest as Duncanville handed them a 4-1 loss. Purcell scored the lone goal for the Stallions while another was called back for offsides. After a disappointing loss, the Stallions went to Wilkinson field to beat Mesquite 2-0. Kevin Sledge scored both goals in the first half. One other goal was called back. Richard Lopez, Stan Boler and David Covington all had an excellent game. After defeating Lakeview 6-1 and Rockwell 13-0, the Stallions were beaten by South Garland 1-0. Ending their season in 3rd place, the Stallions traveled to Duncanville for the District Championship semi-finals.

The Stallions dominated the whole game, however, the win was not meant to be. The Panthers won the game 2-1, scoring both goals in the second half. Jorge Martin, who was out most of the season with a knee injury, scored the one and only goal in the first half. Three goals made by the Stallions were called back for offsides. It was a big disappointment for the team, but they played excellent and the game was theirs.

Named to the 1st team All-District were Richard Lopez and David Covington. Named to the 2nd team were Jorge Martin and Bobby Deets. Offensive Player of the Year went to Richard Lopez and Defensive Player of the Year went to Keith Jeffers, who was the strongest defensive key all season for the Stallions.

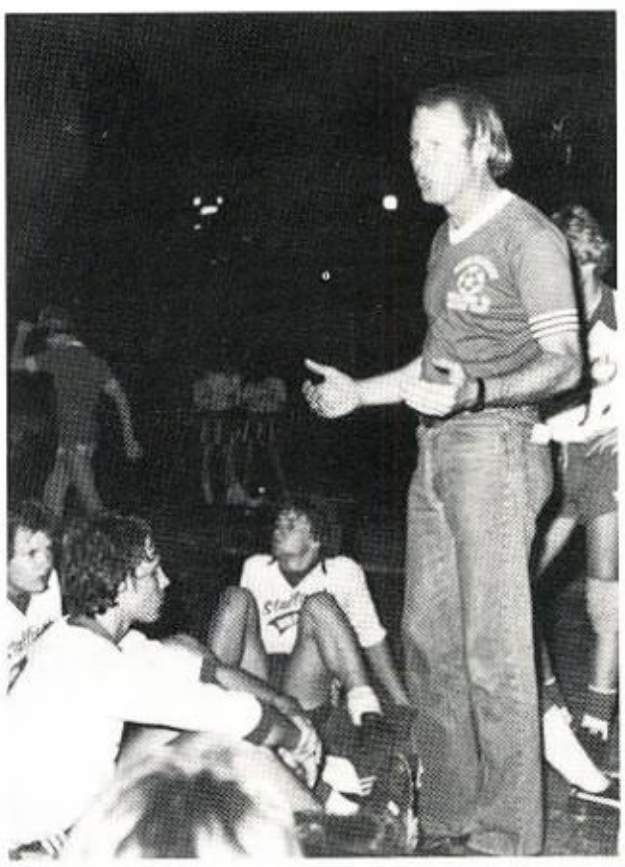
JV Soccer Wins Fifth Title

Once again the Junior Varsity soccer team had an excellent season. For the fifth year in a row the JV team has won the District Championship title and still remains undefeated. Their record at the end of the season was 6-0.



Girls Capture Championship

Under new soccer coach Chuck Rylander, the girls Varsity soccer team began their season with a loss to Highland Park 4-3 in a very physical contest. The Stallions lost three key players due to injuries in the contest. NM scored twice before the Scots were able to even up the score. They were made by Stacye Boler and Stacy Dunford. Tracy Limmer scored the third goal, but the Scots scored one on a penalty kick and another minutes later. After defeating Garland 7-0 and North Garland 3-1, the girls lost their second game of the season to Duncanville 3-1. The girls then went on to defeat Mesquite 2-1.

An easy game was played as the girls then defeated Garland 9-0 and South Garland 5-1. That was all the girls needed to qualify for the district playoffs. The girls knocked out North Garland 2-0 to advance to the finals of the district cup soccer finals. Belinda Hernandez and Tracy Limmer got the two goals needed to beat the Raiders. The Stallions traveled to Highlander Field to take on the Highland Park Scots. They put together a strong defensive and intimidating offensive to beat the Scotties 2-1 and claim the district championship. Two goals by Robyn Walker was all the scoring the Stallions needed to clinch the title, but it took two overtime periods plus regulation time to get it done. With 51 seconds remaining in the first 10 minute overtime period, Walker took a rebound off Tracy Limmer's shot on goal and put it in.

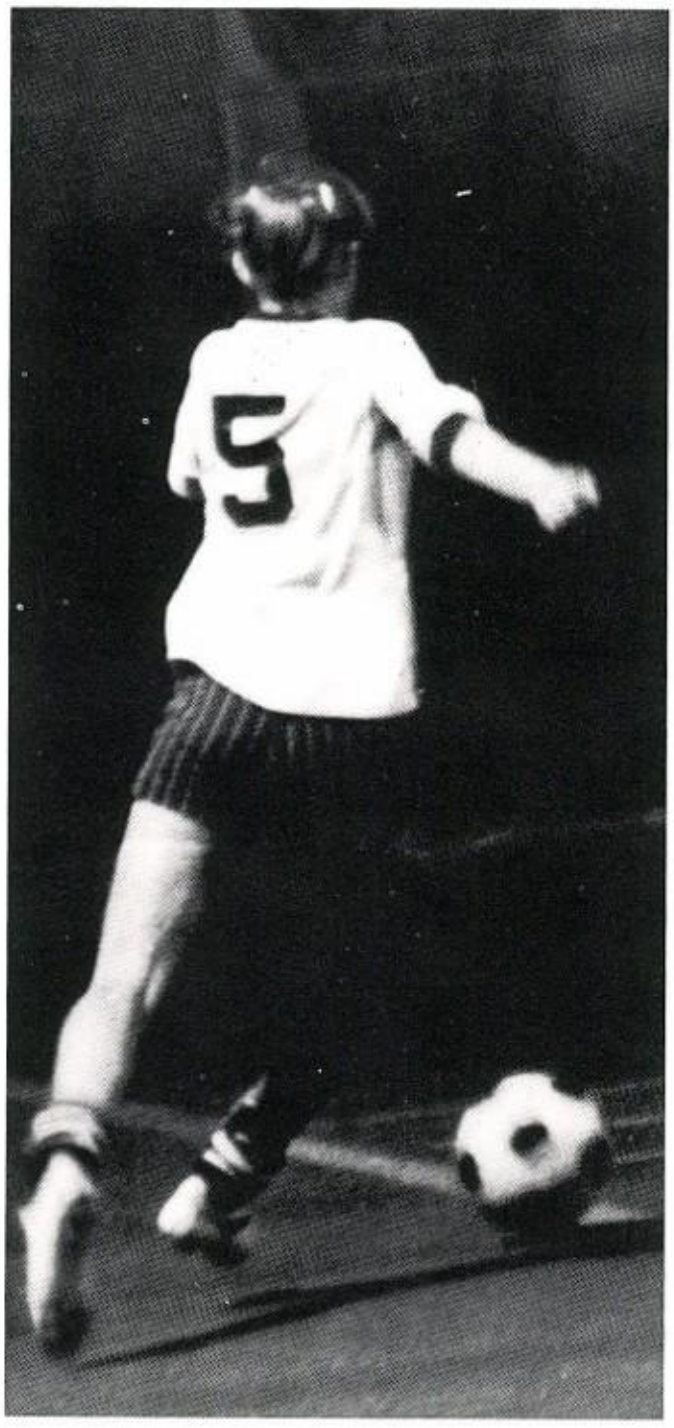
Back Row — Coach Chuck Rylander, Kelley Dunn, Karen Stratman, Chalese Stachowiak, Penny Saulsman, Denise Cann, Kae Wilson, Dawn Kelly, Brenda Miller, and Kim Sawyer.

From that point on the Stallions played keep-away from the Scots. Coach Rylander was beside himself with pride as he quoted, "These girls set their goals at the first of the year and they went out and achieved them. That makes them champions all the way, and they did it on their own, they deserve all the credit. They were playing to win all the way. They fought all the way to the end and never gave Highland Park a chance to come back. I'm very proud of all of them."



Junior Varsity Gains Experience

Named to the first team All District were Kelly Rattan, Penny Saulsman and Robyn Walker. On the second team were Amy Fletcher and Kelly Dunn, and on the Honorable Mention squad were Tracy Limmer and Brenda Miller. Offensive player of the year went to Robyn Walker and Defensive player of the year went to Kelly Rattan. The All-Around award was given to Penny Saulsman and the Heart Award to Dawn Kelly.

Baseball Team Wins Tourney

The Varsity baseball team was held up for the first two games by rain. In following tournament games the Stallions were beat by Plano 5-1 and O.D. Dryatt 11-8 and they defeated Waxahachie 3-2. In the district opener the game with North Garland was brought to a halt in the middle of the fourth inning due to a lack of light. The Stallions left on and the Stallions were beat 13-12. Three more tournament games followed. The Stallions were beating the Skyline Raiders 17-0 after the second inning. By the end of the game they had to fight to win it as the Raiders came back to make it 17-11. Next they took on and beat the Lewisville Farmers 11-10. Following this defeat came a win against Waxahachie 8-7. The Stallions had three players named to the All-Tournament team. They were Russell Neely, Jimmy Darnell, and Daniel Hargrove. The Stallions ended their three-game winning streak as they dropped their 2nd straight district contest to Highland Park 8-6.

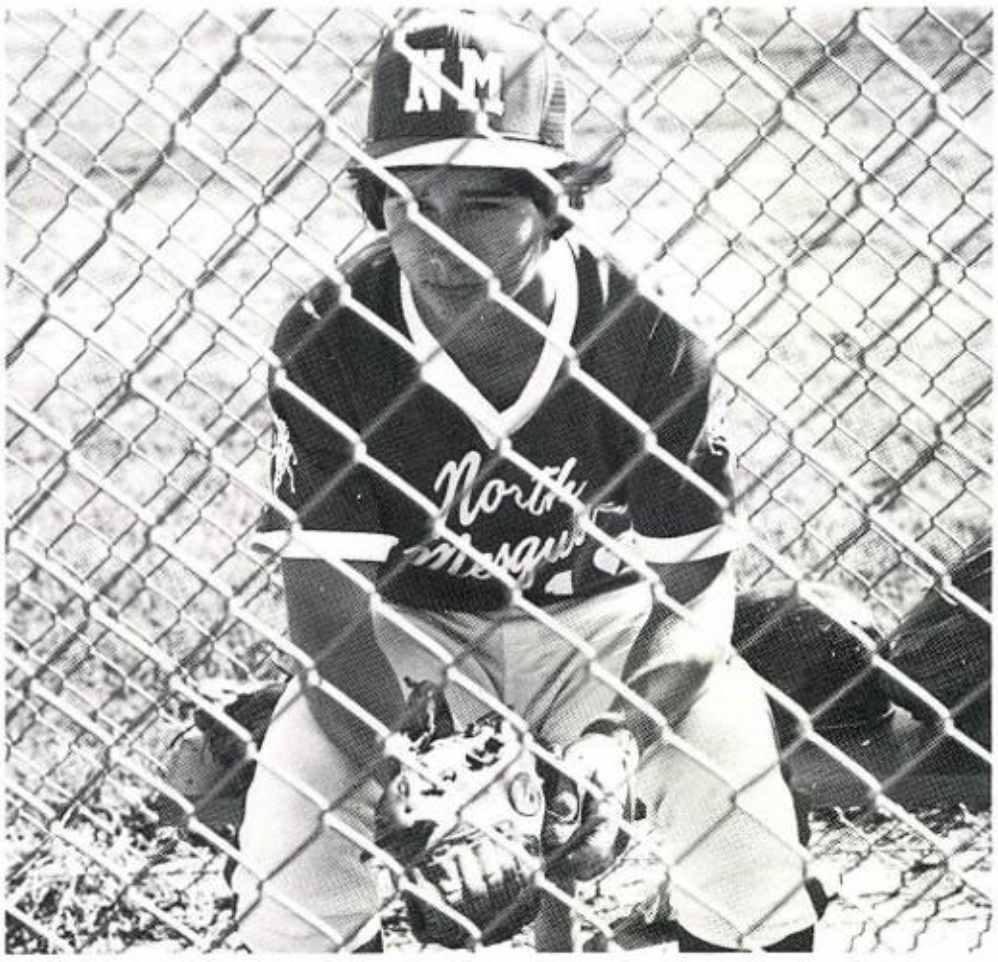
Next against the Wilmer Hutchins Eagles, the Stallions had a big win with a score of 10-0. In the fourth district contest the South Garland Colonels managed to hang on as they came away with a 4-3 victory over the Stallions. After beating Garland 13-3 and Mesquite 5-4, the Stallions were defeated by Lakeview 8-5 and North Garland 8-7. The Stallions then came through with a victory over Lakeview 4-1 and another loss to Highland Park 2-1. The last four games of the season were nothing but big wins for the Stallions as they defeated Wilmer Hutchins 14-4, South Garland 5-4, Garland 8-3, and Mesquite 3-1.

JV Baseball Have Building Season



At the annual spring sports banquet the MVP award went to Daniel Hargrove the Defensive Award to Phil Rochester, and the Offensive Award went to Ralph Porter and Jimmy Darnell. Recognition was also given to Owen Inmon who had 13 strikeouts on a win against Lakeview.

Tracksters Qualify for Regionals

The Girls Track team remained in the standings of district competition as they finished in 4th. Denise Cann had North Mesquite's highest finish in the field events as she finished second in the discus. Suzanne Magee was fifth in the eventh. Lori Larsen finished 5th in the high jump. Two long distance runners qualified for regionals. They were Kay Garrett in the one mile with a time of 5:33.6. Denise Cann also qualified for regional in discus. Coach Anna Ezzell said, "The team was young this year. It took hard work and dedication to compete and to qualify for the Regional meet." Outstanding athlete in Cross-Country went to Regina Bridgers and Outstanding Athlete in Track went to Kay Garrett.

The girls track team members are: first row, Ramie Lay, Janet Thomason, Kristi Hennard, Kim Fillmon, Kathy Hill. Second row: Lisa Carlton, Regina Bridger, Kay Garrett, Kathy Conine, Sandra Washington, Stephanie Robertson, and Tari Tyler. Third row: Coach Anna Ezzell, Lori Larsin, Shelia Lucas, Suzanne Magee, Teresa Jackson, and Lori Porter.

Two Finish in Top Ten

The boys cross country team captured the team championship at the South Oak Cliff cross country meet held at Mountain View College. The boys swamped the competition coming up with 26 points to second place finisher, South Oak Cliff's 46 over the three mile course. The Stallions had five finishers in the top ten with Scott Perry finishing second overall with a time of 17:11, Darren Myers was fifth at 17:35, David Nanez was seventh at 17:50, and Tom Castillo was ninth with a time of 18:03. Robert Granado was sixth for the Stallions and 11th overall with a time of 18:45 for the three miles. The Stallion's JV also won their competition as they totaled 20 points for the championship. Mike Kurtz finished first in the meet with a time of 17:25, while Mike Ramsey was third at 17:38, Tracy Gore was fourth at 18:04, Kevin Jones was

sixth at 18:43, Russell Grubbs was eighth at 19:20, and Troy Gore was thirteenth at 19:45. The boys also won the University of Dallas Cross Country meet, but finished 3rd in the district meet. Darren Myers finished in 6th and Scott Perry finished in 5th. Scott Perry also finished 21st out of 200 runners in the regional meet.

Under Coach Anna Ezzel, the girls Cross-Country team opened their season with the Richardson High meet, where the Stallions finished in 5th place. It was a slow start, but the girls moved up in team standings by the next meet, which was the South Oak Cliff meet. The Stallions finished with 1st place after the points were added up. Kay Garrett crossed the line in 3rd place with a time of 12:59. Next, the girls travelled to Vandergriff Park for the Arlington meet where they came in 3rd. Kathy Conine and Garrett finished in the top ten. Following this, the Stallions competed in the Rich Gaffney meet, finishing with 2nd place. Once again the Stallions had girls finish in the top ten. They were Regina Bridgers, Conine, and Garrett. Lori Larsen was unable to compete because of an injury. Next on the schedule was the District Cross-Country meet held at Norbuck Park. The team again finished in 2nd place, with Garrett, Conine, and Larsen included in the top ten. Regional competition was held at Vandergriff Park in Arlington, where the girls ran a superior race. The qualifiers for State were the first three teams in each division and the top ten individuals. The Stallions missed qualifying for State competition by two points, but placed 4th in their division.

Tennis Team Qualifies for Regionals

The tennis team did an excellent job as far as working and competing in district competition. The girls tied for 2nd and the boys tied for 3rd. "Several young players gained valuable experience for next season," commented Coach James Brinkley. He then added, "A special thanks to our seniors for their leadership and dedication." Playing strong all season were seniors Becky Seitzler, Susan Witt, Ron Simmons and Mike Nabors. John McDaniel, Lisa Golding and Loretta Schnurr did an excellent job for the freshman players.

Nineteen Swimmers Qualify for Regionals

Both the boys and the girls swim team placed second in district. There were nineteen swimmers who qualified for the regional meet. They were Glenn Ezell in the 100 yard freestyle, Kirt Tillman in the 200 yard freestyle, and in the 400 yard freestyle relay were Glenn Ezell, Kirt Tillman, Leeman Tillery, Kendall Goodman, and Mark Wild.

Many school records were broken. Glenn Ezell broke the 100 yard freestyle and tied the 50 yard freestyle. Kirt Tillman broke the 200 yard freestyle, and the 400 yard relay was broken by Tillman, Tillery, Wild, and Ezell.

Coach Harry Gooding feels that the future looks bright. "This is the best North Mesquite team ever. With only one senior leaving we should be even better next year."

Golfers Dampened by Rainy Weather

Golf is a game of precise accuracy that requires a great deal of concentration. The condition of the course and the weather can make all the difference in a round. Coach Charles Tabor had high expectations for the team at the beginning of the season, but these hopes were soon dampened by the rainy weather. The golf team finished third in the district tournament. Kevin Schwartz was a medalist in the South Garland tournament and Eddie Schnurr was named Outstanding Golfer of the year.

Trainers Relieve Aches and Pains

There is a special group of students at North Mesquite whose presence is taken for granted as they wrap and bandage injuries of athletes. Around the fieldhouse they are known as the trainers, and they are directed by a very gifted man known as Coach Dennis Hart. The work they do is most appreciated by the athletes who come to the trainers with their various aches and pains. The trainers in turn do what is in their ability to relieve the pain and make it possible for the athlete to participate in workouts and during competition. Thus the player, his coach, and his fans are grateful for the valuable time and work that is contributed by the trainers.

The Thrill of Victory

With the late afternoon sun beating down upon them, the North Mesquite varsity baseballers nipped the Skeeters to put an end to a less than sensational but nevertheless exciting sports year.

In football, the Stallions once again fell victim to the new team in the league. Last year it was Corsicana — this year it was Highland Park who escaped with the district title.

The Scots once again proved to be a spoiler as they dunked the Stallions in their second half basketball meeting, nullifying the Stallion's district chances.

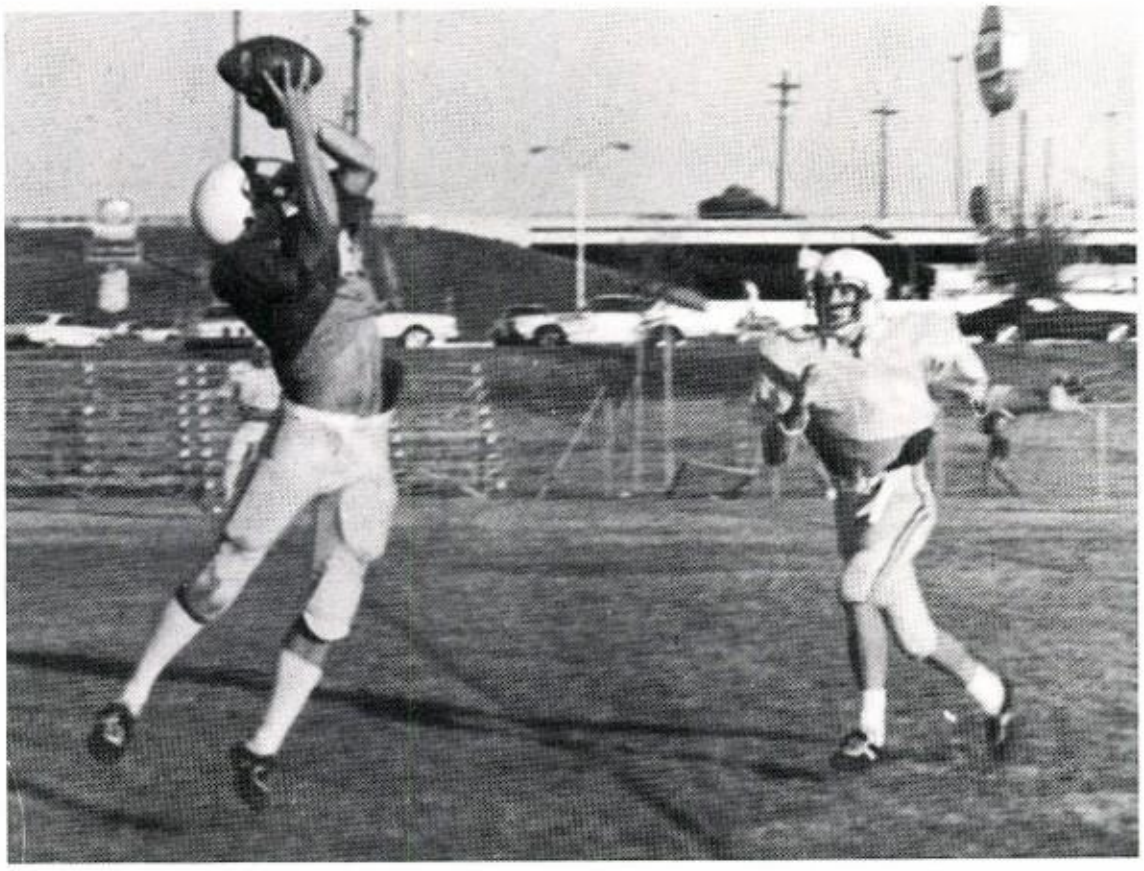
Highland Park cruised through baseball in much the same fashion, downing NM twice and walking away with the district title.

In soccer, however, it was Duncanville who ruined all chances for the boys district title.

All other boys sports seemed to be a carbon copy as title bids slipped away. The girls' seasons were a much different story.

The girls winning ways got started early as NM courted a fine volleyball team. The girls played excellent ball throughout their season, the kind of play that all but handed the girls the district championship on a silver platter.

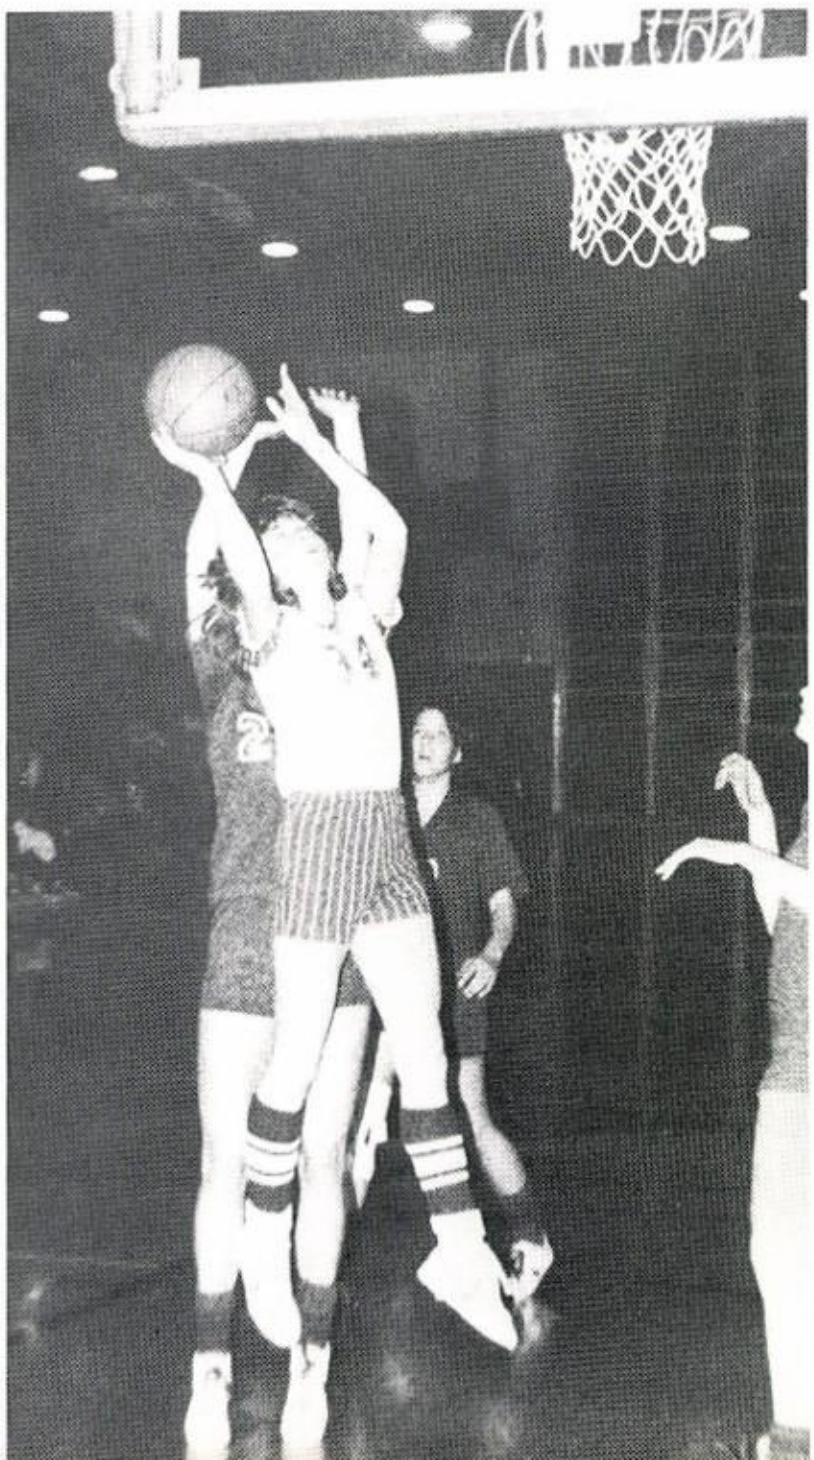
Next came basketball. Although the varsity girls team fell short of district championship in a one-point loss to Mesquite in the season finale, the freshman team cruised to a perfect record and brought home NM's second district trophy.

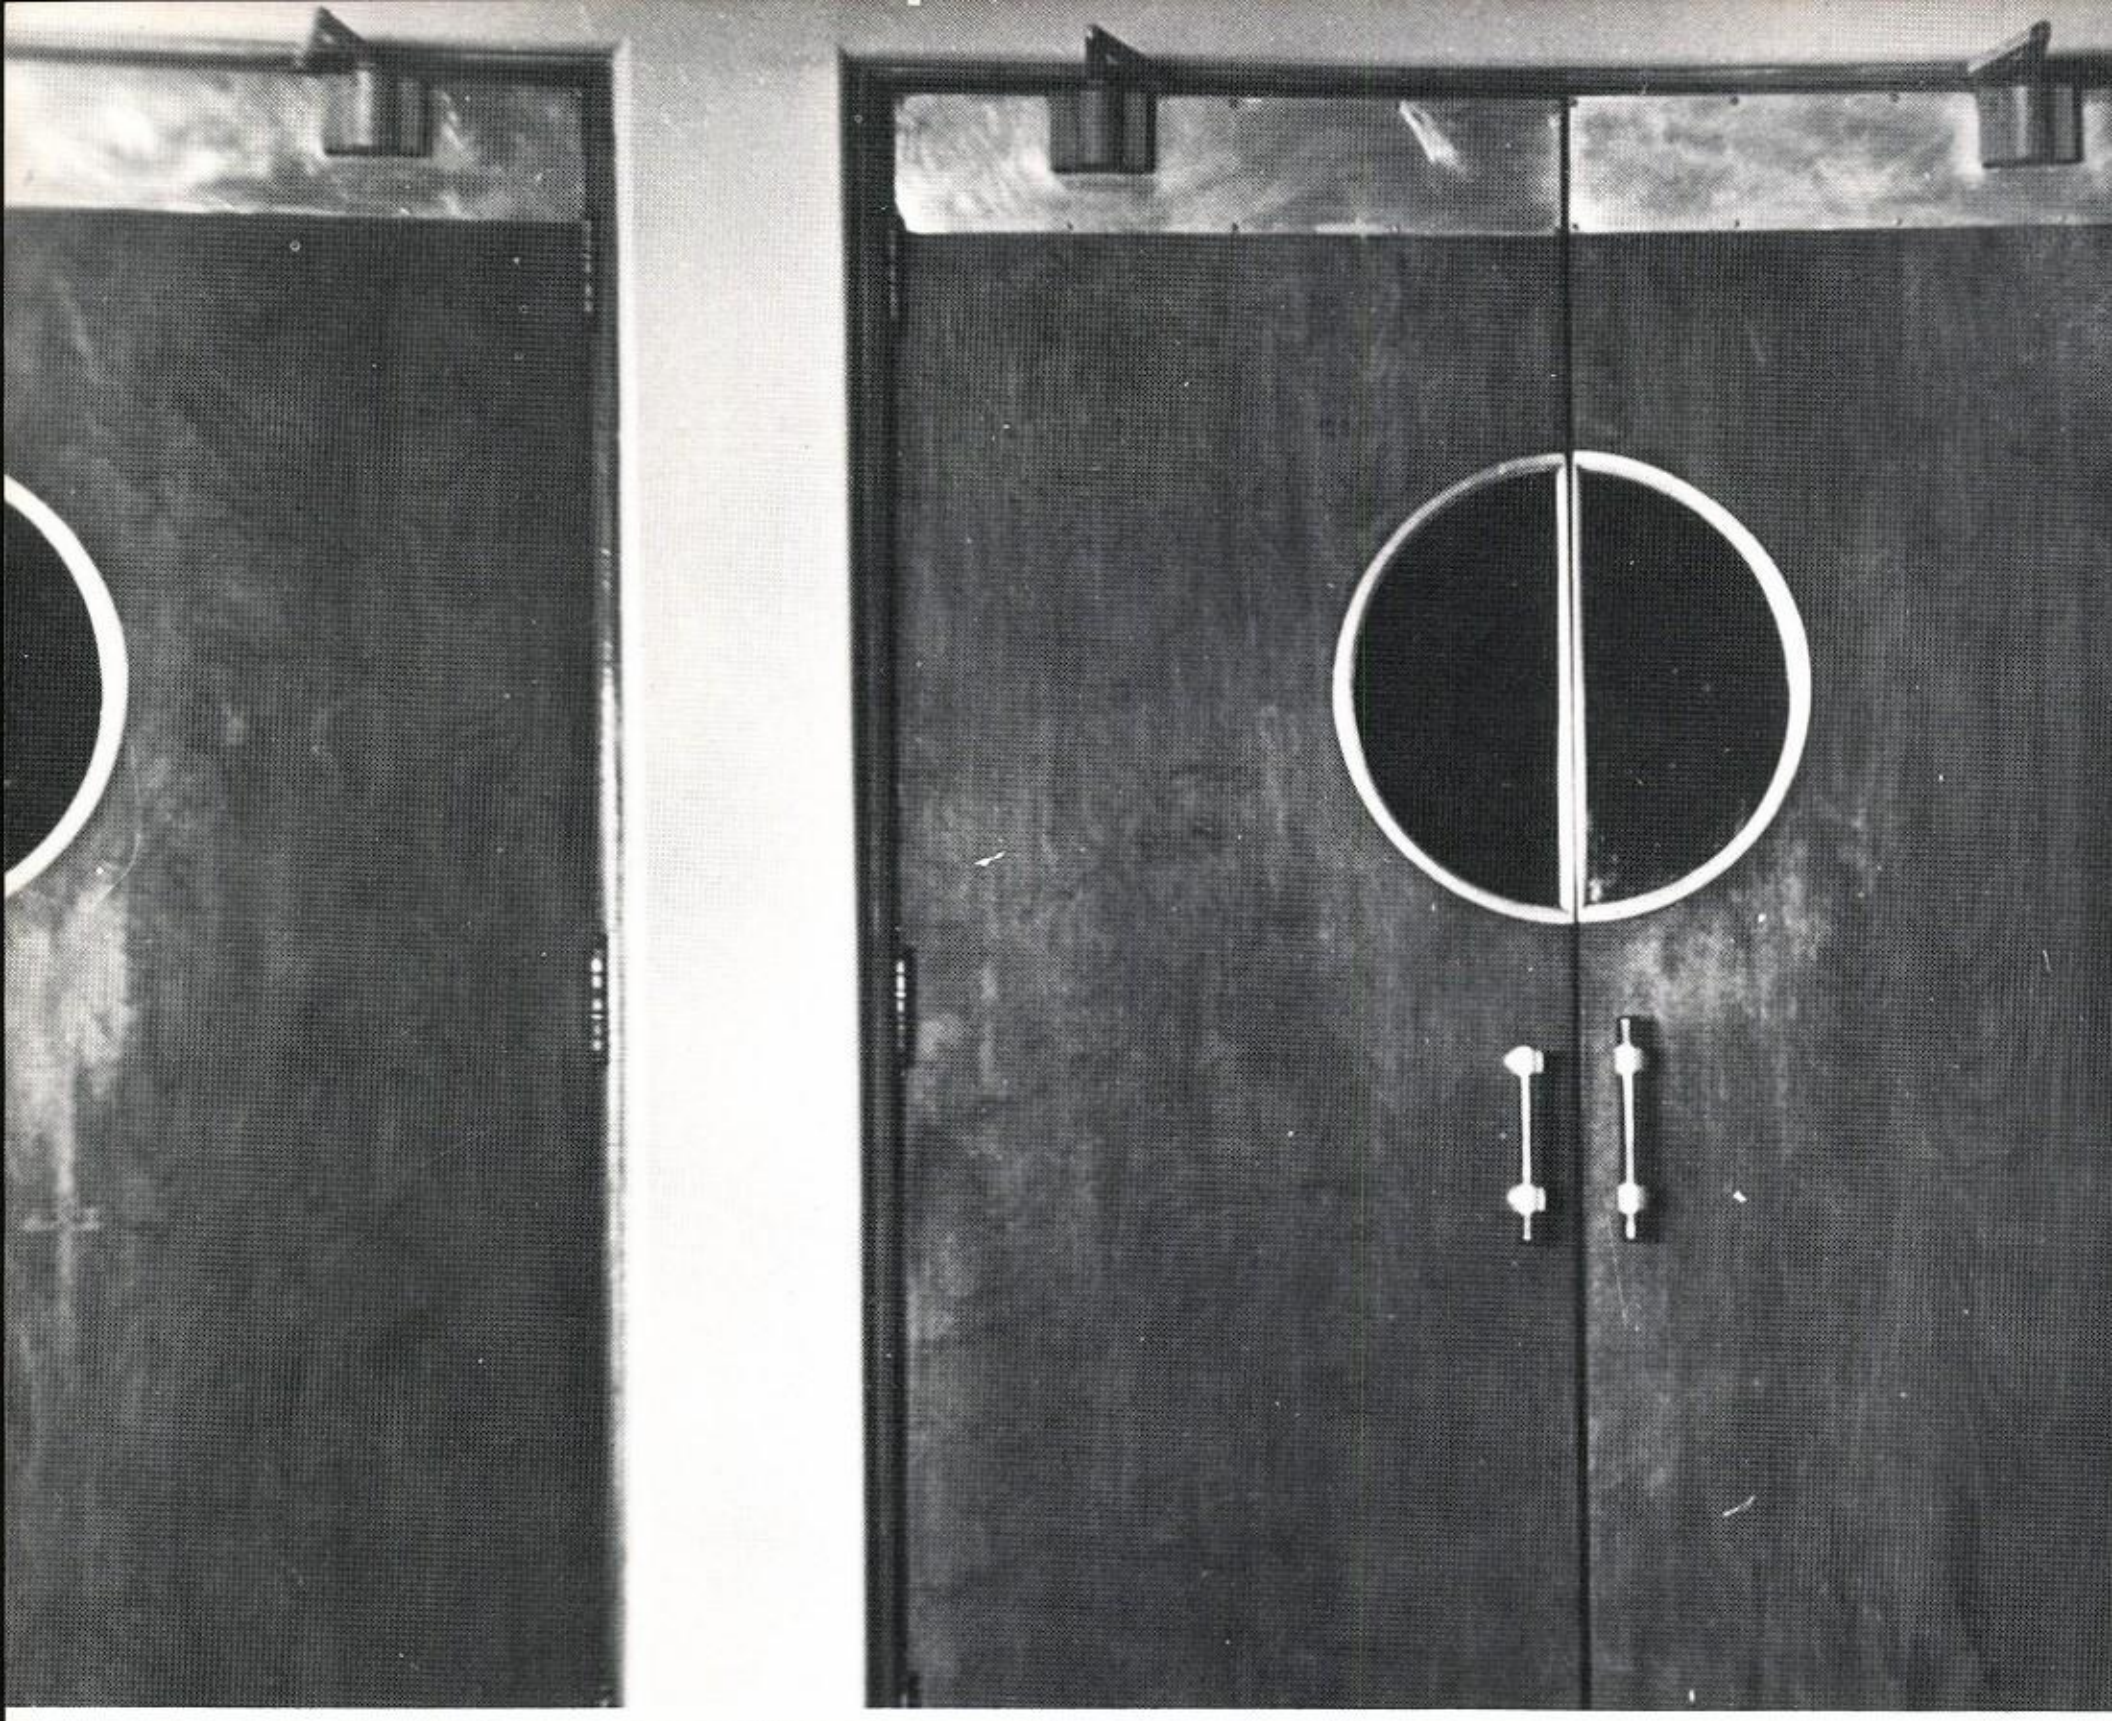


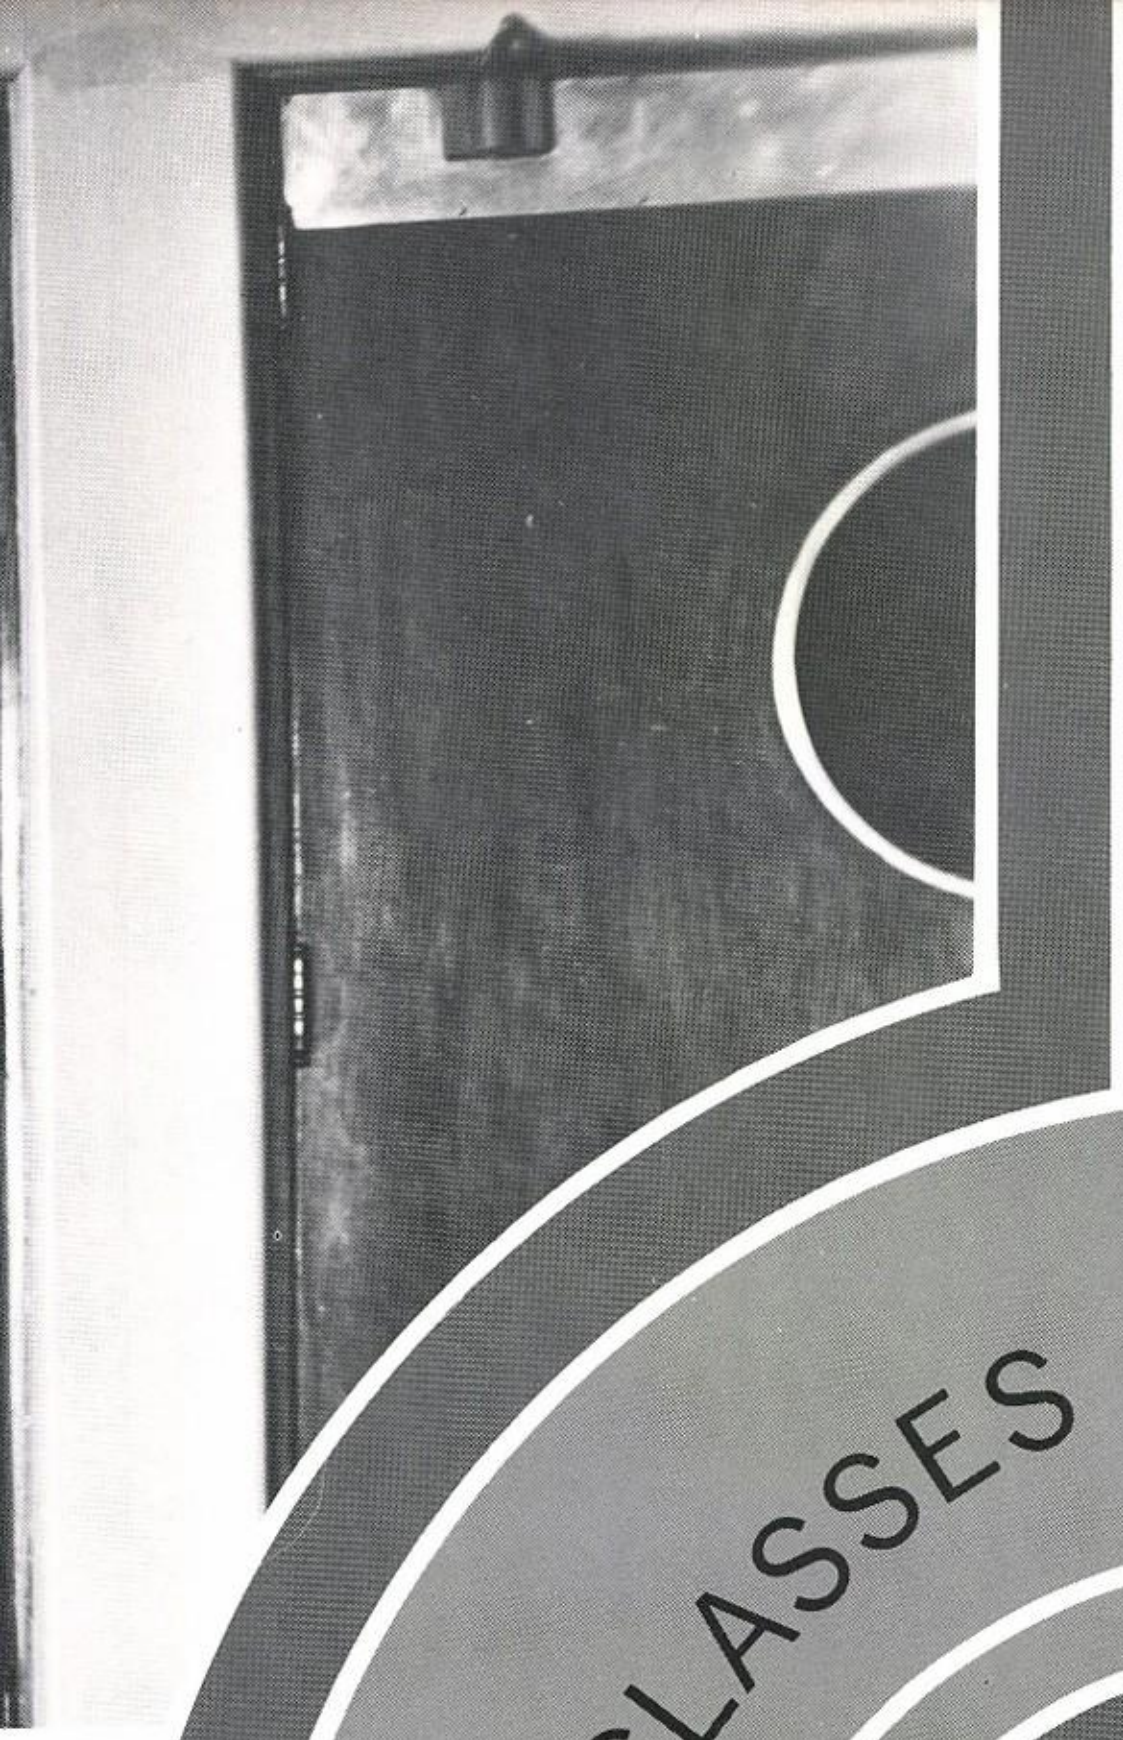
and the Agony of Defeat

With a new coach, the girls soccer team avenged last season's 2-0 championship loss to North Garland in the playoffs, the Stallions edged Highland Park 2-1 in overtime for the district title.

So there it is. Among the many sports here at North Mesquite, Stallion teams were able to salvage only three championships. Many teams made valiant efforts but fell short in the waning moments of a crucial contest. Some, well, were merely outclassed.







CLASSES

Because of the growth of the school community, plans are being made for the production of a third high school. The school will be named after Mesquite Independent School District's current superintendent, Dr. Ralph Poteet. With the addition of a new school in the district, Mesquite dwellers are hoping to eliminate overcrowding in schools. Even with a new high school being built near Town East Mall, North Mesquite students will still possess the unified spirit it has and welcome the new competition.

Senior Class

Three Seniors excelling in many school activities were elected to head the 12th graduating class of North Mesquite. These well-known and admired Seniors are **Blake Foster** — President, **Laura White** — Vice President, and **Lori Bannister** — Secretary.

At Lakeland Hills Baptist Church, Teresa Lemaster plays the piano full time in Sunday School, for the youth and part time in regular worship services. She also has played the piano for Town East Baptist Church. Not only does Teresa play the piano, she also sings. She sang *You Light Up My Life* in a duet for a wedding of one hundred people. In her spare time, she likes to ride horses, and she loves all sports. Her love for traveling has grown since she started working for a travel agency. Teresa enjoys meeting people and getting to know them. Teresa says, "I enjoy working, because it gives me self-satisfaction and I like working with people." Teresa plans on working full-time and going to Eastfield part-time.

Lisa York, Senior, started in drama because she had always admired the actors on stage. After her first year in drama, she became involved and found out that directing was the profession that she wanted to pursue. Lisa is President of the Thespians (Drama Club), and she has been Student Director of "Anything Goes" and "Barefoot in the Park," two of the drama department's productions. Drama has done much for Lisa, and she says, "Being on stage, in front of an audience is one of the best experiences I have been through. Drama brought me out of my shyness and helped me through difficult times." She plans to attend Eastfield first then transfer to East Texas State University and major in Directing/Drama. Lisa plans to get a "taste of everything." When she gets out of college, she plans to start out in a small community theater and work her way up to . . . who know's what?

Jeanne Woodruff, Senior, is Business Manager of the "Pony Express." She has been in journalism for three years and was Editorial Editor of the newspaper last year. Jeanne's main goal is to become a journalist in public relations, and plans to attend Baylor University and major in Journalism and minor in Vocal Performance. Jeanne is also active in other areas such as Fellowship of Christian Athletes and Young Life. "These two things are very important, since God is a big part of my life," she says. Jeanne's hobbies are piano, voice lessons, photography, and reading. She loves singing because she is sharing a talent God gave her. Jeanne's outlook on life is, "It seems like life gets harder as we get older and more mature, but I feel that with God's help, He and I can tackle anything together."

Senior Matt Chadwick likes to work on cars and tries to think of new things that could be added to them to improve their looks. Matt does this because he feels that many of the cars out are "boxed off" and "square looking." When not working on cars, Matt works at Schepps Dairy. He works inside the plant and runs various machines that pack cartons of milk and case them. When his schedule permits, Matt says, "I also like to go out into the country and spend some time by myself thinking things over and getting away from all the noise and congestion in the cities." Matt's favorite hobbies are water skiing, football, fishing, swimming, and hunting. He is not sure whether he will attend Eastfield before he starts college at North Texas State University. He plans to major in Computer Technology.

Renae Halbert has a very promising future, she plans her future in the modeling industry. Renae says, "There is a good future in modeling, both financial and as a career because it is such a big industry." She has prepared herself for this career by attending the John Robert Powers school of modeling. Renae has taken both the preparatory and the professional courses. She has been involved in modeling for two years. You can tell how hard she works at it when she says, "Modeling is like a hobby because you have to work at it to be good." Renae is involved in the work program, VOE. After graduating, Renae plans to attend SMU and major in fashion merchandising. Presently Renae is taking make-up artistry classes and modeling clothes at modeling shows and different places of business.

Some people are only good in one area, but Senior Mary Batchellor is the exception to the rule. Not only is she talented in her journalism endeavors, but also in her band participation. Mary has been involved with the production of the "Pony Express" for three years. On her Senior year she was chosen Editor of the paper after being News Editor her Junior year. Mary proves she is doubly talented by being in the Honors Band for three years. She has played the flute since sixth grade. Mary has also twirled flags for the Big Blue Band. With all this good experience behind her, Mary plans to go to college and major in broadcast journalism and minor in music education. She would like to intern at a television station this summer. Mary has high hopes and would someday like to take over Iola Johnson's job.

Kay Garrett, a Senior, has been an active member of the track and cross country team for the last four years. In the *Pony Express* she was quoted as saying, "I've really enjoyed being associated with the Stallion's cross country team. It's a great feeling to be able to feel that your body is getting into the best shape as possible." Not only does Kay run, she also is active in her church, First Baptist Church, Mesquite. At church she is on the Youth Council, and she is on the puppet team. In addition to running track at school, Kay plays basketball and softball for her church team. This summer Kay is planning to take a couple of basic classes at Eastfield before attending North Texas State University in Denton this fall. Kay plans to major in Theraputic Recreation. Kay says, "I love working with children and think being able to help ones that are mentally or physically handicapped would be very rewarding."

Deidre Miller has played the drums since she was fourteen. She takes lessons from Norris Family Music. Besides private lessons, there are combos that the students get to play in. The combos play in benefits for charities such as muscular dystrophy. They also play in contests and recitals all during the year. Deidre plays the rhythm and lead guitar. The combo plays such country hits as "Country Roads." Deidre's music means a lot to her because she says, "Learning to play the guitar and the drums has been fun and a great experience." When Deidre is not playing in her combo, she writes letters to her various penpals from all over the world. After graduation, Deidre wants to go to SMU and maybe major in either business or special education.

Senior Charlotte Ransom is taking advantage of the skills she has learned in VOE. Charlotte plans to major in Business Administration at Jacksonville Baptist College. In VOE she has learned how to use office machines, such as typewriters, adding machines, and duplicating machines. She has also learned to make and use office forms, improve typing, shorthand, and accounting skills, answer the phone in the businesslike manner, and learned the proper office etiquette and the proper way to dress for an office. By taking VOE, students get credit for working a half of a day and going to school a half a day. Charlotte says, "I took the class so I could get this benefit and get office experience at the same time."

Jeff Raitz, a senior, attended Columbian High School in Tiffin, Ohio where he was a member of the football, baseball, track, and wrestling teams before coming to North Mesquite in February. Jeff has found time to participate in track at NM. He placed 2nd in the discus throw at the District Meet. Jeff's biggest shock was the "hot Texas weather." When his family left Ohio there was three and a half feet of snow on the ground with below zero temperature. They arrived in Dallas when it was 65 and sunny. There was no dress code in Ohio so he had quite an adjustment to make to Mesquite's policies. For hobbies he enjoys playing pool, water skiing, camping (especially around Lake Erie), and listening to his favorite rock groups, the Eagles, Journey and Jay Giles. Jeff, who is still a big Ohio State fan, has begun to adopt the Cowboys as his favorite football team instead of the Cleveland Indians. When asked what the best advantage was by moving to Texas, Jeff replied, "The girls are a lot prettier and friendlier down here."

Senior Larry McFatridge would like to make a career out of Bio-Medical Science. All his life, Larry has been interested in both science and medicine. Majoring in Bio-Medical Science would satisfy both interests. Larry would like to attend college at Texas A&M, and work toward becoming a doctor or some type of biologist or scientist concerned with the elements of biology. If time and money permit, Larry would like to try to get a medical degree so that he could practice medicine. Larry says: "I want to achieve a goal in the medical field so that I might be able to help others to the highest degree of my ability." In his spare time, Larry works for Demert Ray Productions where he has recently been promoted to night shift foreman. When not on the job, Larry likes to hunt deer, duck and all types of birds. The outdoors really fascinates him, and he trys to go out to his grandparents' farm in NE Texas every chance he gets.

Mike Myer's hard work throughout high school has made him Valedictorian 1981. He has been a valuable addition to the Drama department since his freshman year when he had roles in both "It's a Dungaree World" and "The Music Man." In his sophomore year, Mike brought the school several trophies from Speech and Drama contests and debates. He was also in "The Slave With Two Faces" and portrayed Ali Hakim in "Oklahoma." As a junior, Mike worked the lights for numerous stage productions and received Most Valuable Speaker Award from the Speech Department. As a senior, at UIL zone competition at Garland High School, Mike was named Best Actor for his portrayal of an American pacifist sent to Vietnam in the play "Summertree." When not participating in school activities, Mike practices fencing, or the "athletic form of chess," as he says. Mike is not yet sure of his career, but he knows that he wants to help people. He is considering missionary work or counseling. Mike says, "I like spending time with people, I like to see them smile."

Athletic is a good way to describe Senior Darren Myers. Darren has been running for four years now on NM's Cross Country and Track teams. He plans to continue running in college. Darren is very serious about his training and tries to eat nutritious foods along with getting enough sleep so that he will be in good shape to run. He would like to attend the University of Texas at Arlington and major in health and or physical education. Darren says, "I think that I could handle running track in college, but I don't know about some of the classes I'd have to take." Darren likes to set goals for himself and work hard to reach them. One of his goals is to run in the Boston Marathon in either 1982 or 83 if he could afford the expenses of getting to Boston. He would like to run this marathon under two hours and thirty minutes. When not actually running, Darren likes to play tennis, water ski, go motorcycle riding, to swim, and listen to music.

Scholarships and Awards

Greg Stovall, Senior, is one of the two North Mesquite students who has won the college sponsored four-year Merit Scholarship. Greg has the honor of being the Salutatorian of the 1981 NM graduating class. He plans to major in physics at Texas A&M. He has held such honors as being the Texas A&M President's Scholar, and receiving the James C. Potter Scholarship from A&M. He is Vice President of Finance in his JA Club, and is a member of the National Honor Society, Youth Advisory Committee, Stallion Battalion, Computer Team and German Club. Greg attended high school in Illinois before coming to NM where he was voted "Class Einstein" two years. Greg is also one of the 141 American students to become one of the 1981 Finalists in the Presidential Scholars Program. The final selection is made by the members of the Commission on Presidential Scholars and the President of the United States. NM is proud to have such an achiever.

David Hargrove, Senior, has a wide variety of hobbies and interests. His main hobbies are photography, visiting amusement parks, and going to see movies. David takes his camera to most of the events he attends including his trips to Six Flags. David goes to Six Flags whenever he gets a chance. He has used his season passes to go to Six Flags more than 40 times in the past three years. On almost every weekend, David can be found at a local theater seeing the week's newest movie. He especially likes to see horror movies and those which appeal to the inner person. One of his favorites is "The Rocky Horror Picture Show," which he sees at least once a month. David likes the movies because they are both entertaining, and they give him a chance to get rid of a few frustrations. After graduation, in the fall, David will attend Eastfield for two years and then move to a major university. He would like to major in business with a degree in bookkeeping. Since David was first introduced to the field of business, he has known that's what he wanted to study the most. David likes bookkeeping because he likes to see things in a set order.

Greg Graham, Senior, is one of the two North Mesquite students who won college-sponsored Merit Scholarships. Greg plans to major in mechanical engineering while at Texas A&M. He is a member of the Honors Band, Science Club, Latin Club and Math Club. Greg has also worked as a lighting technician for the school for three years. He is also a member of the Dallas Amateur Radio Club and the Dallas Apple Corp. Greg was also named to Who's Who Among American High School Students. Greg won the scholarship on an academic test. Scholarships are won on the basis of scores made on the PSAT-NMSQT. Over one million high school students took this test and North Mesquite is proud to have Greg as a Merit Scholar finalist. Greg's scholarship is for four years and is not transferable to another college or university other than the one financing the award.

Drill Team plays a very important part in LeAnne Lindquist's life. She is a Pacesetter lieutenant. LeAnne enjoys being an officer because she likes choreographing and teaching the routines. At Officer camp at Southwest Texas State, LeAnne received the award of "Miss Half Time USA." This is a high honor because only one outstanding girl for the week can be chosen. If LeAnne is not working out in drill or going to a dance class at Texie Waterman's dance studio, she is collecting her favorite things — rainbows. She has quite a collection: glasses, candles, books, and even a gumdrop rainbow. After it rains she always goes outside to see if there is a rainbow to take a picture of. Her other hobbies include reading and listening to music. She says she likes all music from Rock to New Wave. After graduating from NM, LeAnne wants to attend Kilgore College and continue her drill team participation as a Kilgore Rangerette. After college LeAnne would very much like to come back to NM and be what else but a Drill Instructor.

Standing 6′2″ and wearing number 32 on the Varsity Basketball team is Mike Browning, who has been playing since he was nine years old. Although Mike may not have been born an all-star, he now averages fourteen points a game for the Stallions. Most athletes tend to have a favorite player, or "idol"; Mike's is the famous pro-player Julius Irving and his favorite college player is Mark Aguire from Depaul. Mike likes the close competition and the fast pace of basketball, but that's not the only reason he chose to play basketball over all other sports. Mike has played other sports since he was young, but after breaking his arm in ninth grade during a football game, Mike decided to get involved in a sport not as rough. He thought basketball was the answer, however, the following year Mike broke his ankle during a basketball game.

Athletic Eric Purcell has been playing soccer for North Mesquite for four years. He currently wears number 13. Eric played soccer for three years in Baltimore, Maryland and then moved here in Mesquite where he has continued to play for eight years. Although Eric plays every position, including goalie, his favorite position is center forward. Soccer is his favorite sport, not only because it is a non-stop, physical sport, but also because he enjoys playing it so much. In Maryland, soccer is a main sport, like football is to Texas. At a young age, Eric picked it up "just like everyone else." He has particiapted in numerous tournaments including two in Mexico City. Eric is undecided about playing soccer in college. If he does however, he'd like to play at either the University of Texas in Austin or Sam Houston State.

Participating in a sport can be hard work, but sometimes it is well worth the effort, especially if your team wins the district championship. Dawn Kelly has played soccer at North Mesquite since she was a freshman and has lettered each year. Soccer took up quite a bit of Dawn's time, but she still managed to stay in the top ten percent of her graduating class, which is a big honor. Her involvement in school organizations includes National Junior Honor Society, National Honor Society, FHA, and the Latin Club. Dawn enjoys all outdoor activities — especially those spent with friends. After graduation she will travel to New Orleans where she has been accepted at Tulane University on a $3,100 scholarship. Her plans are to major in engineering or computer science. When asked how she felt about leaving NM, Dawn said, "There are bigger and better things out there for us all and I wish everyone the best of luck."

Brad Dunn is a very active Senior. Besides playing center on the Varsity Football team, he is also a forward on the Soccer team as well. Brad said he likes to play soccer more than football because of the fast action. Music is a hobby as well as a job for Brad. He is involved in two bands, one is a rock and roll group and the other is a contemporary. He likes to write and perform songs for both of his groups. Brad plays the guitar and bass guitar. Performing has made Brad want to make communications a life time career. He would like to be a Disc Jockey or maybe a television anchorman. Sam Houston State of TWU are Brad's college choices after graduation.

Senior Kim Carroll has played the piano since she was three years old, and now is a member of the Jazz Band. Besides playing the piano, songwriting has recently caught Kim's interest and now takes up much of her spare time along with writing poetry. She is a qualified Red Cross lifeguard and swimming instructor and enjoys participating in water ballet shows. Her other hobbies include ice skating, playing tennis, and studying dance, which she had done for seven years. Kim is the Latin Club Vice President and has been a member of the math team for three years. When asked why she had such an interest in the math team, she stated, "I really enjoy the competition." Following graduation, Kim plans to attend the University of Texas at Arlington and major in either civil engineering or architecture.

Ann Cuello has been twirling a baton for nine years and has been a majorette for our bands since she was a freshman, including being Head Majorette during her senior year. With all this experience she has received many "1" ratings at UIL Contest including a Superior rating at UIL State Contest. Besides twirling, Ann is a very talented pianist and flute player and has won numerous awards in both of these activities. Ann was selected as this year's Band Sweetheart and said, "I felt very honored to be selected and I will always remember it." After graduation Ann hopes to attend SMU and plans to major in either psychology or business. When asked what her thoughts are on North Mesquite she said, "I've enjoyed all my years at North Mesquite and I hope the spirit and the atmosphere will always stay the same."

As inflation is hitting harder and harder, Seniors feel the crunch of Senior expenses. First in your Junior year, you bought your class ring. Then Seniors are loaded down with the expenses of such things as a cap and gown, not to mention an extra tassel that some Seniors buy. Senior John Carter is shown getting measured for his cap for graduation. There are pictures to be bought, first you could buy all those great Senior pictures to send to your relatives and then you could buy a 'Senior Class of '81' class picture. Then don't forget to buy your annual and your Senior announcements and thank you cards. There is also the expense of buying a Senior T-shirt with the Senior motto on it. Don't forget all the money spent on flowers and assemblies and Friday nights. Near the end of the year a Senior has to buy all the things that will be needed for the Prom, like either renting tuxedos or buying a new long dress. Aren't you glad that you are only a Senior once?

Tennis seems to be the specialty of Susan Witt. Susan has been involved in tennis for 4 years. She has won numerous matches, both singles and doubles. It has been tough for her the past 2 seasons as she has been defeated in the semi—finals of district play. Susan says, "Coach Brinkley has really helped me learn about tennis and about life. My partner, Julie Schnurr is a good tennis player and a good friend." Susan is also a member of the Big Blue in which she plays the trombone. In the four years she has been in band, she has won many district and state ensemble and solo awards. She is also in the National Honor Society. In her spare time she likes to swim, watch the Dallas Cowboys and play with her two dogs, Gretchen and Heather. After Susan graduates, she plans to go to ETSU and major in business.

Honor Graduates

These seniors who are graduating in the top five percent of their class, should be highly commended for their effort. Their position has been gained by a great deal of dedication and persistence. Most of the high scholastic students were invited to the annual Rotary Banquet that honors the outstanding seniors of the city. The banquet was held May 9 at the Eastfield Community College Campus Center. Dinner was served buffet style and honored students and parents dined to piano music. Rotary certificates were presented to each of the honorees.

It is also a great achievement to be named with honors. The Honor graduates represent the top ten percent of their graduating class. It is no small accomplishment to be in this group of high academic students. Both the High Honor and Honor graduates are shown in the order that they graduated. Some students did not have their picture made, yet should be recognized for their position. In the Honors group Frank Dailey, Jeff Perryman, Lisa Timms, Laura White, Patricia Wilcoxson and Susan Witt are not shown. NM is proud to have so many exceptional students in their midst.

Awards Assembly Honors Merit Students Honored

An Award's Assembly was held honoring various students and faculty members on May 20. First ROTC cadets were honored with medals and a presentation from a DAR member was made. Principal's and Optimist Award winners were also recognized. Student Council officers for both this year and next year were announced by Judy Sipe. Several school personnel received a plant in honor of their appreciation by the Student Council. Also at this assembly Teacher of the Year was named to Miss Martha Adcock, who received a plaque. Departmental awards were then announced by Principal John Campbell. Those receiving departmental awards are listed below. Each of these students were given a copper medal depicting the nature of their award. Certificates were given to all year honor roll students and to the top 5% and 10% of the graduating class. Perfect Attendance Awards were also given for those who had not missed one day or period of school. The assembly ended with Mr. Campbell expressing praise to those honored with an award.

Future Leaders Prepare for the Big Year

Cecilia Baptista believes that studying is the key to success. She is the first Sophomore to take up Trigonometry. Next year she will be the first Junior to take Calculus at North Mesquite, in addition to two or three more honor courses. She has made straight A's all her life and plans to keep it up. She has been a member of the National Junior Honor Society for the last two years, and is a member of Young Life, J.V. Drill, Latin Club. Her hobbies include Jazz, Disco, Hawaiian Dancing, and reading. Her greatest goal is to graduate in the top five percent of her class. She is working hard on her grades, hoping to get a scholarship. Her future plans are attending Southern Methodist University, Austin College and Ohio State University where she will pursue a career in Engineering.

Juniors Anticipate Senior Year

Leslie Barnes has played an active part in the Music Department since her freshman year. She is secretary of Chorale and sings soprano. In choir Leslie has had much success at UIL Solo and Ensemble Contest by receiving several First Division ratings. Band also is a major part of Leslie's school activities; she is secretary of the Big Blue and plays the french horn. She is a three year member of the Honors Band and also has received several First Division ratings for solos and ensembles. In both band and choir, Leslie has been to UIL State Solo and Ensemble Contest in Austin. Besides being involved in music, she is an active member of Young Life, likes to swim, snow ski, and play softball. Following graduation, she plans to attend Stephen F. Austin in the Fall and major in Political Science.

Senior Year Just Ahead

Music is a major part of senior Paul Bright's everyday activities. He is president of Chorale and is also involved in band and orchestra. He plays percussion in the Honors Band, and is a student director. As Head Drum Major of the Big Blue he was chosen outstanding drum major four years at camp. At Solo and Ensemble he has received numerous First Divisions in both choir and band. Paul has made All-Region, Area, and was selected to tryout for State in choir, band, and orchestra. He plays the organ at his church, and plans to work in the youth and music ministry. He said, "I have one hobby; that's music, I eat, sleep, and breathe it. I enjoy other things, but none are as fulfilling or rewarding to me as music." Paul plans to attend Baylor and get a Bachelor of Music Education Degree.

One More Year of Fun and Work

Junior Kathy Alexander is involved with the music department. She played the flute in the band during her freshman and sophomore year and has been a member of Chorale every year. She sings second alto and is a two year member of Unity. In choir she has made All-Region, All-Area, and has gone to All-State every year. Kathy has been real active in the musicals. She was in "Oklahoma" as a freshman and had a part in "Anything Goes" as a sophomore. She is a member of Lakeview Christian Church where she is in the church choir and has been president of the youth group for two years. Her college plans include attending North Texas State University and majoring in Voice Entertainment and minoring in working with the mentally disturbed and handicapped children.

Juniors Qualify for Honors Classes

Blake Edmondson is a member of the Honors Band, Symphonic Orchestra and the Jazz Band and is Vice President of the Big Blue. He has earned several First Division ratings at Solo and Ensemble and went to State Solo and Ensemble Contest. In July of 1980, he toured through Europe with the American Musical Ambassadors. He was seated third out of eleven trumpets. He said, "The thing I liked most about the trip was getting to know the other musicians in the group." Besides music, Blake is a member of the newspaper staff. His hobbies include listening to Jazz and Classical music and studying ships and ancient history. After graduation, Blake plans to attend either North Texas, TCU, or East Texas State and double major in Music Teaching and Political Science.

Juniors Prepare for Their Senior Year

Cary Fisher, a sophomore, has a fascinating pastime. He is interested in every aspect of horses. He enjoys both horse breeding and training. For the last eight years Cary has spent his spare time learning about horses. Cary's parents really encourage him with horses. He has two favorite horses. One is called Sonny, a four year old Arabian. The other horse is Port, a one and a half year old Arabian Stallion. Cary had a proud moment when his horse Port placed fifth out of seventeen top show horses at the 1980 Texas State Fair. He owns and operates "The Royal Arabians," his own farm for Arabian horses, which is located on Chandlers Landing in Rockwall. Anyone can tell Cary really enjoys horses when he says, "If it weren't for the horses, I don't know what I would do with my spare time."

Juniors Strive for a Successful Year

Chau Vu is nineteen years old and a Senior. She was born in South Vietnam where she lived for fourteen years. Chau and her family had to flee their native homeland on April 30, 1975 because the North Vietnamese Communists had finally invaded their territory. "We lived worried and in fear of the North Vietnamese invading our home," she said. Chau and her family lived in many countries during the following six months. After leaving Vietnam: Malasis, Hong Kong, and Singapore. She then came to the U.S., and ended up in Mesquite three years ago. Chau said classes were different in Vietnam; they were extremely overcrowded with maybe a hundred students to a class. They learned French and English — the essential languages. Chau's hobbies are dancing, bowling, and camping. "I really like it here in Mesquite, I am glad we came," she said.

Sophomores Enjoy Second Year

Paul Wade, a sophomore has many talents. Among them are art and photography. Paul's main interest in art is painting portraits. He got started at the age of twelve when he entered the Mesquite Art Show. Paul's painting earned over thirty ribbons. Since then he has entered many art shows and won numerous awards. Paul got involved with photography about four years ago. He has his own darkroom at home and develops his own pictures. His accomplishments include a photograph of Becky Stuard that won her Miss Photogenic of Dallas. He has also won many photography awards. He is also a member of the Spanish Club, Art Club, and is a photographer for the Annual Staff. "I enjoy art and photography, and I always want to learn more."

Drama Open to Industrious Sophomores

The new director of the Theatre Arts Department is Mrs. Gina Carpenter. Although she taught English at Atwell Fundamental Academy in Dallas last year, this is her first year of teaching drama. Mrs. Carpenter is enthusiastic about her new job, saying that she wants this to be a great year, theatrically at N.M. Mrs. Carpenter first became interested in drama in the eighth grade at Agnew Middle School. After graduating from Mesquite High School, with four years of cheerleading behind her, Mrs. Carpenter attended East Texas State University triple majoring in Drama, English, and Psychology. Her first year of directing at N.M. included "Barefoot in the Park" as the fall production, "Little Mary Sunshine" as the musical and "Summertree" as the UIL contest play. Mrs. Carpenter also directed two children's productions as a service to the area elementary schools.

Sophomores Anticipate Next Year

Among the many specialized classes at N.M. one of the most interesting is General Electrics taught by Mr. David Armstrong. The first year of General Electrics is a broad survey of the electric world including practical electronics and housewiring. It is designed to develop an awareness of how diversified the field of electrics-electronics is. General Electronics II is a more in depth study of the field. It includes projects with ohm meters, power supplies, amplifiers, and speed controls. The class is designed to prepare a student for a career or trade school. Mr. Armstrong expresses the importance of his class by saying "Ours is very much an electronic world. It is one of the fastest growing fields because it touches all other fields."

Sophomores Start the Year With Spirit

Terri McCain, a junior has been involved in many organizations. She has been a member of the band for three years in which she plays the alto saxophone, and has also been a majorette for three years. She competed at the Southwest regions and state competitions and placed in the top 10 as a twirler. Terri is also involved in FCA and the French Club. Her hobbies include horseback riding and modeling; but her main interest is participating in beauty pageants. She won the Mini Mesquite Pageant in 1980 and hopes to some day compete in the Miss Texas Pageant. "It was an experience I have always hoped for," she said. After graduating, Terri plans to attend college at either SMU or the University of Texas, where she wants to major in Psychology. After college, Terri would like to be an actress.

Sophomores Adjust to High School Life

Bill Parlett is involved in many extracurricular activities at North Mesquite. He is a member of the Spanish Club, Fellowship of Christian Athletes, Future Homemakers of America, Young Life, and the Woods and Water Club. Some of his hobbies are playing pool and riding horses on a friend's farm. He likes participating in all sports, but he especially likes basketball. He plays on a men's league for his church. Bill also enjoys hunting all kinds of game and fishing, which he does in Palestine, Texas. He is an active member of Ferguson Road Baptist Church and belongs to its Youth Department. They plan to go to Washington this summer on a mission trip. He also enjoys listening to rock music, and his favorite movies are scary ones. After finishing high school, Bill plans to attend college at either the University of Texas at Arlington or North Texas State University and major in business.

Sophomores Keep N.M. Spirit Alive

Mark Brunson was a foreign exchange student in Denmark last year for one year. He first wanted to be an exchange student just for the fun of it, but later learned the importance in dealing and being with people of different cultures and societies. He also learned very quickly to be independent. According to him, the lifestyle in Denmark is extremely different from that in the U.S. The school he attended was equivalent to a college-prep and was totally voluntary. In one year he learned how to speak Danish fluently. He enjoys water skiing, ice skating and other winter sports. In Denmark, he was taught how to knit and make things with his hands. After graduation he plans to attend a junior college for the first two years, and then the University of Maryland for the last two years where he will major in languages. He intends to go back to Denmark.

Sophomores Work Toward Future Goals

Stephen Kilgore has a very interesting and traveled past. He has lived in Coasta Rica and Guatemala for eleven years. He moved to Coasta Rica at the age of two before moving to Chemaltenango at the age of three. Stephen lived in Central America because his parents were missionaries there. He said school was different in the way that there were small classes and a four hour school day. He said in Guatemala the people were nice and although the standard of living was not high, he liked living there. "I would like to return and do missionary work like my parents did," said Stephen. Stephen's hobbies are playing all sports, especially basketball. He also collects key chains from all over the world. After Stephen graduates, he plans to attend Philadelphia Bible College.

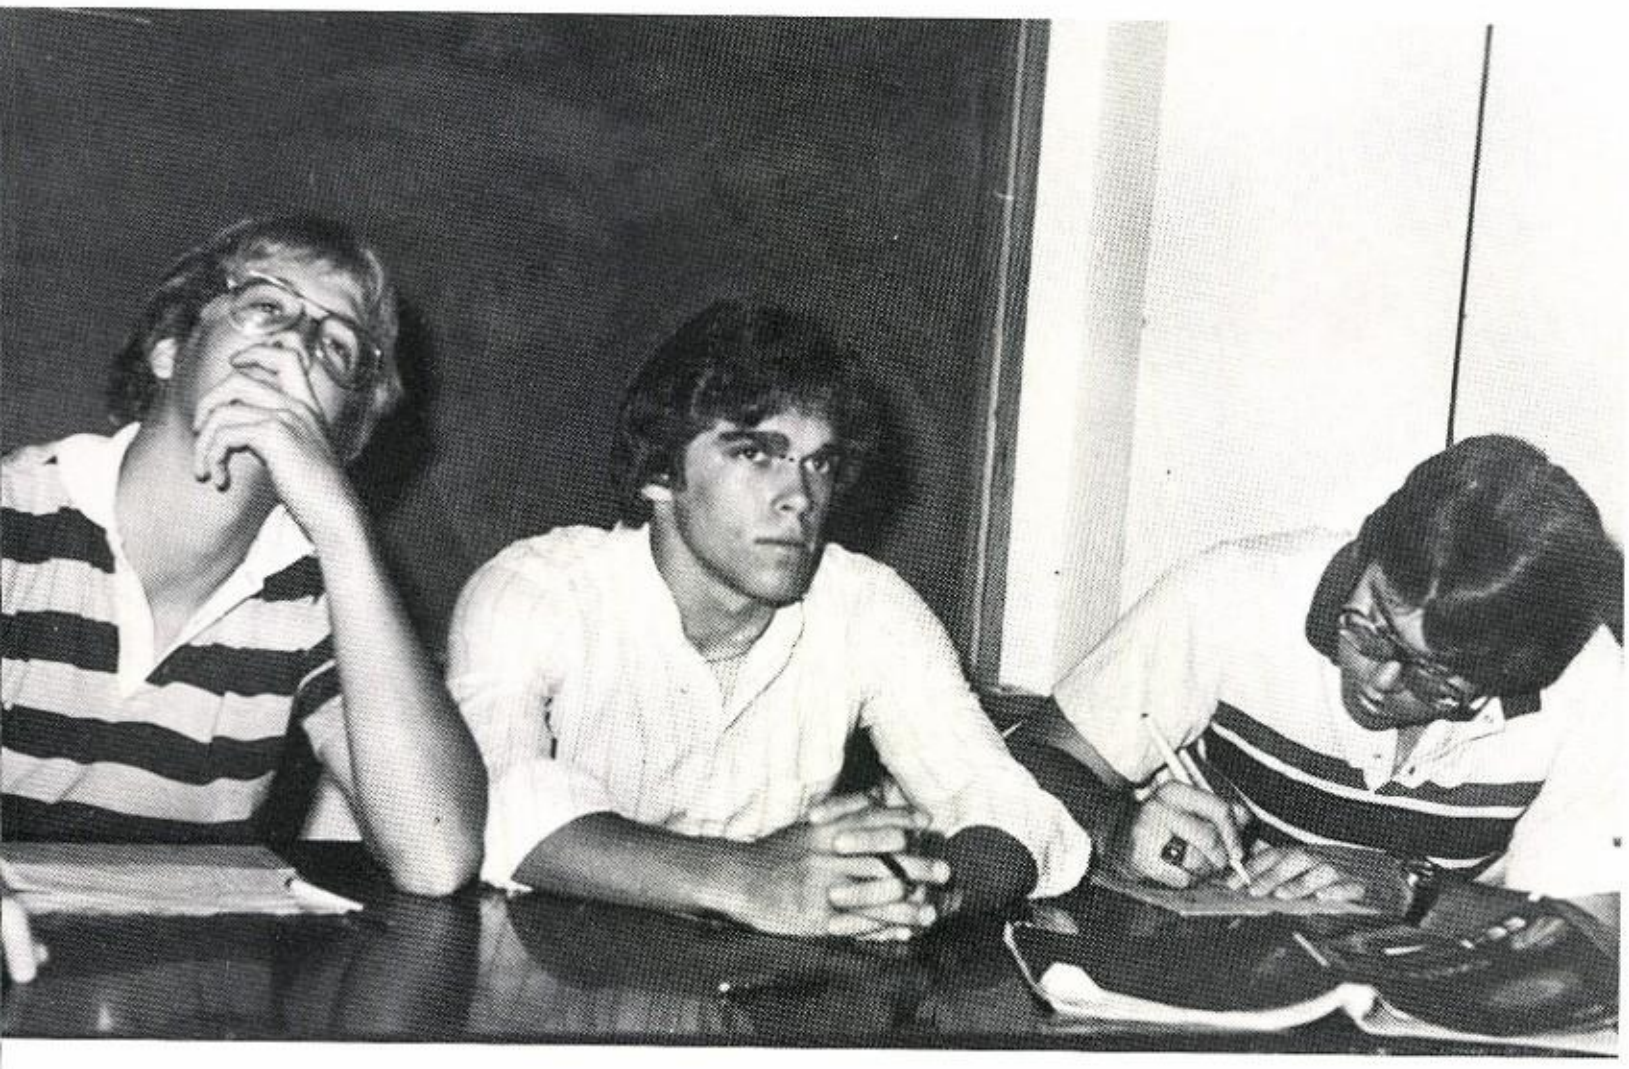
Business Law Offers Field Trip



There are several things that a person looks forward to when taking the course called Business Law. The first thing is the annual visit to the Dallas County Courthouse. Students had a choice of hearing cases or going through the jails. Of those who heard cases, many felt like they were watching an old Perry Mason re-run. The different cases ranged from arsony to theft. Those who went through the jail got to see how criminals were fingerprinted when they were brought in. This visit to the courthouse was all in preparation for each Business Law class to hold a Mock Trial. The lawyers and the witnesses were appointed and the case began. Each side spent several days preparing to give their side of the case. Whether the accused was found innocent or guilty by the jury, all learned more about court proceedings. Pictured are three lawyers who have mixed emotions over their trial. They are Russell Dalton, Daniel Hargrove, and Bill Parlett.

Zero Period Has Many Advantages

How many of you brave souls have experienced having a zero period class? Well, you haven't really lived till you have. All you have to do is to get up and race to school before the 7:30 tardy bell rings. Now is that too much to ask of someone? There are several advantages to having a zero period. First, you'll always get a parking sticker because you are already at school early. Also, if there is any kind of assembly, you are sure to get a ticket to that. Another good thing about zero period is that you get to go home an hour early. If you're really lucky and have some vocational class or a work permit, you might get to leave two hours early. Zero period is open to any Junior or Senior who is willing to drag himself out of bed an extra hour early. Don't worry about being bored in zero period, you have a choice of taking anything from English to typing. Pictured is Mrs. Watson's dedicated zero period Typing II class. The Annual Staff would like to give them a special thank you for all their help typing pages for the annual.

Freshman Class

"High school at last" is the phrase that's on the minds of most freshmen when they enter North Mesquite. The new phase of life is shared by the Freshman Class Officers. They are **Keri Baird** — President, **Shann Barton** — Vice President, and **Dawn Naberhaus** — Secretary.

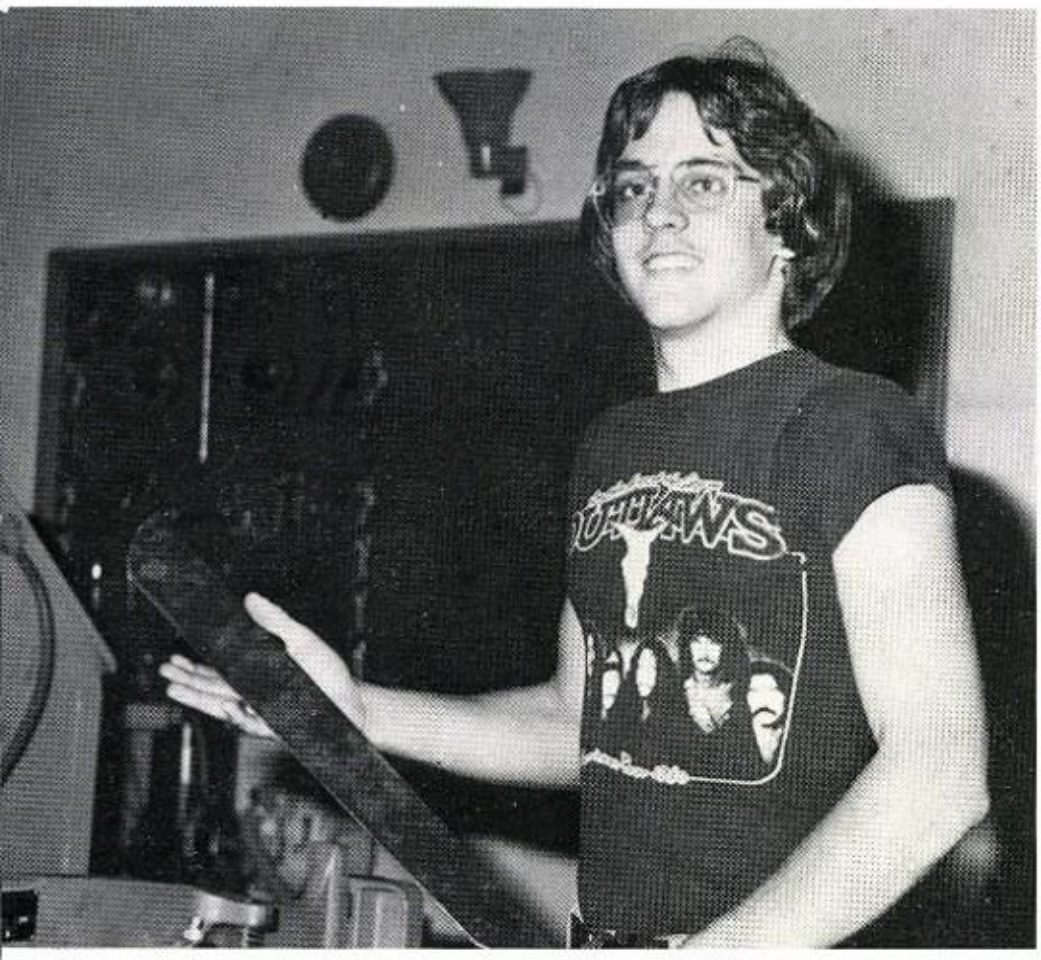
Freshmen Adjust to High School Lifestyle.



Power Mechanics is offered to any Junior or Senior at North Mesquite. During one half of the year the students learn about Power Mechanics. There are various projects to be made over the year. Some are Machettes or motor supports. By the end of the year, a student would have a general idea of how machines work. Taking apart a lawnmower or car engine and being able to put it back together would be skills learned through Power Mechanics. Most of his classes average twelve to thirteen people and are taught by Mr. Robert Carter. Donnie Kahlig gave his reasons for taking Power Mechanics: "I'm planning on going into Welding Technology after I graduate and thought this course would help me."

Frosh Begin New Way of Life

What is a Senior's memory, a Freshman and Sophomore's dread, and a Junior's nightmare? Give up? It is also black and white and red *all* over. Of course, it is the Junior Term Paper. At almost any time during the year Juniors can be spotted in the halls with stacks of library books, dictionaries, 4x6 index cards and a worried look. A Junior who is in the middle of his term paper can be readily spotted by the bags under the eyes due to a lack of sleep occurring from an all night typing session, or trying to get the footnotes to end exactly one inch from the bottom of the page, or from the reoccurring nightmare of losing his First Draft. These memories will live in Keith Yeoman's mind long after the Final Draft has been graded.

Freshmen Plan Future in School

Music plays a very important part in the life of Junior Doug Herndon. He has been a tuba player in the Big Blue Band since his freshman year. Currently Doug is active in the Jazz Band, Honors Band, and Orchestra. Besides music, Doug is involved in Scouting. He has been a Boy Scout for the past nine years, and recently became an Eagle Scout. Doug enjoys scouting because of the feeling of self accomplishment and self reliance he has learned on the many camping and hiking trips he often takes. Doug enjoys raquetball, waterskiing, and mountain climbing in his spare time. Playing the bass guitar, watching old movies, (especially Bob and Bing) are some of his other hobbies.

Frosh Manage Struggle 1st Year

Remedios Abarquez was born in the Philippine Islands in the city of Manila. She and her family moved from the tropics to Michigan when she was eleven. From Michigan the Abarquez family moved to Florida and then to Texas. Speaking the English language was not difficult for her since English is a required subject in the Islands. Remedios thinks America has more freedom and chances for opportunity, but she misses the parties and customs of the Philippine holidays. After attending Eastfield, she plans to go to the University of Southern Florida and major in Business Administration, ultimately owning a dress shop or a disco. Remedios is active in Pacesetters, dance, and loves to play basketball.

Freshmen Fall Into the Stallion Spirit

Few employed students consider the work they do a hobby, but DeeAnn Muldoon is an exception. A friend of DeeAnn's introduced her into a four-year-old jewelry company known as Classique Creations. After being introduced, she decided she liked it so much she wanted to get involved. When asked why she considered her job a hobby, DeeAnn answered, "Because in the process of working you are given the opportunity to meet different kinds of people." The jewelry, which DeeAnn sells in her own home, is 18 karat gold electroplated, and it has a life-time guarantee. The showcase includes bracelets, rings, necklaces, and earrings. She commented, "The best part of all this jewelry is the prices, which range from four to fifty dollars." DeeAnn then added, "As far as working goes, it has been a great learning experience."

New York, New York Comes to North Mesquite

Timothy Bracey went to school last year in Brooklyn, New York. The name of the school he attended was Sarah Jay Hale and Timothy says it was more of a place to hang out than a place to learn. In New York public schools there are no air conditioners and students don't have their choice of classes. Timothy feels the education at North Mesquite is much better. According to Timothy, the people of Mesquite are much friendlier than New Yorkers. "People in Mesquite will come up and introduce themselves to me, but in New York you would be considered crazy if you said hello to someone you didn't know," he said. But Timothy would still like to go back to New York. He was employed as a model while still living there. Timothy also has a great collection of hats, and is frequently seen about campus wearing one.

Freshmen See Changes in Life Style

The preliminary Scholastic Aptitude Test was given to seventy Juniors and Seniors. The test which was given in the library by Mr. Scott and Mrs. Wood, cost $3.75. This amount covered expenses for administering the test. The PSAT was given on Tuesday, October 21. Students taking the PSAT got out of their 1st, 2nd, and 3rd period classes. The test consisted of a fifty minute test on verbal skills which contained sixty-five questions and a fifty minute mathematics test which contained fifty questions. The test is very hard and challenging. By taking this test, students can find out how they rank among Juniors and Seniors across the country and also get experience for taking the actual SAT. Very high scores on the PSAT may qualify exceptional students for a National Merit Scholarship. Students such as Kim Smith often get advice from counselor Bill Scott.

Freshmen Look to Senior Leaders

Ray Hill has an interesting hobby. He likes to shoot off rockets. No, he is not an employee of NASA, the rockets Ray fires are small rockets made out of balsa wood. He started this hobby when he was in the 7th grade (Ray is now a Senior). He saw a kit and just thought it would be an interesting pastime. Since that time Ray has built and fired over twenty rockets. The packages are sold at hobby shops and the engines are sold separately. The price ranges from a meager $l.05 to $20.00. First Ray assembles the actual rocket and then he paints it. The engine has to be put in and then hopefully the rocket is ready to be fired. He does this in an open field close to his house. The rockets can reach heights of up to 2,000 feet. Another of Ray's hobbies is motorcycles. But he doesn't have to build his own motorcycles, just ride them.

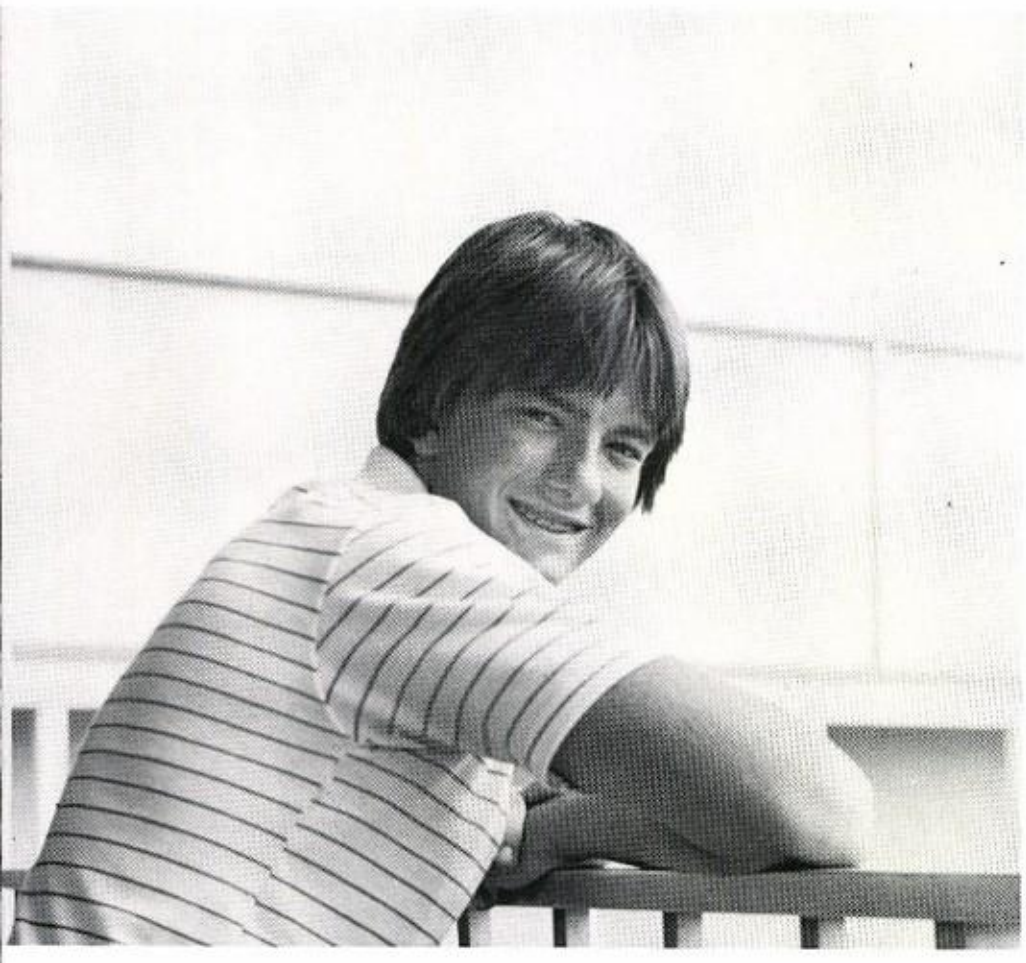
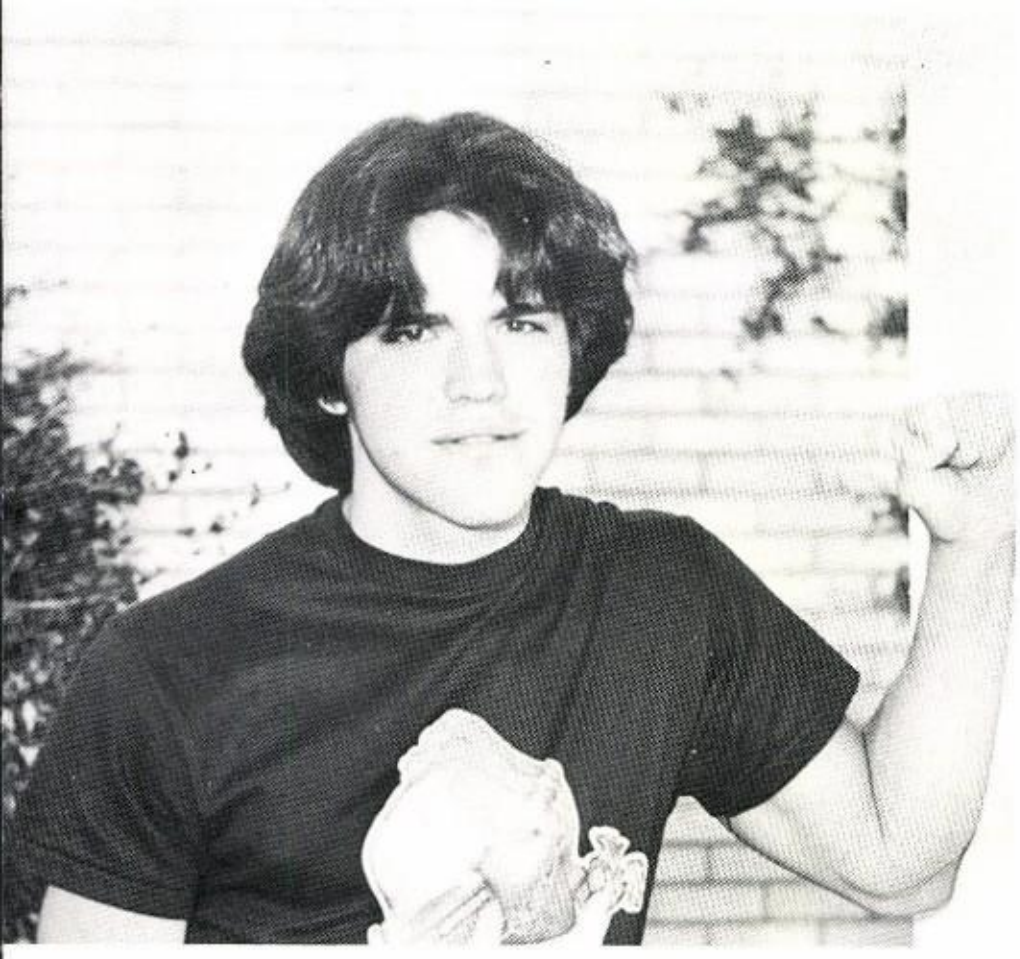
Frosh Look Forward to Sophomore Year



Working at the KNUS radio station, Kevin Sledge learned the steps to becoming a radio announcer. The station is located on the tenth floor of the Merchant's State Bank Building in East Dallas. "On a clear night," says Kevin, "you can see the lights of Town East Mall — a distance of 15 miles." His various jobs at the station included filing tapes, checking the newsline, and running errands for DJ Ray Zoler. Kevin noted that his favorite job was answering the request lines. He wasn't ever paid for the work he did there because it was only for the fun and the experience. "The reason I want to be a DJ," says Kevin, "is because I love to entertain for people, usually in stupid, crazy ways, but it's something I can do and I think it would be a great job." He then added, "I think people will be hearing my voice on the radio within five years if everything works out."



Jeff Hughes, a sophomore, has accomplished more in his life than most people will ever accomplish. Jeff's hobbies include skydiving, scubadiving, flying airplanes and hot air balloons. Jeff and his father train people to scubadive and skydive. Jeff skydives from the Seagoville Airport with a skydiving team called Outlaw. They have performed at different events, one was diving at a Dallas Tornado soccer game. Jeff also scubadives, he has been to the Bahamas and throughout the Caribbean Sea. He is looking forward to a trip to Jamaica. Jeff's other hobbies include riding Harley Davidson motorcycles, listening to music, and playing the guitar with friends, whom he would someday like to form a band with. After graduating, Jeff says, "I want to have fun and be a rock star."

Mr. Robert McCarty has been a teacher in the MISD for twelve years. He taught at Agnew Middle School for four years before coming to North Mesquite in 1973. Mr. McCarty grew up in Dallas and went to college at NTSU, ETSU, and the University of Maryland. Mr. McCarty teaches history, and he really loves it. He is a very good and highly respected teacher. Before teaching, Mr. McCarty was in the Air Force. He was an instructor of aircraft maintenance. He was stationed in Japan, Alaska, and Texas. His hobbies are wood-working, and writing in his spare time. Asked about his philosophy on teaching, he said, "People who do not have self-discipline cannot learn; therefore, they do not have the right to pass, and can't contribute much to society."

Finding a teacher to do a special feature on might be hard, not knowing their hobbies. However, Mrs. Bowdoin shows her hobbies through her school spirit. Mrs. Bowdoin has been teaching for seventeen years, nine of which have been at North Mesquite. Her teaching abilities include Freshman English and World History. Along with English I she also teaches CVAE. When we asked Mrs. Bowdoin if she thought school spirit is important, she said, "If the school can't be united in one thing, then it won't be at all." After not missing a varsity football game since she has been teaching here, she also likes to attend baseball, basketball, and volleyball games.

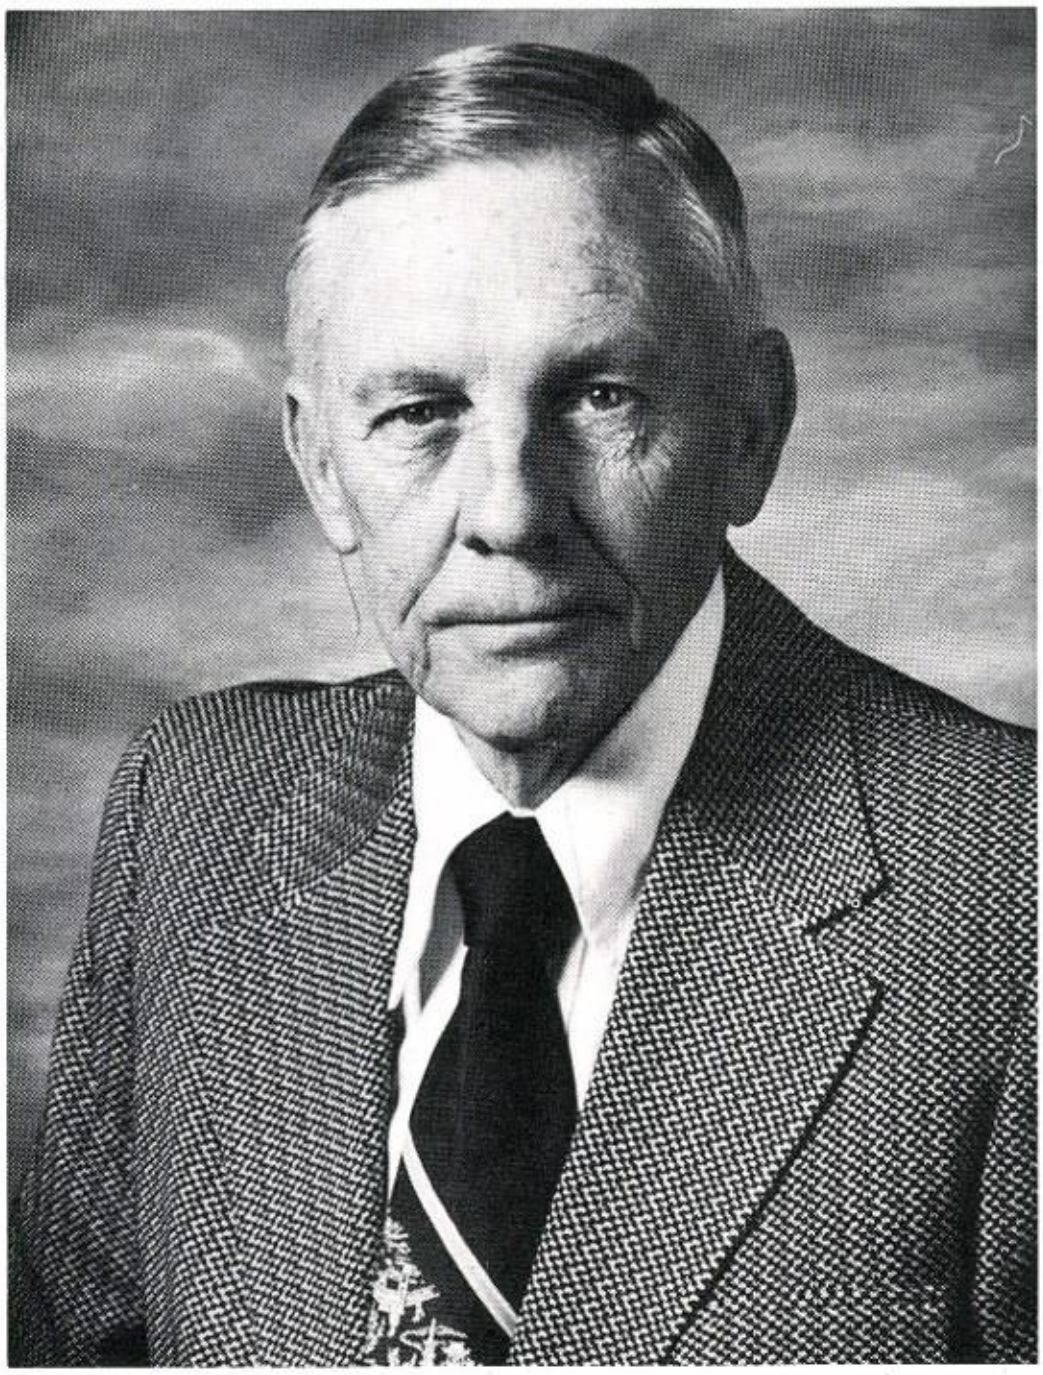
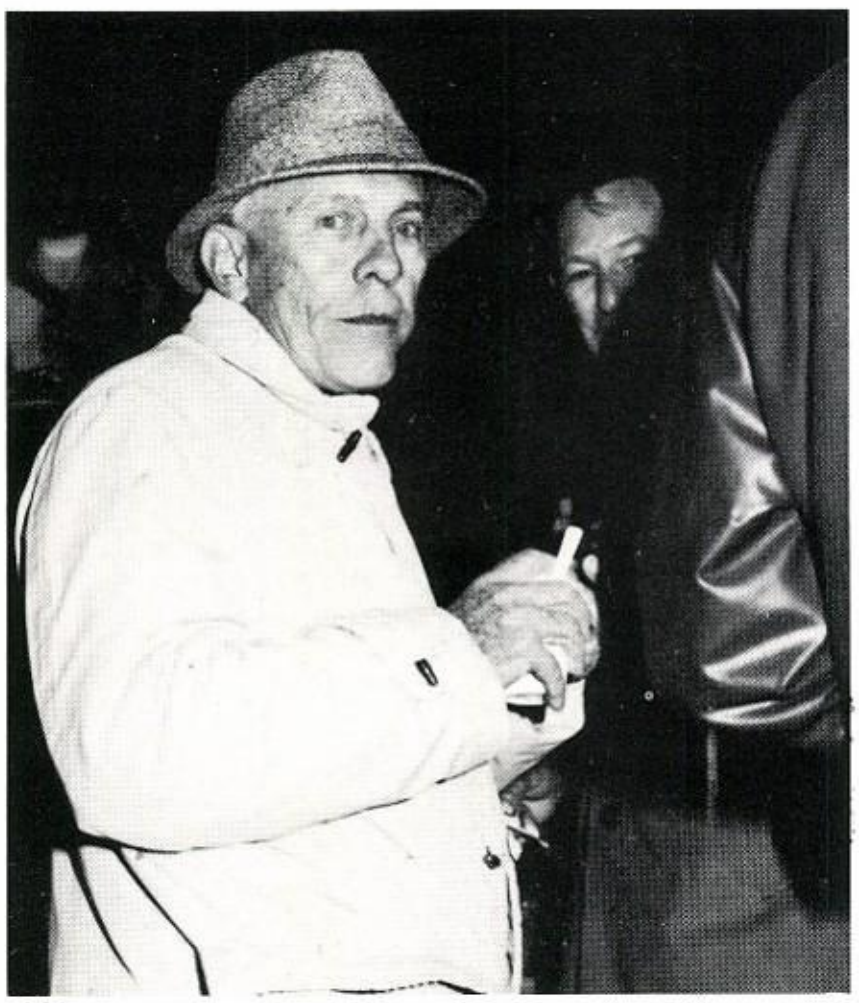
DEDICATION

Mr. Tony Anderson



The North Mesquite Annual Staff is honored to dedicate the 1980-81 *Trailblazer* to Mr. Tony Anderson, band director of the Big Blue for 10 years. Mr. Anderson is retiring at the end of this year, but will continue his music by judging band contests. He has been directing bands for 39 years and said, "I'm 65 years old and I've been here long enough." Mr. Anderson has a reputation for having award winning bands and has kept that tradition going ever since he came to North Mesquite High. During his years at North Mesquite, the Big Blue has consistently been a sweepstakes winner in UIL contests and he has directed numerous all-state band members. Mr. Anderson was awarded the highest honor a band director can obtain in a year by receiving the 1981 Bandmaster of the Year by the Texas Bandmasters Association. Mr. Anderson has helped many students to obtain scholarships and to work to further advance their career in the field of music.



Martha Adcock Inspires Students

Government and Twentieth Century Europe teacher Martha Adcock was chosen by her students as The Teacher of the Year. Along with the honor she received an engraved plaque presented to her by the Student Council. She is well known for her ability to give notes after notes after notes every day. Her teaching is always filled with lots of creativity and she said, "I enjoy teaching and I love to put my personality into it." Ms. Adcock has become a very close friend of many students at North Mesquite. Her teaching career spans thirteen years, and she plans to continue it for the rest of her life. One of Ms. Adcock's favorite pastimes is reading. Another one is visiting her parents' farm in Oklahoma. She said, "I am always getting homesick for farmlife;" and visits her home in Antlers as often as she can. She attended Southeastern University and obtained a masters in Liberal Arts from Southern Methodist University.

STUDENT LIFE

Much more than the three traditional R's (reading, writing, and arithematic) occurs on the North Mesquite campus. When books are put away, students participate in all sorts of school related activites. Students are encouraged to take part in every thing for blood drives to the Junior-Senior Prom. Being active in such things promotes school spirit. Even with the addition of new traditions — namely the Book Fair and the Sadie Hawkins dance, old familiar activities like crowning the Homecoming Queen will always continue to be favorites in many student's minds.

Movie Mania Hits NM

The intent of an annual is to recount the school year. What could be a better way than to have all 2,500 students and teachers be the main stars of the show? That's the reason for a movie theme. Whether you are the urban cowboy type or the "Star Wars" type, you are a vital and important part of this school. Without each person in this school the story wouldn't be complete. Therefore, you are the stars of this show!

Annual-Signing Party

For several years, the annual staff has sponsored the "Annual-Signing Party" on the evening of the first day of the new school year. At the party students receive their annuals from the preceding year, reminisce with summer's lost friends, have a coke, and write their feelings in each others' books.

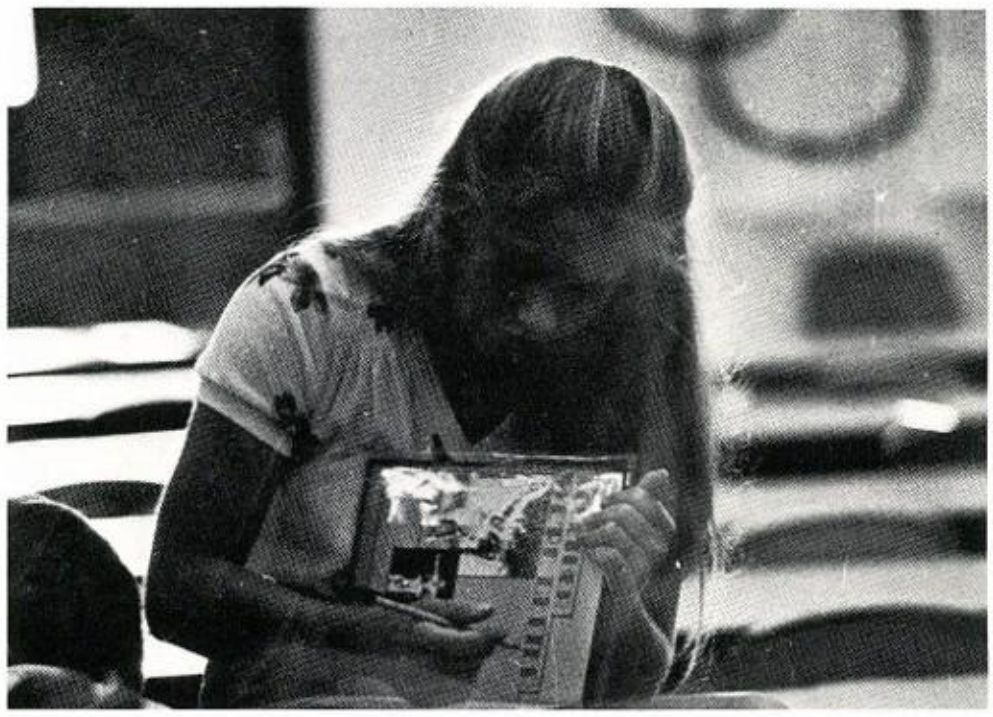
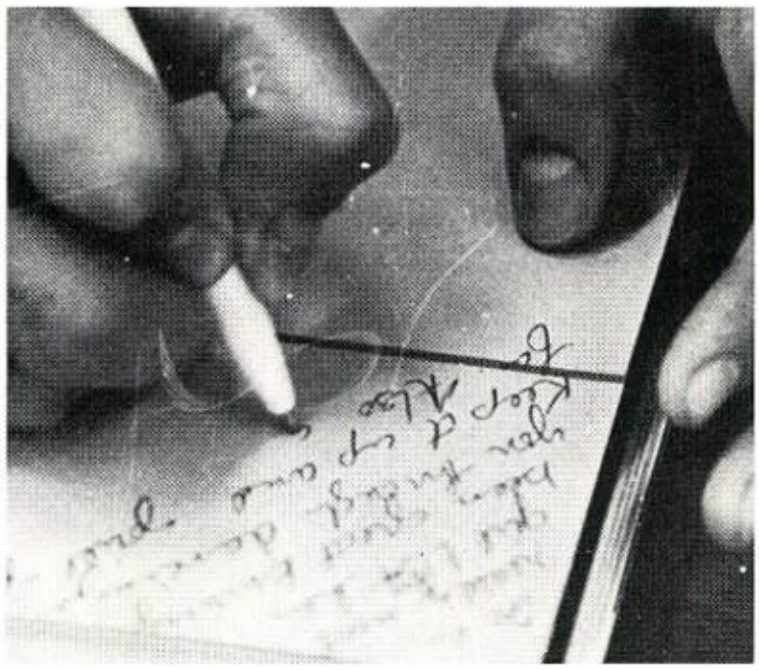
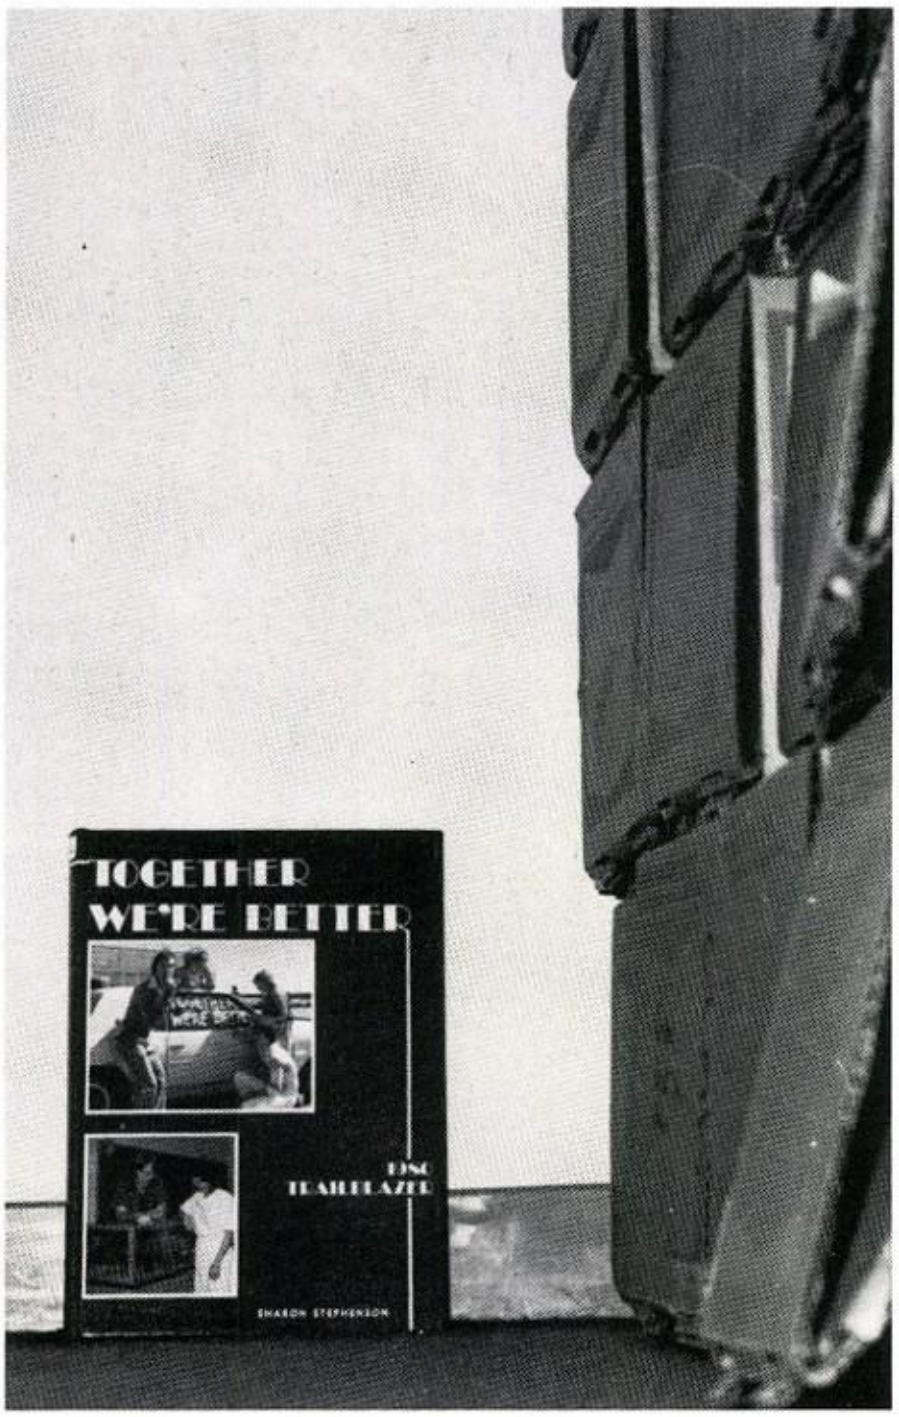
Provides Annuals and Excitement







The teachers assisted with the distribution of the annuals while the Stallion Battalion members took care of the refreshments. Plastic covers and extra annuals were also sold. A free-play jukebox and lots of people's excited shouts combined to create a noisy and active, but fun atmosphere. But, before any of these festivities began, there was over 1800 books to be sorted, checked, and alphabetized. A few days before school started, the annual staff had to perform these various duties before the annuals could be given out. Staff members also had to get the cafeteria ready for the big party by making posters. Finally, the night arrived and amid the noise, book signing, and confusion, wonderful memories were made on this first social event of the school year.

Flood Day Brings

One of the most unforgettable events that affected all NM students was a plumbing mishap that affectionately came to be known as "Flood Day." On September 12, 1980, just before 3rd period ended, a pipe in the girl's D floor bathroom burst, sending thousands of gallons of rushing water in to D floor and down the stairwells to C, B, and A floors. Several students who were on a floor other than D floor said the water coming down the stairs looked like a waterfall. During the rest of 3rd period, which was extended for 2½ hours, students, teachers, and even Principal Mr. Campbell rolled up pants legs and with mops and brooms in hand, worked together to clean up the water. Not only were school personnel cleaning up, the local fire department was called. They brought machines resembling "R-2-D-2" that helped suck up the water. Flood Day will remain in the minds of students as one of the most chaotic days of the school year.

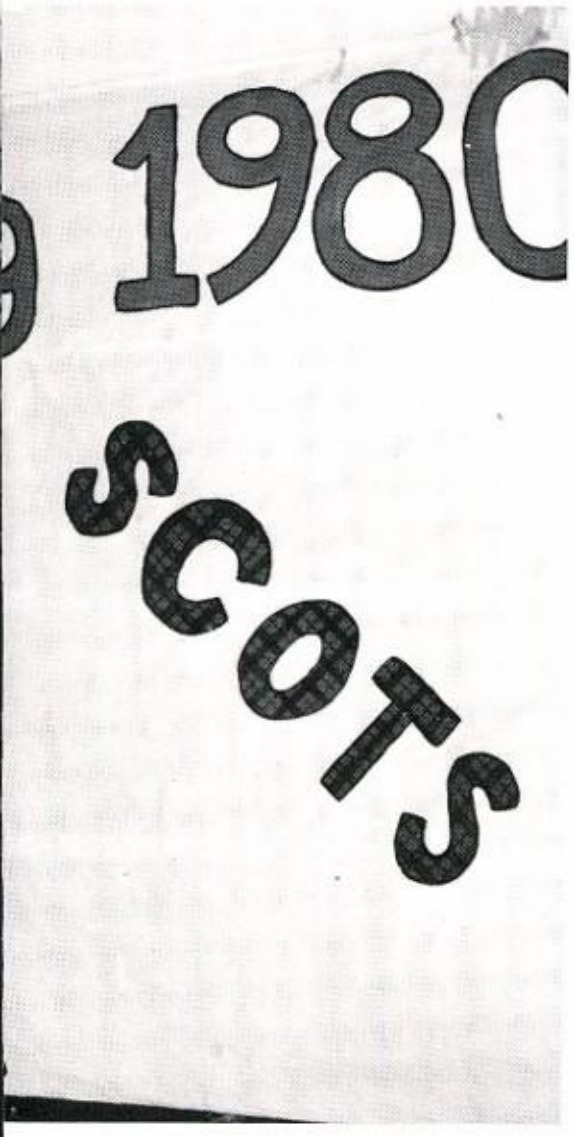
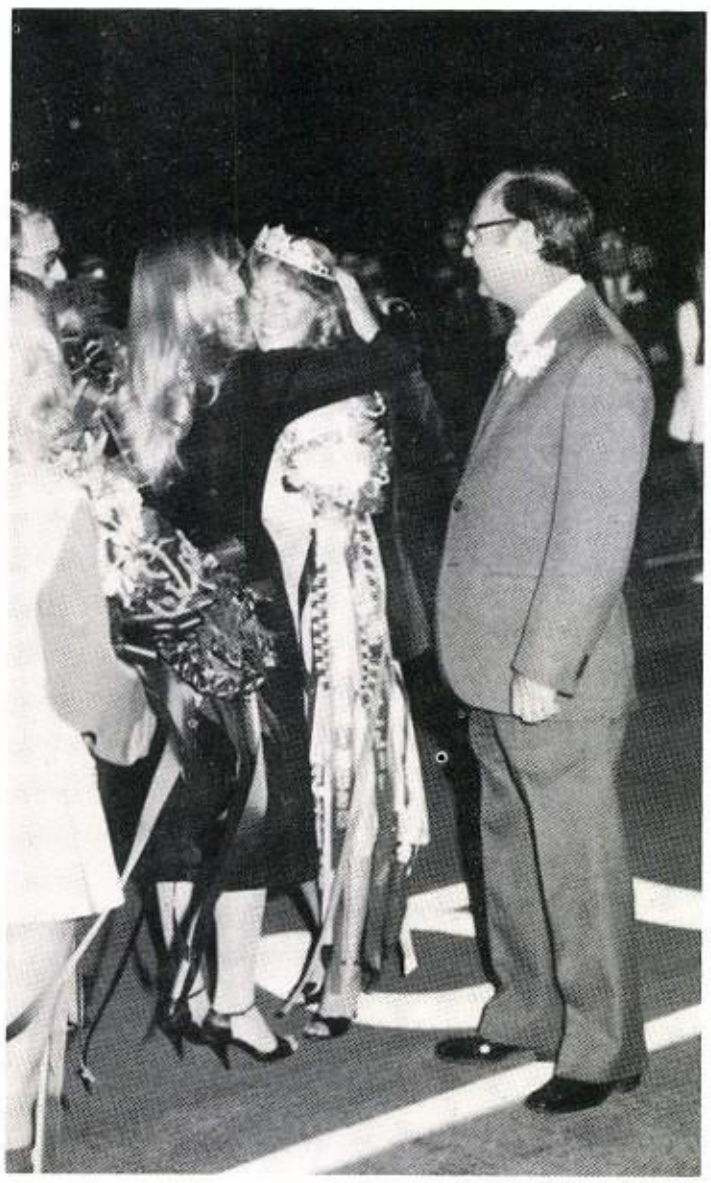
Tears and Happiness





Jingling bells fill the air with spirit as girls weighted down with mums prance through the crowded NM halls laden with blue-and-white streamers and multi-color painted posters. Excitement and anticipation builds up as the stage is set for that long awaited day — Homecoming.

Once again the pep rally is a huge success. There has never been as much spirit in the gym as on this day. From the moment of the first cheer to the last note played by the band there is noise echoing from every corner in the gym. There is not a student present who isn't expressing spirit in one way or another. One Homecoming honor is announced, "the Stallion Battalion Sweetheart is Dawn Simmons." The other honors must wait. As Stallion fans rush home to get ready for the football game, the five nominees for Homecoming Queen await anxiously for the outcome of the evening.

The band and pacesetters march on to the field as pregame activities begin. Homecoming nominees are escorted by their fathers to the center of the field. The plot is the same, but the cast of characters is different. The stands are hushed as the enthusiastic announcer opens the Homecoming ceremonies. "The Band Sweetheart is Ann Cuello and the Football Sweetheart is Cindy Gideon. The Homecoming Queen runners-up are Davina McCarty, Teresa Axton, Sherri Jenkins and Lori Bannister. And now, the 1981 Homecoming Queen is . . . Laura White!" The band plays energetically as the fans jump out of their seats cheering. As tears stream down her face, Laura White is crowned by Laci Folks, reigning Queen of 1980. After the tension has passed, the Homecoming Court and Sweethearts settle down to enjoy the game. The excitement is past, but the spirit of the day still remains; a new reign has begun.

Boots, Hats, and Jeans

The movie "Urban Cowboy" has had a big effect on fashion. Most students own at least one pair of Western jeans and boots. There are two days where everyone is encouraged to dress like cowboys and cowgirls. The first is Western Day; on this day, urban cowboys and girls emerged in everything from straw hats to customized felts with elaborate feather bands. Faded out Levis to expensive designer jeans were worn in honor of Western Day. The other day is called Boot Day. To promote spirit for the North Mesquite/North Garland game everyone was asked to wear their cowboy boots. Some people had lizard and alligator "customs." The Stallion Battalion sold boutonnieres in honor of the day. These two days seem to have let the urban cowboy in all of us out.

Blood-Drive Provides Needed Blood

The blood drive turned out to be a great success. Students and teachers together donated a total of 102 pints of blood. Of course the usual side effects occurred again. Wadley Blood Bank was prepared for these misfortunes by supplying orange juice, crackers, and Oreo's to weak feeling students. The Student Council once again sponsored this annual event. Only the students who were 17 or 18 were able to give their donation and those that were 17 had to have their parents' permission. All those who gave blood received a Heart shaped sticker to wear that said, "Be nice to me, I gave blood today."

Book Fair — a New Tradition

If you saw your friends reading a new book, most likely they were purchased at the North Mesquite Book Fairs held December 3-9 and March 3-5. The book fair was sponsored by Mrs. Lavonne Dennis, Mr. Ron Taylor, and the English Department. The event was held in the cafeteria during the lunch periods. Over five hundred books, supplied by B. Dalton Bookseller, were sold. Along with paperback and hardback books, magazines were also sold. The English Department sponsored the book fairs to emphasize the importance of books and reading. The profit made from the book fairs went to furnish the English Department with materials and equipment.

Reading Day Interests Students

Reading Day was such a success last year it was expanded. For 1980-81 there were two Reading Days. They occurred on December 16 and March 11. The Reading Days were also changed from one period to an all day event. The entire school was required to read during the designated third period. Students and teachers read all kinds of books and magazines from mysteries to romances to Sports Illustrated and Time. The Reading Days were sponsored by the English Department in an effort to encourage people to read more and see the benefits of reading. The Reading Days were considered a success by both the English Department and the students who took the time to catch up on their reading.

Jump-Rope-A-Thon Gets Things

Students from Mesquite Independent School District participated in the annual Jump-Rope-A-Thon sponsored by the American Alliance for Health, Physical Education, Recreation and Dance. The purpose of this national event is for students to promote Physical Education and cardiovascular health while raising funds to help local Heart Associations fight heart disease and stroke victims.

On March 13 North Mesquite held the Jump-Rope-A-Thon at the back tennis courts. Each group consisted of six people, who jumped three hours at the most. They received money from their sponsors based on the length of time they skipped rope. North Mesquite raised $6,547.38. The Jump-Rope-A-Thon was a great success for the Mesquite Independent School District because it raised a total of $84,334.00 for the American Heart Association which is over $27,000 more than last year.

Honor Society Induction

The North Mesquite Chapter of the National Honor Society held their formal Induction Ceremony on March 10, at 7:30 p.m. After the many parents and friends were seated, Laura White, President, welcomed the guests and started the ceremony. Mr. Campbell gave a brief speech on scholarship and leadership before Mr. Council led Unity in the singing of some special songs. Each officer then gave a speech on such qualities as Leadership, Scholarship, Service, and Character. These are some of the necessary qualifications to be in the Honor Society. Each officer then lit a candle which signified unity. The presentation of new members followed. As each new member's name was called they walked across the stage to be presented either a carnation or boutonniere by Bud Champion or Darla Denton. A brief profile on each person was read as they crossed the stage. The new members then took the NHS pledge given by McGraw Smith. Current members were then acknowledged and the ceremony ended by Keith Williams giving the Benediction.

Prom Night Creates

The Junior-Senior Prom is a very special occasion in everyone's life. The many who attended the Prom will never forget the night as they went home with fond and precious memories. The memories of the dance and being with friends will live long after the corsages have dried up and been put away.

Special, Lasting Memories

The annual Junior-Senior Prom was held at the Dallas Hilton Inn on April 10. The theme, "Sayonara," was carried out by having Chinese fans and bells on the tables and chopsticks for favors. Jimmy Darnell gave the welcome address and thanked the many people who helped the Junior Class Officers with the arrangements for the Prom. Blake Foster gave the response, followed by Kyle Baird giving the blessing. The buffet was then served. It consisted of beef stroganoff, chicken, vegetables, rolls, and small cakes for dessert. After everyone had finished their dinner the long lines for picture-taking soon began. The dance started off with the Senior Walk and for the rest of the evening couples danced to "Disco Delight." Every variety of music from country to rock was heard. After the Prom, many post-prom activities were planned. Some went to see a movie, while others went off to quiet places to talk. As these activities went on until the early hours of the morning, some students went home to catch up on sleep while others went with friends for an early morning breakfast.

Outstanding Stage Show

After many hours of practicing, the Pacesetters had their last performance at the Pacesetter Stage Show held April 28. The theme of the show was "The Best of Times." All the routines were choreographed by members of the drill team. The show included both dances and comedy skits. Pacesetters were not the only ones who performed. Several senior guys did their version of "9 to 5" and "Star Wars."

The show began with the introduction of Senior Pacesetters by the Master of Ceremonies Robert Fitzgerald and Marc Coffman. The Seniors then did a country and western routine to "Orange Blossom Special" and "Hello Texas" and the time change routines of "Charleston," "Boogie Woogie Bugle Boy," "At the Hop," "Let's Twist Again," "Get Off" and "Whip It." The Juniors performed routines to "The Wanderer," "I Could Have Danced All Night," and the punk "Rock Lobster." The officers did an energetic routine to "Fame." It was followed by a slide presentation showing the Pacesetters during camp and football season. The 1980-81 Pacesetters then performed their last routine with a kick finale to the traditional "Day Break." Big sisters then presented their little sisters and 81-82 officers were announced along with next year's JV Drill instructors.

Big Blue Goes to Corpus Christi

On April 24th, the Honors and Symphonic Bands loaded four Greyhounds and headed for Corpus Christi for the annual Buccaneer Music Festival. The trip was an overall success except for a few minor mishaps. One of the buses had to be returned to Austin in the middle of the five o'clock traffic amongst a seven car pileup with 44 impatient students because of the loss of the air conditioning. One of the major events of the trip was "waiting", such as waiting for the room keys for forty-five minutes, going to Ship Ahoy restaurant and saying "party of 160, how long will it be?" Then waiting for about an hour to get seated. Another experience was waiting in the Kentucky Fried Chicken parking lot for an hour and then finally getting the chicken but not getting to eat it for another hour, until reaching Padre Island. Finally the biggest mishap of them all happened to be a judge, the eldest of the three, which was 83. He happed to be an old rival of Mr. Anderson's, and he was still holding a grudge. But all in all the trip was a real success. Mr. Anderson received a "Good Luck" cake at Ship Ahoy from the band and responded by saying, "This was the best group of kids that I have ever been with on a Corpus trip."

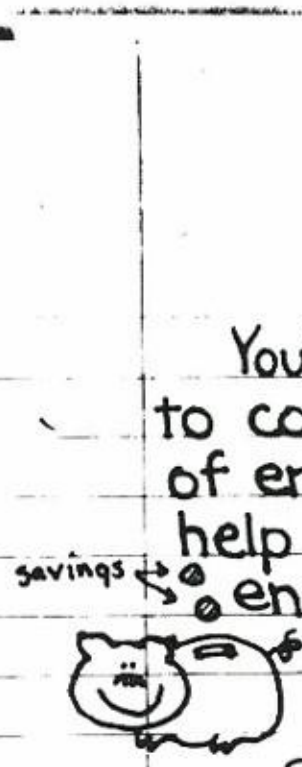
BUSINESS

Without the
aid of industry and sales,
a community could not exist. So
it is with the high school community.
Taxes paid by local businesses support a
portion of the educational expenditures.
Operational expenses are never ending and
local industry aids the financing of the school.
Business also supplements the cost of athletic
programs and donated merchandise for various
theatrical productions. In addition to the sales of
yearbooks, the cost of production is aided by
the use of the advertising section. As well as
supporting high school education,
businesses award outstanding
students with scholarships for
higher education.

You can help.



You've heard a lot about the need to conserve electricity and all forms of energy. Not only does conservation help save our nation's precious energy resources, it helps you and your family save money since the cost of energy is a big chunk out of most families' budgets. You can help your family by doing your part... make sure you close doors and windows when the heating or air conditioning unit is on; don't "graze" when you raid the refrigerator - know what you want before you open the door; hot water takes energy - try a shorter shower; and make sure the television or stereo is off when you're through with it. Work with your family to save energy now... you'll help make sure there will be enough for everyone when you start a family of your own.

Rodeo Team Takes First

The Rodeo Team members are: Front Row — Fred Thompson, Mike Frazier, Juanita McPhall, Dona Adair, Judy Gonyaw, Melanie Miller, Sherri Mercer, Shorty Robertson, Greg Ingram, and Marty Kueklahan. Back Row — Robert McReynolds, Mark Eaton, Mike McGee, Bobby Duke, Cody Mires, Brett Beavers, Walter Hughey, and Bruce Gleason.

The North Mesquite Rodeo Team was organized in 1973 and was originally a club with North Texas High School Rodeo Association. When Lone Star High School was organized, their membership was moved there. The Rodeo Team has entered every Lone Star Rodeo that has been held. They entered the 1981 Mesquite Rodeo Parade and won first place. The Rodeo Team now has twenty-two members. They meet each Monday night at 7:00 pm at the Elk's Lodge on Gus Thomasson.

In rodeo competition there are thirteen different events for girls and guys. The events include Bulls, Barrels, Poles, Saddle Bronc, Bareback, Goat Tying, Team Roping, Breakaway Roping, Calf Roping, Steer Undecorating, Steer Wrestling, Chute Dogging, and Ribbon Roping. Prizes for first place in a certain event are money ranging from $30.00 and lower. Trophies and plaques are also awarded for a win. Points for each event in a rodeo are given and tallied and work toward finals. Winners at finals usually get a buckle and a saddle. Entry fees are required and are about $10.00 and lower.

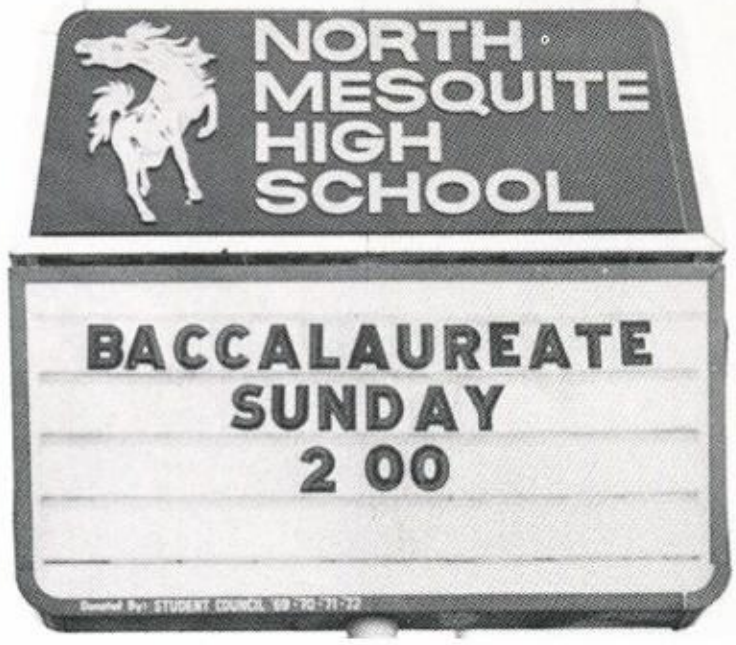
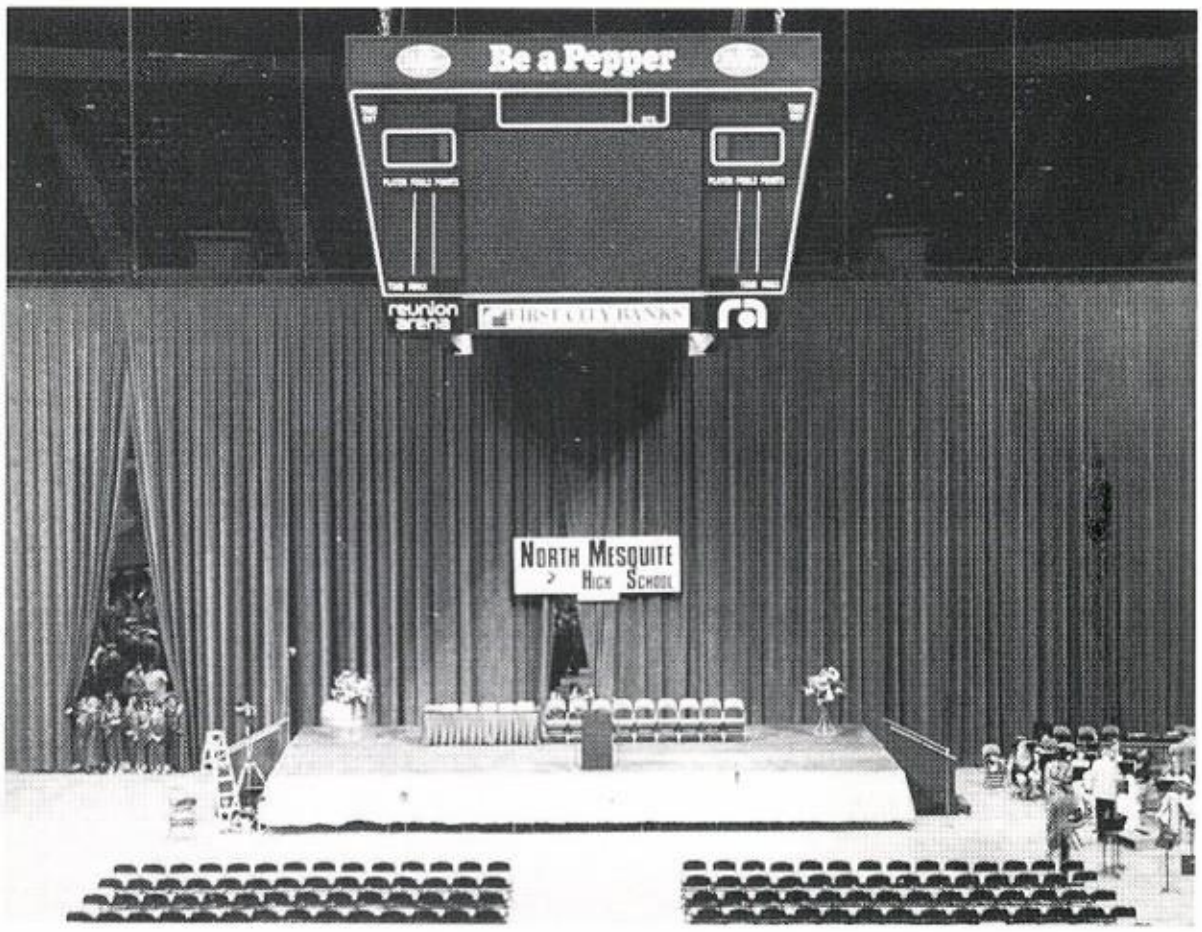
A long lonely, hall awaits viewers at the Loews Quad Central.

A New Beginning

The show is over.
The movie is done.
The lights come back on, and
We leave the theater. But
Somehow we are different
We are changed. For we
Leave with the story in our
Minds. We remember
The funny parts, the sad
Scenes, how we felt when
The hero succeeded, or
How we fought to keep back
The tears when he died. We
Watched the movie, and
In a way we lived the movie.
But the movie is over,
And the curtains are closed.
All we have left now are
The memories.





Your friends say they'll keep in touch. And you know they won't. Your teachers say come back and visit sometime. And you know that you won't. Maybe it won't matter then. But right now, it hurts a little.

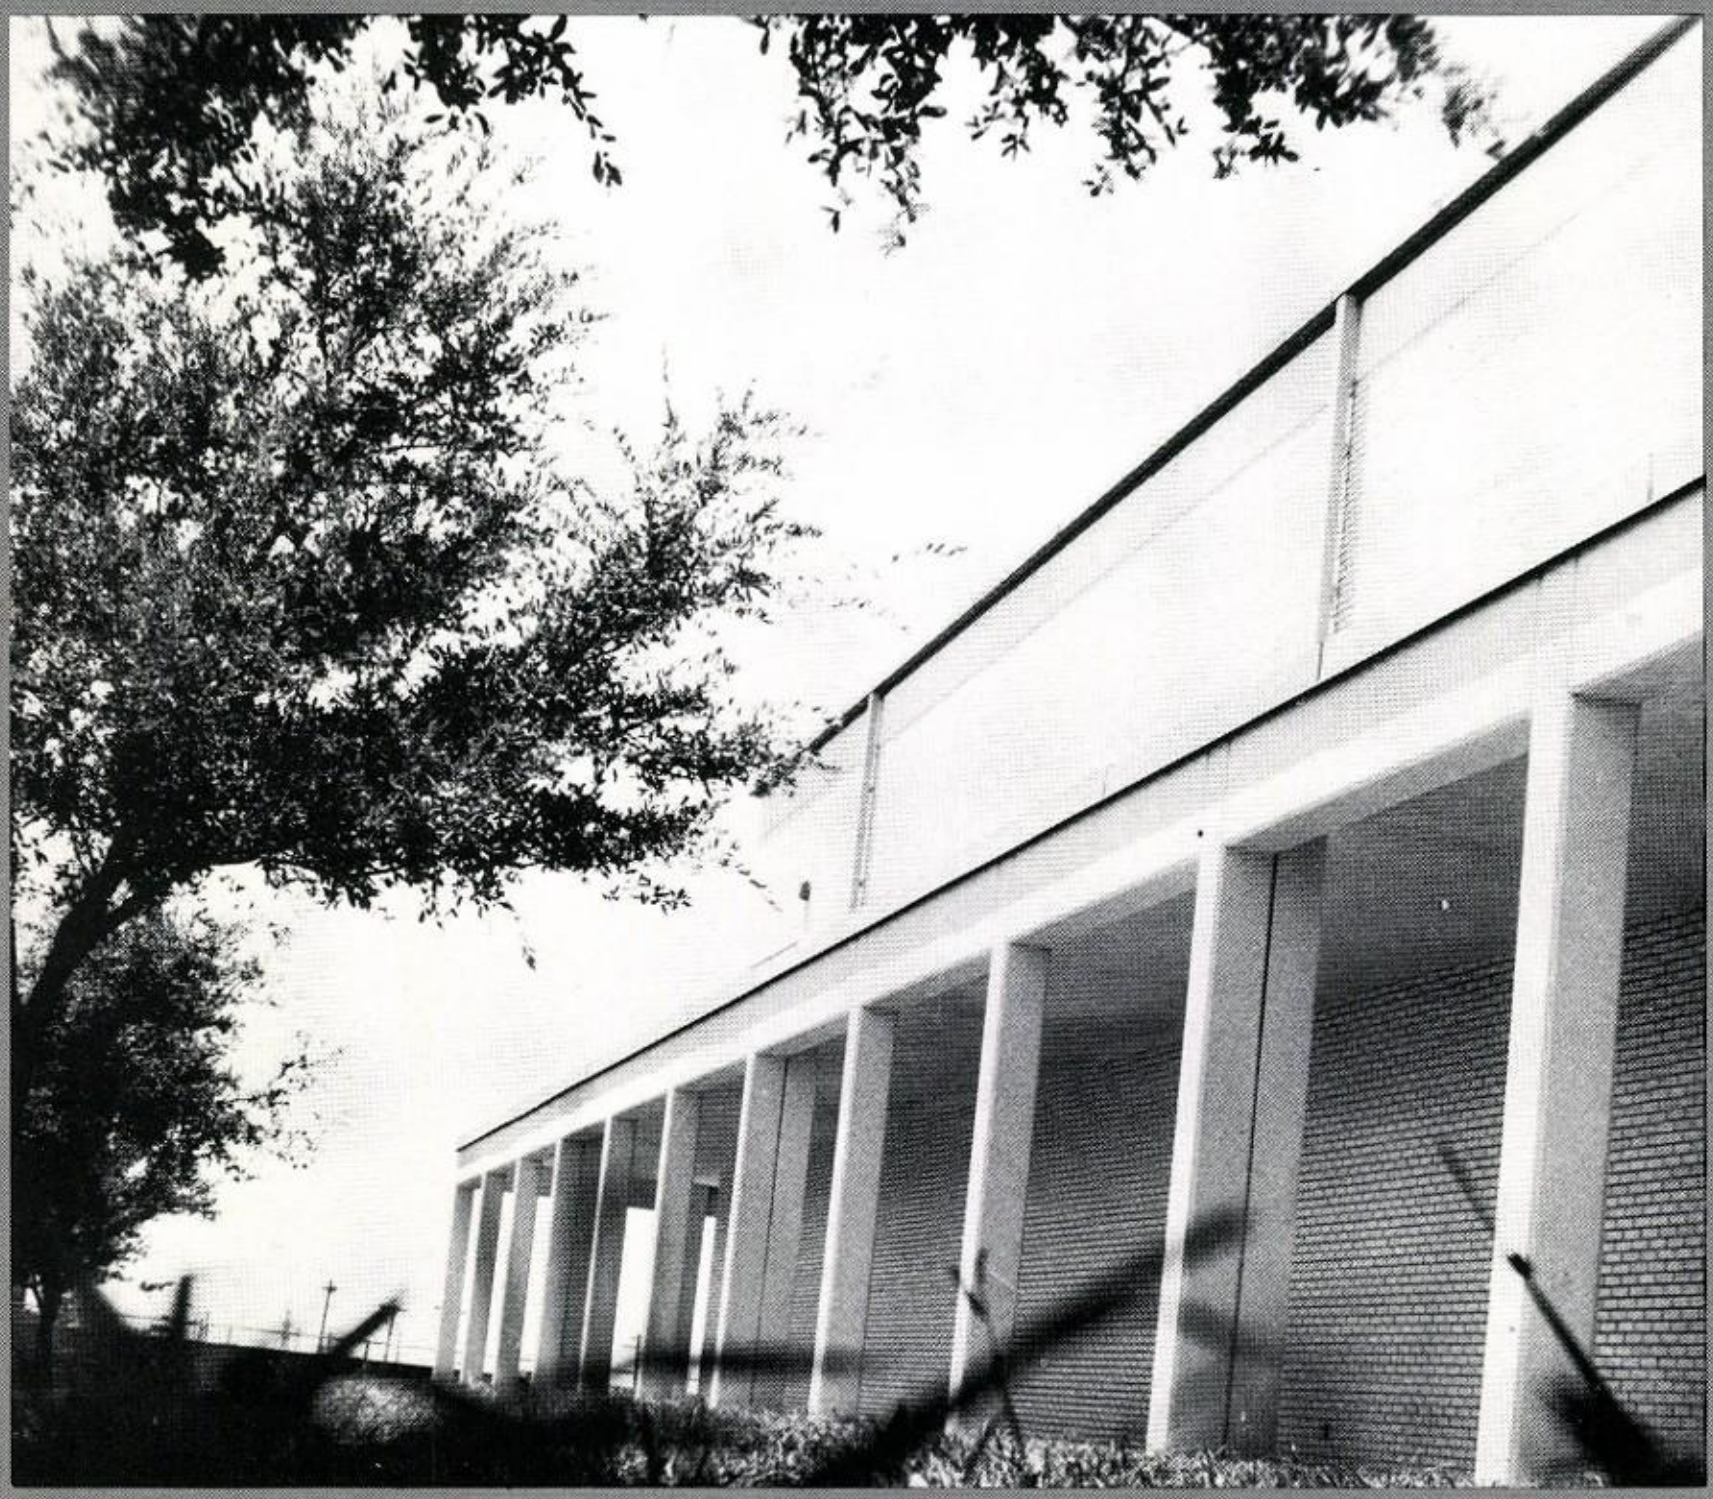
In Memoriam



Shelly Lantrip

If, as I live, I could
Become immune to beauty's call
And never see the wonder of a
Rainbow or of a leaf in fall
If I could live without shedding
One tear or feel the pain of sorrow
And if I could live and know
What lay in every tomorrow
If, as I live, I could
Be strong and never fall,
Then what would be the reason
To have lived at all?

From the Editor . . .

It isn't easy to be the editor of the *Trailblazer.* Yet, I have to say that being editor is and will remain an unforgettable experience. No one really knows all that there is to know about being an editor until he is put in that position. One thing I learned was to control my temper, to expect the worst thing to happen at the worst possible moment, to have patience at the end of a very bad day, to plead and beg with the staff to turn in their pages, and just to be able to get along with the staff. Although I might have learned all that, there were many times when it failed to show. When the year first started, I had many ideas for the *1981 Trailblazer.* The only problem was that some were unrealistic. After many changes and alterations, the book started taking form and emerged as an outstanding and excellent yearbook. When you sign up for the yearbook staff, you have to realize that only about one-tenth of the book is actually put together during class time. The rest of the book was done outside of class, during weekends, evenings, on dates, during classes, in the shower, and whenever there was an extra time. You can't take pictures and just throw them on the page in any order you want. I know. I tried enough times and had to do them over again. Most of the time spent on the book was spent planning, designing, and writing. Most of the copy that appears throughout the book had to be rewritten and corrected two or three times. My thanks goes out to the members on the staff who really put forth the time and effort to create this book. No one really knows how much I appreciated the extra help when it came to deadlines. The staff members and their major duties are listed below. I want to thank Mr. Ron Taylor, who not only advised as his title indicated, but went beyond the call of duty to make sure that the *1981 Trailblazer* would be a book that all would be proud of. My thanks to Mr. Don Griffin, our Taylor Publishing Representative. Also I want to thank the many places and individuals who helped with pictures in one way or the other. A special thanks to Sherrye Steen, Marketing Director of Plaza of Americas, Mike Garcia, Manager of Lakewood Theatre, Bob Swafford, Texas State Designer, Petals and Stems Florist, C. W. Cassidy, Jr. Chairman of the Board at Richardson Savings, Alphonse and Sandy Leogite, owners of L'Art De Chine, Hyatt Regency, Town East Mall, Mrs. Watson's zero period typing class, Rein Rabakukk and Ron Sterling at Loews Quad Theatre and Paramount Pictures Corp, and these photographers: Paul Wade, Scott Wilson, Ed Albers, Morgan Gibbens, John Kline, Paula Claybrook, Kelli Hopper, Linda Holdridge, and Sylvia Morones. I hope that this book will uphold the *Trailblazer* tradition of being an outstanding book. I know that the time and work was worth it to try to preserve memories and moments for everyone at North Mesquite High School. You were the material from which this book came. You were the actors and actresses that starred in "1981: NORTH MESQUITE HIGH SCHOOL." You were the ones for whom it was created.

Kay,
You really
a super friend, you
have been here when I
needed you the most. I always
hope you'll be here forever. I guess
we've had our share of sad & bad
times. But there were 10 times happier
times & only cause your my friend. I've
missed having someone close to talk to but
you sure have helped me out alot! Lets make
this year & the next the Best of our lives!
I can't tell you how much I thank GOD for
people like you. Too bad there's not more
like you! Sorry that's a replat but I liked
it so much I had to add that. We're
really going to have fun in algebra and
me! Remember you can tell me anything
just call or come over! I'll always
a crazy but sweet friend! I'll always
remember this next coming year! Well
I guess I'll go!

Love,
Susan

To a super "soccer" goalie
Good luck in tomorrow's game. Remember
me this during practice. I wish I
was there cuz I can't see you
there now. Stay sweet.
Love ya

Kara -
Im so
glad I got to know
you better in English
this past year!
You're a really sweet
girl, I hope you get
the best out of life!
Take care!
Relax
Jamie

To a real
sweet girl who
has always been
very nice to me.
Hope we can stay
friends always, Good luck
in the future.
Mike Wilson

Hey.
Whatch' been up
to? Not much here.
See you next time you
go to putt-putt. (HA!)
Love ya,
Jimmy

Hey Sandy,
Well, what can I say?
You know you're a good
friend, we've got a friendship
that can never be broken.
I hope all your dreams
come true. Always
remember you're needed by
your friends.
Love ya lots,
Sandy

Dear Sandy,
Hope you have a
wonderful birthday.
Love,
